SHIRE OF CARNARVON

AGENDA PAPERS AUDIT COMMITTEE

MONDAY 14TH JANUARY 2019

Council Chambers, Stuart Street CARNARVON, West Australia Phone: (08) 9941 0000 Fax: ((08) 9941 1099 Website – www.carnarvon.wa.gov.au

NOTICE OF MEETING

Notice is hereby given

Shire of Carnarvon Audit Committee Meeting

will be held on Monday 14th January 2019 in the Shire Council Chambers, Stuart Street Carnarvon, commencing at 10.00am

David Burton CHIEF EXECUTIVE OFFICER

DISCLAIMER

No responsibility whatsoever is implied or accepted by the Shire of Carnarvon for any act, omission or statement or intimation occurring during Council/Committee Meetings or during formal/informal conversations with Staff or Councillors. The Shire of Carnarvon disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council/Committee Meetings or discussions. Any person or legal entity who acts or fails to act in reliance upon any statement does so at that person's or legal entity's own risk.

In particular and without derogating in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or limitation of approval made by a member or officer of the Shire of Carnarvon during the course of any meeting is not intended to be and is not taken as notice of approval from the Shire of Carnarvon. The Shire of Carnarvon warns that anyone who has an application lodged with the Shire of Carnarvon must obtain and only should rely on <u>WRITTEN CONFIRMATION</u> of the outcome of the application, and any conditions attaching to the decision made by the Shire of Carnarvon in respect of the application.

<u>AGENDA</u>

1.0 ATTENDANCES , APOLOGIES & APPLICATIONS FOR LEAVE OF ABSENCE

(The Local Government Act 1995 Section 2.25 provides that a Council may, by resolution, grant leave of absence to a member for Ordinary Council Meetings. The leave cannot be granted retrospectively and an apology for non-attendance at a meeting is not an application for leave of absence.)

2.0 DECLARATIONS OF INTEREST

(Councillors and Staff are reminded of the requirements of Section 5.65 of the Local Government Act 1995, to disclose any interest during the meeting or when the matter is to be discussed.)

3.0 CONFIRMATION OF MINUTES

Previous minutes held on 18th September 2018, were confirmed at the Council Meeting held on 25th September 2018 (Resolution FC 3/9/18).

Summary of Item

To hold discussions with Council's auditor, Mr Wen Shien Chai from Moore Stephens.

Description of Proposal:

The proposal is that during the Audit Committee meeting a telephone 'link-up' be held with the Shire auditor, Mr Wen Shien Chai, of Moore Stephens.

Background:

On appointment of the Audit Committee, it was given responsibility for meeting with the Auditor of the local government at least once in every year, pursuant to Section 7.12A (2) of the *Local Government Act, 1995*.

The Local Government Act does not require the Audit Committee to meet in person with the Auditor but may engage through a telephone link which has been arranged to allow Councillors on the Audit Committee to pose questions and receive answers on the annual financial reports.

Consultation:

Nil

Statutory Environment

The meeting with the Auditor is required under Section 7.12A - Duties of local government with respect to audits, which states:

(1) A local government is to do everything in its power to -

- (a) assist the auditor of the local government to conduct an audit and carry out his or her other duties under this Act in respect of the local government; and
- (b) ensure that audits are conducted successfully and expeditiously.
- (2) Without limiting the generality of subsection (1), a local government is to meet with the auditor of the local government at least once in every year.

Relevant Plans & Policy:

Nil

Financial Implications

There are no financial implications from this report.

Risk Assessment:

Failure to meet with the auditor would be a contravention of the Act.

4.1

Community & Strategic Implications:

Goal 5: Civic

Strong and listening Council.

| ITEM | OUTCOMES AND STRATEGIES |
|-------|--|
| 5.2 | The Shire has a high standard of governance and accountability |
| 5.2.6 | Compliance with the Local Government Act 1995 and all other relevant legislation and regulations |
| 5.4 | Sound financial and asset management |
| 5.4.2 | The Shire's Long Term Financial Plan shows financial sustainability, with realistic renewals expenditure and a realistic rates profile |

Comment:

The topics to be discussed include;

- Review of Shire of Carnarvon Audit Report
- Review of Shire of Carnarvon Management Report

OFFICER'S RECOMMENDATION

That Council Note:

- 1) The meeting between the Audit Committee and the Auditor satisfies the requirement of Section 7.12(A) of the Local Government Act, 1995.
- 2) The verbal report by the Shire Auditor Mr Wen Shien Chai from Moore Stephens be noted and received.

| Date of Meeting: Location/Address Name of Applicant: | 14 January 2019 Shire of Carnarvon Shire of Carnarvon |
|--|--|
| Name of Owner: | Shire of Carnarvon |
| Author/s: | Gael Ferguson: Acting Executive Manager, Corporate and Community |
| | Sa Toomalatai, Finance Manager |
| Declaration of Interest: | Nil |
| Voting Requirements: | Simple Majority |

Summary of Item:

The purpose of this report is to present a copy of the Financial Report for the year ended 30 June 2018 and the Annual Audit and Management Reports to the Audit Committee for consideration.

Description of Proposal:

That the Audit Committee receive the Auditor's Report and Management Report.

Background

An independent auditor is required to examine the accounts and annual report submitted by a local government for audit by 31 December following the financial year to which the accounts and report relate. They then need to prepare and forward a copy of that report to the President, Chief Executive Officer and the Minister for Local Government. The auditor complied with this requirement in that the final report was received by the Shire on the 21 December 2018.

Under Regulation 10 of the Local Government (Audit) Regulations, the Auditor may prepare a Management Report to accompany the Auditor's Report.

On the finalisation of the Shire's 2017/2018 annual financial audit, it is appropriate that the Auditor's Management Report be presented to the Audit Committee and subsequently the Council for consideration and noting.

The annual financial report with the audit letter (page 50) is attached at *Schedule 4.2(a).* The Auditor's management report is attached at *Schedule 4.2(b).*

Consultation:

Nil

Statutory Environment Local Government (Financial Management) Regulations, 1996.

Relevant Plans & Policy: Nil

Financial Implications There are no financial implications from this report.

