WELCOME TO GNULLI FESTIVAL

22 - 24
May 2026
YINGGARDA COUNTRY,
CARNARVON

Welcome to three days of celebration on
Yinggarda and Baiyungu Country.

Meaning “All of Us” or “Two of Us,” Gnulli is an invitation to come together, to listen, to learn and to share in the traditions, stories and spirit of this place we call home. No matter which culture you are from, Gnulli welcomes everyone to connect, celebrate and experience the rich cultures and community of the Gascoyne.

Over the coming days, you'll experience the best of our region: live music under open skies, art that speaks of Country, food that tells a story, and dance that moves between cultures.

So settle in, say hello to someone new, and join us in celebrating culture, community and connection.

THIS IS GNULLI, THIS IS ALL OF US.
