Meet The Artist & Creative Session

FRI 13 FEB | 5:30 – 7:30 PM

Join us for an evening with
Bruno Booth, artist and collaborator
behind the Exquisite Bodies exhibition.

Bruno will share insights into his ways of working and discuss how his art explores the experience of living with disability. Following the artist talk, take part in a hands-on guided creative session inspired by the exhibition.

Every body is welcome! Come along to learn more and help us celebrate Exquisite Bodies' final weeks in Carnarvon.

Exquisite Bodies is created by Bruno Booth with Lilly Blue and The Art Gallery of Western Australia.