Risk Assessment:

The role of the Audit Committee is to support Council in fulfilling its governance and oversight responsibilities in relation to financial reporting, internal control structure, risk management systems, internal and external audit functions and ethical accountability.

The Audit Committee must examine the audit and management reports provided by the external auditor. The committee would then determine if matters raised in the reports require action to be taken by the local government and ensure that appropriate action is implemented.

Community & Strategic Objectives:

Goal 5: Civic

Strong and listening Council.

| ITEM | OUTCOMES AND STRATEGIES |
|-------|--|
| 5.2 | The Shire has a high standard of governance and accountability |
| 5.2.6 | Compliance with the Local Government Act 1995 and all other relevant legislation and regulations |
| 5.4 | Sound financial and asset management |
| 5.4.2 | The Shire's Long Term Financial Plan shows financial sustainability, with realistic renewals expenditure and a realistic rates profile |

Comment

The Independent Auditor has approved the Annual Financial Report 2017/18 for forwarding to the Audit Committee for consideration. The report includes the Auditor's report on page 50.

The Auditor also provided a Management Report with some comments focused on some of the Shire's financial management ratios. These are summarised below (and can be found in full in attached *Schedule 4.2(b)*, with an accompanying response.

Operating Surplus Ratio: Auditor's Summarised Comments

The ratio has declined over the last year and has been negative for the past five years, primarily due to a decrease in operating grants and contributions, and an increase in depreciation costs. This potentially points to an erosion of the Shire's ability to service debt and maintain both operational service levels and the asset base longer term.

Management Comment

This ratio, as with others, is an important benchmark for assessing long-term financial management and performance of local government and is used as a starting point for assessing and managing financial risk. The draft Long Term Financial Plan which will be finalised alongside the 2019/20 budget process does take this into account. The key points to note are:

- The Shire has relatively low existing debt levels and these are projected to decline further, giving the Council considerable capacity to manage any debt servicing risks
- The Corporate Business Plan has thoroughly reviewed levels of service and has identified a rates revenue strategy which is intended to both reduce and smooth immediate funding needs and gaps, and any asset replacement funding needs over the next four years.

At this stage, a watching brief will need to be kept on the impact of any external funding changes on levels of service. Council has the mechanism to address impacts through the budgeting process, and the minor (20/21) and major strategic reviews.

Asset Sustainability Ratio: Auditor's Summarised Comments

The asset sustainability ratio has deteriorated in the current year from 0.71 to 0.48 (a ratio less than 100% can indicate assets may be deteriorating at a greater rate than spending on renewal or replacement is providing for). The main reason for the fluctuation of this ratio is the actual spending on renewal and replacement has not been consistent in the last five years, and that the Shire's depreciation costs were higher since revaluation of assets in 2016, particularly roads in 2015.

Management Comments

The risks of underfunding both asset maintenance (which can exacerbate asset decline) and asset replacement, and ensuring timely replacement of assets, is always a risk area for local government and is the reason why this ratio is so important. This is particularly the case for smaller local governments with a relatively high dependency on external funding.

The recent Strategic Community Plan and the Corporate Business Plan processes emphasised the need to ensure adequate and consistent funding both of planned and reactive asset maintenance, and provision of an adequate level of funding to cover asset replacement/ renewal. This is a significant change from the funding regime of the last five or so years. The draft LTFP also addresses this issue and will be discussed further with the Council over the next five months. The strategic approach taken to managing this risk is as follows:

- The Corporate Business Plan has identified a rates revenue strategy which is intended to smooth funding needs and gaps and any asset replacement funding needs over the next four to ten years.
- The new asset engineering capability and capacity will allow an increased focus on taking asset condition data and ensuring optimisation of asset renewal spending, with a major view to smoothing revenue demands. This will assist in dealing with any external fluctuations in funding, and peaks in asset replacement needs.
- The Corporate Business Plan and LTFP provide for building up Council reserves over time, which will also allow the Council and community to address asset replacement needs over time.

General Management Comment

It should be noted that the Auditor's Management Report also makes the following statement:

'Given the relative strength of the other ratios and the Shire's balance sheet, lower ratios may be acceptable in the short term provided other measures/strategies are maximised. Notwithstanding this, these ratios appear to be trending downwards over the longer term and this should be carefully considered moving forward, to avoid the development of an adverse trend in the Shire's financial position'

This gives confidence that the Shire's wider financial position is relatively strong, and, that provided the Council can continue its strategies of addressing revenue levels and building up Shire reserves, that position will continue into the future. Nonetheless, monitoring and managing for potential risks in both ratio areas will be an important part of the Council's forward program over the next four to ten years.

OFFICER'S RECOMMENDATION

That the Audit Committee, pursuant to Regulation 51 (2) of the Local Government (Financial Management) Regulations 1996, receive the auditor's report and management report for the period ended 30th June 2018.

This statement is to be read in conjunction with the accompanying notes.Audit Committee Agenda14th January 2019

1. BASIS OF PREPARATION

The financial report comprises general purpose financial statements which have been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities and to the extent they are not in-consistent with the *Local Government Act 1995* and accompanying regulations.), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the *Local Government Act 1995* and accompanying regulations. Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise.

The Local Government (Financial Management Regulations 1996) take precedence over Australian Accounting Standards. Regulation 16 prohibits a local government from recognising as assets Crown land that is a public thoroughfare, such as land under roads, and land not owned by but under the control or management of the local government, unless it is a golf course, showground, race course or any other sporting or recreational facility of State or regional significance. Consequently some assets, including land under roads aquired on or after 1 July 2008 have not been recognised in this financial report. This is not in accordance with the requirements of AASB 1051 Land Under Roads paragraph 15 and AASB 116 Property, Plant and Equipment paragraph 7.

Except for cash flow and rate setting information, the report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

CRITICAL ACCOUNTING ESTIMATES

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 25 to these financial statements.

2. REVENUE AND EXPENSES

| (a) Revenue | 2018 Actual | 2018 Budget | 2017 Actual | |
|-------------------------------|----------------|----------------|----------------|--|
| | \$ | | \$ | |
| Other revenue | | | | |
| Reimbursements and recoveries | 210,280 | 0 | 364,210 | |
| | 210,280 | 0 | 364,210 | |
| Fees and Charges | | | | |
| Governance | 4,669 | 5,100 | 4,829 | |
| General purpose funding | 14,586 | 47,500 | 43,084 | |
| Law, order, public safety | 22,972 | 27,070 | 24,609 | |
| Health | 33,500 | 38,300 | 34,635 | |
| Education and welfare | 546 | 2,000 | 1,175 | |
| Community amenities | 1,656,192 | 1,674,000 | 1,658,505 | |
| Recreation and culture | 176,566 | 199,700 | 148,799 | |
| Transport | 676,224 | 692,500 | 675,515 | |
| Economic services | 388,832 | 420,206 | 415,718 | |
| Other property and services | 21,937 | 27,000 | 27,794 | |
| | 2,996,022 | 3,133,376 | 3,034,663 | |

There were no changes during the year to the amount of the fees or charges detailed in the original budget.

2. REVENUE AND EXPENSES (Continued)

(a) Revenue (Continued)

Grant Revenue

Grants, subsidies and contributions are included as operating and non-operating revenues in the Statement of Comprehensive Income:

| | 2018 Actual | 2018 Budget | 2017 Actual |
|---|----------------|----------------|----------------|
| | \$ | | \$ |
| Operating grants, subsidies and contributions | | | |
| Governance | 3,390 | 0 | 0 |
| General purpose funding | 4,876,054 | 2,353,328 | 7,402,965 |

SIGNIFICANT ACCOUNTING POLICIES

Grants, Donations and Other Contributions Grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions.

Where contributions recognised as revenues during the reporting period were obtained on the condition that they be expended in a particular manner or used over Grants, Donations and Other Contributions (Continued) a particular period, and those conditions were undischarged as at the reporting date, the nature of and amounts pertaining to those undischarged conditions are disclosed in Note 21. That note also discloses the amount of contributions recognised as revenues in a previous reporting period which were obtained in respect of the local government's operations for the current period.

All of the reserve accounts are supported by money held in financial institutions and match the amount shown as restricted cash in Note 3 to this financial report.

In accordance with council resolutions in relation to each reserve account, the purpose for which the reserves are set aside and their anticipated date of use are as follows:

| | Anticipated | |
|---|-------------|---|
| Name of Reserve | date of use | Purpose of the reserve |
| Leave Reserve | Ongoing | To be used to fund annual and long service leave requirements. |
| Plant Reserve | Ongoing | To be used to implement the Shire's Plant Replacement Program. |
| Waste Disposal Reserve | Ongoing | To be used for maintenance or capital expenditure at Browns Range Refuse Site. |
| Public Ablutions Reserve | Ongoing | To be used to contribute to replacement of major upgrades on Shire of Carnarvon ablutions. |
| Staff Housing Reserve | Ongoing | To be used for major maintenance and capital purchases with respect to staff housing. |
| Civic Centre Reserve | Ongoing | To be used for major building and equipment upgrades to Carnarvon Civic Centre. |
| IT Replacement Reserve | Ongoing | To be used to fund the Shire of Carnarvon Information Technology Strategy. |
| Airport Reserve | Ongoing | To be used to contribute to capital costs in relation to the Carnarvon Airport. |
| Coral Bay Tip Reserve | Ongoing | To be used for maintenance and capital costs associated with Coral Bay Refuse Site. |
| Surge/ Fascine Reserve | Ongoing | To be used for capital upgrade costs associated with the Fascine Wall. |
| Town Planning Reserve | Ongoing | To be used to contribute to funding town planning scheme reviews, new scheme & relevant town planning purposes. |
| Fascine Dredging Reserve | Ongoing | To be used to contribute to funding the fascine dredging program. |
| Flood Mitigation Reserve | Ongoing | To be used to finance Council's obligations with respect to the Flood Mitigation Stategy. |
| OTC / NASA Reserve | Ongoing | To be used for the development & conservation of the OTC site. |
| Blowholes Reserve | Ongoing | To be used to assist with the removal of shack debris and post demolition rehabilitation of shack area. |
| Unspent Grants and Contributions Reserve | Ongoing | To be used to isolate grants and contributions for specific purposes to be spent at a later date or in subsequent years. |
| Land and Infrastructure Development Reserve | Ongoing | To be used for the purchase of land and development of infrastructure within the Shire of Carnarvon. |
| Asset Management Reserve | Ongoing | To be used for the replacement and improvement of specified assets within the Shire of Carnarvon in accordance with the Shire's Asset Management Plan. |
| Emergency Response Reserve | Ongoing | To be used in the preparation for and providing immediate assistance, relief and recovery to the community in response to an Emergency within the Shire of Carnarvon. |
| Mosquite Maile Committee Agenda | Ongoing | To be used for the purpose of delivering servites ho as shown of Health. 22 |

SIGNIFICANT ACCOUNTING POLICIES

Trade and other receivables

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible. **Classification and subsequent measurement** Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Loans and receivables are included in current assets where they are expected to mature within 12 months after the end of the reporting period.

| 6. INVENTORIES | 2018 | 2017 |
|--------------------|--------|--------|
| | \$ | \$ |
| Current | | |
| Fuel and Materials | 22,643 | 20,979 |

| | 52,785 | 51,121 |

SIGNIFICANT ACCOUNTING POLICIES

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

7. PROPERTY, PLANT AND EQUIPMENT (Continued)

(c) Fair Value Measurements

| Asset Class | Fair Value Hierarchy | Valuation Technique | Basis of Valuation | Date of Last Valuation | Inputs Used |
|---|-------------------------|--|---|---------------------------|---|
| Land and buildings | | | | | |
| Land - freehold | 2 & 3 | Market approach using recent observable or estimated market data for similar properties | Independent Valuers | June 2017 | Price per hectare / market borrowing rate |
| Land - vested in and under the control of Council | 3 | Cost approach using depreciated replacement cost | Management Valuation | June 2017 | Improvements to land using construction costs and current condition (Level 2), residual values and remaining useful life assessments (Level 3) inputs |
| Buildings - non-specialised | 2 & 3 | Market approach using recent observable or estimated market data for similar properties | Independent Valuers | June 2017 | Price per square metre / market borrowing rate |
| Buildings - specialised | 3 | Cost approach using depreciated replacement cost | Independent Valuers | June 2017 | Construction costs and current condition (Level 2), residual values and remaining useful life assessments (Level 3) inputs |
| Furniture and equipment | 3 | Cost approach using depreciated replacement cost | Independent Valuers & Management Valuation | June 2016 | Construction costs and current condition (Level 2), residual values and remaining useful life assessments (Level 3) inputs |
| Plant and equipment | 2 & 3 | Market approach using recent observable market data for similar properties / cost approach using depreciated replacement cost | Independent Valuers & Management Valuation | June 2016 | Market price per item / purchase costs and current condition (Level 2), residual values and remaining useful life assessments (Level 3) inputs |

Level 3 inputs are based on assumptions with regards to future values and patterns of consumption utilising current information. If the basis of these assumptions were varied, they have the potential to result in a significantly higher or lower fair value measurement.

During the period there were no changes in the valuation techniques used by the local government to determine the fair value of property, plant and equipment using either level 2 or level 3 inputs.

(c) Fair Value Measurements

| Asset Class | Fair Value Hierarchy | Valuation Technique | Basis of Valuation | Date of Last Valuation | Inputs Used |
|---------------------------------------|-------------------------|---|----------------------|---------------------------|---|
| Infrastructure - Roads | 3 | Cost approach using depreciated replacement cost | Management Valuation | June 2018 | Construction costs and current condition (Level 2) residual values and remaining useful life assessments (Level 3) inputs |
| Infrastructure - Footpaths | 3 | Cost approach using depreciated replacement cost | Management Valuation | June 2018 | Construction costs and current condition (Level 2) residual values and remaining useful life assessments (Level 3) inputs |
| Infrastructure - Drainage | 3 | Cost approach using depreciated replacement cost | Management Valuation | June 2018 | Construction costs and current condition (Level 2) residual values and remaining useful life assessments (Level 3) inputs |
| Infrastructure - Parks and ovals | 3 | Cost approach using depreciated replacement cost | Independent Valuers | June 2018 | Construction costs and current condition (Level 2) residual values and remaining useful life assessments (Level 3) inputs |
| Infrastructure - Other Infrastructure | 3 | Cost approach using depreciated replacement cost | Independent Valuers | June 2018 | Construction costs and current condition (Level 2) residual values and remaining useful life assessments (Level 3) inputs |
| Infrastructure - Bridges | 3 | Cost approach using depreciated replacement cost | Management Valuation | June 2018 | Construction costs and current condition (Level 2) residual values and remaining useful life assessments (Level 3) inputs |
| Infrastructure - Levee system | 3 | Cost approach using depreciated replacement cost | Independent Valuers | June 2018 | Construction costs and current condition (Level 2) residual values and remaining useful life assessments (Level 3) inputs |
| Infrastructure - Airport | 3 | Cost approach using depreciated replacement cost | Independent Valuers | June 2018 | Construction costs and current condition (Level 2) residual values and remaining useful life assessments (Level 3) inputs |
| Infrastructure - Car Parks | 3 | Cost approach using depreciated replacement cost | Independent Valuers | June 2018 | Construction costs and current condition (Level 2) residual values and remaining useful life assessments (Level 3) inputs |

Level 3 inputs are based on assumptions with regards to future values and patterns of consumption utilising current information. If the basis of these assumptions were varied, they have the potential to result in a significantly higher or lower fair value measurement.

During the petricob the it was a standard bar and a standard bar and a standard bar and a standard bar a standard ba

9. FIXED ASSETS

SIGNIFICANT ACCOUNTING POLICIES

Fixed assets

Each class of fixed assets within either property, plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Initial recognition and measurement between mandatory revaluation dates

All assets are initially recognised at cost and subsequently revalued in accordance with the mandatory measurement framework.

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Individual assets acquired between initial recognition and the next revaluation of the asset class in accordance with the mandatory measurement framework, are recognised at cost and disclosed as being at fair value as management believes cost approximates fair value. They are subject to subsequent revaluation at the next anniversary date in accordance with the mandatory measurement framework.

Revaluation

The fair value of fixed assets is determined at least every three years in accordance with the regulatory framework. At the end of each period the valuation is reviewed and where appropriate the fair value is updated to reflect current market conditions. This process is considered to be in accordance with *Local Government (Financial Management) Regulation 17A (2)* which requires property, plant and equipment to be shown at fair value.

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same class of asset are recognised against revaluation surplus directly in equity. All other decreases are recognised in profit or loss.

Land under control

In accordance with *Local Government (Financial Management)* Regulation 16(a)(ii), the Shire was required to include as an asset (by 30 June 2013), Crown Land operated by the local government as a golf course, showground, racecourse or other sporting or recreational facility of State or Regional significance.

Upon initial recognition, these assets were recorded at cost in accordance with AASB 116. They were then classified as Land and revalued along with other land in accordance with the other policies detailed in this Note.

Land under roads

In Western Australia, all land under roads is Crown Land, the responsibility for managing which, is vested in the local government.

Effective as at 1 July 2008, Council elected not to recognise any value for land under roads acquired on or before 30 June 2008. This accords with the treatment available in *Australian Accounting Standard AASB 1051 Land Under Roads* and the fact *Local Government (Financial Management) Regulation 16(a)(i)* prohibits local governments from recognising such land as an asset.

In respect of land under roads acquired on or after 1 July 2008, as detailed above, *Local Government (Financial Management) Regulation 16(a)(i)* prohibits local governments from recognising such land as an asset.

Whilst such treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4(2) provides, in the event of such an inconsistency, the Local Government (Financial Management) Regulations prevail.

Consequently, any land under roads acquired on or after 1 July 2008 is not included as an asset of the Shire.

9. FIXED ASSETS (Continued)

| | | |

9. FIXED ASSETS (Continued)

(b) Depreciation (Continued)

SIGNIFICANT ACCOUNTING POLICIES

Depreciation

The depreciable amount of all fixed assets including buildings but excluding freehold land and vested land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

When an item of property, plant and equipment is revalued, any accumulated depreciation at the date of the revaluation is treated in one of the following ways:

- a) The gross carrying amount is adjusted in a manner that is consistent with the revaluation of the carrying amount of the asset. For example, the gross carrying amount may be restated by reference to observable market data or it may be restated proportionately to the change in the carrying amount. The accumulated depreciation at the date of the revaluation is adjusted to equal the difference between the gross carrying amount and the carrying amount of the asset after taking into account accumulated impairment losses; or
- Eliminated against the gross carrying amount of the asset and the net amount restated to the revalued amount of the asset.

Depreciation rates

Major depreciation periods used for each class of depreciable asset are:

| Buildings | 10 to 100 years |
|--|-----------------|
| Furniture and Equipment | 3 to 10 years |
| Plant and Equipment | 5 to 20 years |
| Sealed roads and streets | |
| formation | not depreciated |
| pavement | 50 years |
| seal | |
| - bituminous seals | 20 years |
| - asphalt surfaces | 25 years |
| Gravel roads | |
| formation | not depreciated |
| pavement | 50 years |
| gravel sheet | 12 years |
| Formed roads | |
| clearing and earthworks | not depreciated |
| construction/roadbase | 50 years |
| Footpaths - slab | 50 years |
| Bridges | 50 years |
| Levee System | 50 years |
| Tools | 5 years |
| Water supply piping & drainage systems | 75 years |
| Other Infrastructure | Various |
| | |

Depreciation (Continued)

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income in the period in which they arise.

10. REVALUATION SURPLUS

SIGNIFICANT ACCOUNTING POLICIES

Financial liabilities Financial liabilities are recognised at fair value when the Shire becomes a party to the contractual provisions to the instrument.

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, Audit Committee Agerida the transfer of non-cash assets or liabilities assumed,

is recognised in profit or loss.

Borrowing costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT FOR THE YEAR ENDED 30TH JUNE 2018

13. PROVISIONS

| | Provision for Annual | Provision for Long Service | |
|--------------------------------|-------------------------|-------------------------------|-----------|
| | Leave | Leave | Total |
| | \$ | \$ | \$ |
| Opening balance at 1 July 2017 | | | |
| Current provisions | 289,534 | 217,570 | 507,104 |
| Non-current provisions | 0 | 76,324 | 76,324 |
| | 289,534 | 293,894 | 583,428 |
| Additional provision | (289,534) | (188,570) | (478,104) |
| Amounts used | 403,734 | 218,441 | 622,175 |
| Balance at 30 June 2018 | 403,734 | 323,765 | 727,499 |
| Comprises | | | |
| Current | 403,734 | 218,441 | 622,175 |
| Non-current | 0 | 105,324 | 105,324 |
| | 403,734 | 323,765 | 727,499 |

Annual Leave and current long service leave liabilities have been classied as current as there are no unconditional right to defer settlement for at least 12 months after the end of the reporting period. Assessments indicate that actual settlement of the liabilities are expected to occur as detailed below.

| | Annual Leave | Long Service Leave | Total |
|---|--------------|-----------------------|---------|
| Current Provisions | \$ | \$ | \$ |
| Within 12 months of the end of the reporting period | 114,199 | 871 | 115,070 |
| After 12 months of the end of the reporting period | 289,535 | 217,570 | 507,105 |
| | 403,734 | 218,441 | 622,175 |

SIGNIFICANT ACCOUNTING POLICIES

Employee benefits

Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position.

Other long-term employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at Other long-term employee benefits (Continued)

rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Provisions

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

14. NOTES TO THE STATEMENT OF CASH FLOWS

Reconciliation of Cash

For the purposes of the Statement of Cash Flows, cash includes cash and cash equivalents, net of outstanding bank overdrafts. Cash at the end of the reporting period is reconciled to the related items in the Statement of Financial Position as follows:

| | 2018 Actual | 2018 Budget | 2017 Actual |
|--|----------------|----------------|----------------|
| | \$ | \$ | \$ |
| Cash and cash equivalents | 8,200,962 | 1,884,660 | 9,195,737 |

| Unallocated | 14,733,826 | 17,254,224 |
| | 364,219,504 | 417,191,639 |

16. CONTINGENT LIABILITIES

In compliance with the *Contaminated Sites Act 2003 Section 11*, the Shire has listed sites to be possible sources of contamination. Details of those sites are:

- Shire of Carnarvon Airport
- Shire of Carnarvon Brown's Range Landfill Site
- Shire of Carnarvon Coral Bay Landfill Site

Until the Shire conducts an investigation to determine the presence and scope of contamination, assess the risk, and agree with the Department of Environment Regulation on the need and criteria for remediation of a risk based approach, the Shire is unable to estimate the potential costs associated with remediation of these sites. This approach is consistent with the Department of Environment Regulation Guidelines.

17. LEASING COMMITMENTS

(a) Capital Expenditure Commitments

The Shire did not have any future capital expenditure commitments at the reporting date.

(b) Operating Lease Commitments

Non-cancellable operating leases contracted for but not capitalised in the accounts.

| D | | |
|----|-----|-----|

- not later than one year
- later than one year but not later than five years

SIGNIFICANT ACCOUNTING POLICIES

Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the Shire, are classified as finance leases.

Finance leases are capitalised recording an asset and a liability at the lower of the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leases (Continued)

2018

\$

157,567

141,893

299,460

Leased assets are depreciated on a straight line basis over the shorter of their estimated useful lives or the lease term.

2017

\$

228,238

299,460

527,698

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses on a straight line basis over the lease term.

Lease incentives under operating leases are recognised as a liability and amortised on a straight line basis over the life of the lease term.

Related Parties

The Shire's main related parties are as follows:

i. Key management personnel

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any elected member, are considered key management personnel.

 ii. Entities subject to significant influence by the Shire
 An entity that has the power to participate in the financial and operating policy decisions of an entity, but does not have control over those policies, is an entity which holds significant influence.
 Significant influence may be gained by share ownership, statute or agreement.

14th January 2019

19. MAJOR LAND TRANSACTIONS

The Shire did not participate in any major land transactions during the 2017/18 financial year.

20. TRADING UNDERTAKINGS AND MAJOR TRADING UNDERTAKINGS

The Shire did not participate in any trading undertakings or major trading undetakings during the 2017/18 financial year.

| Adjusted net current assets - surplus/(deficit) | 3,889,507 | 4,117,971 | 4,117,971 |

Difference

There was no difference between the surplus/(deficit) 1 July 2017 brought forward position used in the 2018 audited financial report and the surplus/(deficit) carried forward position as disclosed in the 2017 audited financial report.

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT FOR THE YEAR ENDED 30TH JUNE 2018

24. FINANCIAL RISK MANAGEMENT

The Shire's activities expose it to a variety of financial risks including price risk, credit risk, liquidity risk and interest rate risk. The Shire's overall risk management focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Shire.

The Shire does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk.

Financial risk management is carried out by the finance area under policies approved by the Council.

The Shire held the following financial instruments at balance date:

| | Carrying Value | | Fair Va | lue |
|---------------------------|----------------|------------|-----------|------------|
| | 2018 | 2017 | 2018 | 2017 |
| | \$ | \$ | \$ | \$ |
| Financial assets | | | | |
| Cash and cash equivalents | 8,200,962 | 9,195,737 | 8,200,962 | 9,195,737 |
| Receivables | 1,423,242 | 1,391,001 | 1,423,242 | 1,391,001 |
| | 9,624,204 | 10,586,738 | 9,624,204 | 10,586,738 |
| Financial liabilities | | | | |
| Payables | 1,425,201 | 917,155 | 1,425,201 | 917,155 |
| Borrowings | 494,982 | 723,771 | 502,004 | 736,967 |
| | 1,920,183 | 1,640,926 | 1,927,205 | 1,654,122 |

Fair value is determined as follows:

Cash and cash equivalents, receivables, payables - estimated to the carrying value which approximates net market value.

Borrowings - estimated future cash flows discounted by the current market interest rates applicable to assets and liabilities with similar risk profiles.

24. FINANCIAL RISK MANAGEMENT (Continued)

(a) Cash and Cash Equivalents

The Shire's objective is to maximise its return on cash whilst maintaining an adequate level of liquidity and preserving capital. The finance area manages the cash portfolio. The Shire has an Investment Policy and the Policy is subject to review by Council. An Investment Report is provided to Council on a monthly basis setting out the make-up and performance of the portfolio.

The major risk associated with investments is price risk - the risk that the capital value of investments may fluctuate due to changes in market prices, whether these changes are caused by factors specific to individual financial instruments of their issuers or factors affecting similar instruments traded in a market.

Cash is subject to interest rate risk - the risk that movements in interest rates could affect returns.

Another risk associated with cash is credit risk – the risk that a contracting entity will not complete its obligations under a financial instrument resulting in a financial loss to the Shire.

The Shire manages these risks by diversifying its portfolio and only investing in investments authorised by Local Government (Financial Management) Regulation 19C.

| | 2018 | 2017 |
|--|--------|--------|
| Impact of a 1% $^{(1)}$ movement in interest rates on cash | \$ | \$ |
| - Equity | 82,010 | 91,957 |
| - Statement of Comprehensive Income | 82,010 | 91,957 |

Notes:

Sensitivity percentages based on management's expectation of future possible interest rate movements.

24. FINANCIAL RISK MANAGEMENT (Continued)

(b) Receivables

The Shire's major receivables comprise rates and annual charges and user charges and fees. The major risk associated with these receivables is credit risk – the risk that the debts may not be repaid. The Shire manages this risk by monitoring outstanding debt and employing debt recovery policies. It also encourages ratepayers to pay rates by the due date through incentives.

Credit risk on rates and annual charges is minimised by the ability of the Shire to recover these debts as a secured charge over the land, that is, the land can be sold to recover the debt. The Shire is also able to charge interest on overdue rates and annual charges at higher than market rates, which further encourages payment.

The level of outstanding receivables is reported to Council monthly and benchmarks are set and monitored for acceptable collection performance.

The Shire makes suitable provision for doubtful receivables as required and carries out credit checks on most non-rate debtors.

There are no material receivables that have been subject to a re-negotiation of repayment terms.

The profile of the Shire's credit risk at balance date was:

| | 2018 | 2017 |
|--|---------|---------|
| Percentage of rates and annual charges | % | % |
| - Current | 0.00% | 0.00% |
| - Overdue | 100.00% | 100.00% |
| Percentage of other receivables | | |
| - Current | 74.05% | 89.00% |
| - Overdue | 25.95% | 11.00% |

24. FINANCIAL RISK MANAGEMENT (Continued)

(c) Payables and borrowings

Payables and borrowings are both subject to liquidity risk – that is the risk that insufficient funds may be on hand to meet payment obligations as and when they fall due. The Shire manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer. Payment terms can be extended and overdraft facilities drawn upon if required.

The contractual undiscounted cash flows of the Shire's Payables and Borrowings are set out in the Liquidity Table below:

| Due within 1 year | Due between 1 & 5 years | Due after 5 years | Total contractual cash flows | Carrying values |
|-----------------------------------|--|--|--|--|
| \$ | \$ | \$ | \$ | \$ |
| 1,425,201 137,863 1,563,064 | 0 233,643 233,643 | 0 183,927 183,927 | 1,425,201 555,433 1,980,634 | 1,425,201 494,982 1,920,183 |
| | | | | |
| 917,155 252,060 | 0 319,150 319 150 | 0 236,475 | 917,155 807,685 | 917,155 723,771 1.640.926 |
| | within 1 year \$ 1,425,201 137,863 1,563,064 917,155 | within 1 year between 1 & 5 years \$ 1 & 5 years \$ \$ 1,425,201 0 137,863 233,643 1,563,064 233,643 917,155 0 252,060 319,150 | within between after 1 year 1 & 5 years 5 years \$ \$ \$ 1,425,201 0 0 137,863 233,643 183,927 1,563,064 233,643 183,927 917,155 0 0 252,060 319,150 236,475 | within between after contractual 1 year 1 & 5 years 5 years cash flows \$ \$ \$ \$ 1,425,201 0 0 1,425,201 137,863 233,643 183,927 555,433 1,563,064 233,643 183,927 1,980,634 917,155 0 0 917,155 252,060 319,150 236,475 807,685 |

Borrowings are also subject to interest rate risk - the risk that movements in interest rates could adversely affect funding costs. The Shire manages this risk by borrowing long term and fixing the interest rate to the situation considered the most advantageous at the time of negotiation.

| The following tables set out the carrying amount, by maturity, of the financial instruments exposed to interest rate risk: | | | | | | Weighted Average Effective | | |
|---|---------|------------|------------|------------|------------|----------------------------------|---------|---------------|
| Year ended 30 June 2018 | <1 year | >1<2 years | >2<3 years | >3<4 years | >4<5 years | >5 years | Total | Interest Rate |

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT FOR THE YEAR ENDED 30TH JUNE 2018

25. TRUST FUNDS

Funds held at balance date over which the Shire has no control and which are not included in the financial statements are as follows:

| | 1 July 2017 | | Amounts Paid | 30 June 2018 |
|-------------------------------|-------------|---------|-----------------|-----------------|
| | \$ | \$ | \$ | \$ |
| Civic Centre Hire | 4,909 | 2,440 | (5,570) | 1,779 |
| Footpath Deposits | 20,099 | 0 | 0 | 20,099 |
| Private Works Deposits | 2,000 | 550,000 | 0 | 552,000 |
| Shire Facility Deposits | 6,752 | 2,480 | (3,712) | 5,520 |
| Public Open Space | 110,374 | 0 | 0 | 110,374 |
| Other Sundry Trust | 8,110 | 33,076 | (4,206) | 36,980 |
| Suspense | 44,071 | 13,783 | (41,942) | 15,912 |
| Unclaimed Monies | 4,142 | 0 | 0 | 4,142 |
| Civic Centre Airconditioning | 51 | 0 | 0 | 51 |
| Perth Glory | 12,500 | 0 | 0 | 12,500 |
| Footpath Cash in Lieu | 7,200 | 0 | 0 | 7,200 |
| Building in Training Fund | 0 | 16,460 | (15,539) | 921 |
| Unspent DRD Grant Funds | 420,344 | 0 | (420,344) | 0 |
| Visitors Centre Booking Sales | 0 | 76,949 | (49,515) | 27,435 |
| | 640,552 | | - | 794,913 |

26. NEW ACCOUNTING STANDARDS AND INTERPRETATIONS FOR APPLICATION IN FUTURE PERIODS

The AASB has issued a number of new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods, some of which are relevant to the Shire.

Management's assessment of the new and amended pronouncements that are relevant to the Shire, applicable to future reporting periods and which have not yet been adopted are set out as follows:

| | Title | Issued / Compiled | Applicable (1) | Impact |
|-------|--|-------------------|----------------|---|
| (i) | AASB 9 Financial Instruments (incorporating AASB 2014-7 and AASB 2014-8) | December 2014 | 1 January 2018 | Nil – The objective of this Standard is to improve and simplify the approach for classification and measurement of financial assets compared with the requirements of AASB 139. Given the nature of the financial assets of the Shire, it is not anticipated the Standard will have any material effect. |
| (ii) | AASB 15 Revenue from Contracts with Customers | December 2014 | 1 January 2019 | This Standard establishes principles for entities to apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from a contract with a customer. |
| | | | | The effect of this Standard will depend on the nature of future transactions the Shire has with those third parties it has dealings with. It may or may not be significant. |
| (iii) | AASB 16 Leases | February 2016 | 1 January 2019 | Under AASB 16 there is no longer a distinction between finance and operating leases. Lessees will now bring to account a right-to-use asset and lease liability into the statement of financial position for all leases. Effectively this means the vast majority of operating leases as defined by the current AASB 117 Leases which currently do not impact the statement of financial position will be required to be capitalised on the statement of financial position when AASB 16 is adopted. |
| | Notes: | | | Currently, operating lease payments are expensed as incurred. This will cease and will be replaced by both depreciation and interest charges. Based on the current number of operating leases held by the Shire, the impact is not expected to be significant. |

(1) Applicable to reporting periods commencing on or after the given date.

| | Title | Issued / Compiled | Applicable (1) | Impact |
|------|---|-------------------|----------------|---|
| (iv) | AASB 1058 Income of Not-for-Profit Entities | December 2016 | 1 January 2019 | These standards are likely to have a significant impact on the income recognition for NFP's. Key areas for consideration are: - Assets received below fair value; - Transfers received to acquire or construct non-financial assets; - Grants received; - Prepaid rates; - Leases entered into at below market rates; and - Volunteer services. Whilst it is not possible to quantify the financial impact (or if it is material) of these key areas until the details of future transactions are known, they will all have application to the Shire's operations. |

Notes:

(1) Applicable to reporting periods commencing on or after the given date.

Adoption of New and Revised Accounting Standards

During the current year, the Shire adopted all of the new and revised Australian Accounting Standards and Interpretations which were compiled, became mandatory and which were applicable to its operations.

Whilst many reflected consequential changes associate with the amendment of existing standards, the only new standard with material application is as follows:

| (i) | AASB 2016-4 Amendments to Australian | 1 January 2017 |
|------|--|----------------|
| | Accounting Standards - Recoverable Amount of | |
| | Non-Cash-Generating Specialised Assets of Not- | |
| | for-Profit Entities | |
| (ii) | AASB 2016-7 Amendments to Accounting | 1 January 2017 |
| | Standards - Deferral of AASB 15 for Not-for-Profit | |
| | Entities | |

27. OTHER SIGNIFICANT ACCOUNTING POLICIES

a) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows

b) Current and non-current classification

The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Shire's operational cycle. In the case of liabilities where the Shire does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current or non-current based on the Shire's intentions to release for sale.

c) Rounding off figures

All figures shown in this annual financial report, other than a rate in the dollar, are rounded to the nearest dollar. Amounts are presented in Australian Dollars.

d) Comparative figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year

When the Shire applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements that has a material effect on the statement of financial position, an additional (third) statement of financial position as at the beginning of the preceding period in addition to the minimum comparative financial statements is presented.

e) Budget comparative figures

Unless otherwise stated, the budget comparative figures shown in this annual financial report relate to the original budget estimate for the relevant item of disclosure.

f) Superannuation

The Shire contributes to a number of Superannuation Funds on behalf of employees. All funds to which the Shire contributes are defined contribution plans.

g) Fair value of assets and liabilities

Fair value is the price that the Shire would receive to sell the asset or would have to pay to transfer a liability, in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset or liability (i.e. the market with the greatest volume and level of activity for the asset or liability) or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (i.e. the market that maximises the receipts from the sale of the asset after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

h) Fair value hierarchy

AASB 13 requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurement into one of three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows:

Level 1

Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3

Measurements based on unobservable inputs for the asset or liability.

The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or more significant inputs are not based on observable market data, the asset or liability is included in Level 3.

Valuation techniques

The Shire selects a valuation technique that is appropriate in the circumstances and for which sufficient data is available to measure fair value. The availability of sufficient and relevant data primarily depends on the specific characteristics of the asset or liability being measured. The valuation techniques selected by the Shire are consistent with one or more of the following valuation approaches:

Market approach

Valuation techniques that use prices and other relevant information generated by market transactions for identical or similar assets or liabilities

Income approach

Valuation techniques that convert estimated future cash flows or income and expenses into a single discounted present value.

Cost approach

Valuation techniques that reflect the current replacement cost of the service capacity of an asset.

Each valuation technique requires inputs that reflect the assumptions that buyers and sellers would use when pricing the asset or liability, including assumptions about risks. When selecting a valuation technique, the Shire gives priority to those techniques that maximise the use of observable inputs and minimise the use of unobservable inputs. Inputs that are developed using market data (such as publicly available information on actual transactions) and reflect the assumptions that buyers and sellers would generally use when pricing the asset or liability are considered observable, whereas inputs for which market data is not available and therefore are developed using the best information available about such assumptions are considered unobservable.

i) Impairment of assets

In accordance with Australian Accounting Standards the Shire's cash denerating non-specialised assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. AASB 116) whereby any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

For non-cash generating specialised assets that are measured under the revaluation model ,such as roads, drains, public buildings and the like, no annual assessment of impairment is required. Rather AASB 116.31 applies and revaluations need only be made with sufficient regulatory to ensure the carrying value does not differ materially from that which would be determined using fair value at the ends of the reporting period. 14th January 2019 55

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT FOR THE YEAR ENDED 30TH JUNE 2018

28. ACTIVITIES/PROGRAMS

Shire operations as disclosed in these financial statements encompass the following service orientated activities/programs.

| PROGRAM NAME GOVERNANCE | OBJECTIVE To provide a decision making process for the efficient allocation of resources. | ACTIVITIES Administration and operations of facilities and services to members of Council. Other costs which relate to the tasks of assisting elected members and ratepayers on matters which do |
|--------------------------------|--|---|
| GENERAL PURPOSE FUNDING | To collect general revenue to allow | not concern specific council services. Rates activity, general purpose grants, banking |
| LAW, ORDER, PUBLIC SAFETY | for the provision of services. To provide services to help ensure | costs and interest revenue. Supervision of various local laws, fire prevention, |
| | a safer community. | emergency services, CBD security, administration of the Crime Prevention Plan. |
| EDUCATION AND WELFARE | To meet the needs of the community in these areas. | Support pre-school facilities and assistance of seniors and retirement villages. This function also provides for Youth Strategy and the accounting of the Carnarvon Youth Co-Ordinating Networks |
| HOUSING | To meet the needs of the Shire of Carnarvon Staff. | finance as part of the agreement. Staff Housing. |
| COMMUNITY AMENITIES | To provide sanitary and essential services required by the community. To provide land development strategies and to process land development activities. Environmental sustainability. | Refuse collection service, operation of refuse site, administration of town planning scheme, cemetery service and maintenance, environmental protection services and land development services. |
| RECREATION AND | | |
| CULTURE | To establish and manage efficiently infrastructure and resources which will help the social well being of the community. | Operations of the Civic Centre (Camel Lane), aquatic centre and beach areas, regional library service, cultural and heritage services and facilities, reserves, parks and gardens. |
| TRANSPORT | To provide effective and efficient transport services to the community. | Maintenance of streets, roads, footpaths, street lighting, airport. Agency for Department of Planning and Infrastructure's on line vehicle licensing service. |
| ECONOMIC SERVICES | To help promote and market the Shire of Carnarvon to the world and improve the economic well being. To ensure building development regulations are adhered to. | Noxious weed control, tourism and area promotion, building control and services. |
| OTHER PROPERTY AND SERVICES | To ensure works programs are operating efficiently. | Private works operations, public works operations and plant operations. |

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT FOR THE YEAR ENDED 30TH JUNE 2018

| 29. FINANCIAL RATIOS | 2018 | 2017 | 2016 |
|-----------------------------------|--------|--------|--------|
| | | | |
| Current ratio | 2.57 | 3.16 | 0.92 |
| Asset consumption ratio | 1.00 | 0.97 | 0.98 |
| Asset renewal funding ratio | 1.04 | 1.00 | 0.62 |
| Asset sustainability ratio | 0.48 | 0.71 | 0.58 |
| Debt service cover ratio | 4.21 | 10.69 | (3.51) |
| Operating surplus ratio | (0.87) | (0.37) | (0.97) |
| Own source revenue coverage ratio | 0.39 | 0.42 | 0.41 |

The above ratios are calculated as follows:

| Current ratio | current assets minus restricted assets |
|-----------------------------------|---|
| | current liabilities minus liabilities associated |
| | with restricted assets |
| Asset consumption ratio | depreciated replacement costs of depreciable assets |
| | current replacement cost of depreciable assets |
| Asset renewal funding ratio | NPV of planned capital renewal over 10 years |
| | NPV of required capital expenditure over 10 years |
| Asset sustainability ratio | capital renewal and replacement expenditure |
| | depreciation expenses |
| Debt service cover ratio | annual operating surplus before interest and depreciation |
| | principal and interest |
| Operating surplus ratio | operating revenue minus operating expenses |
| | own source operating revenue |
| Own source revenue coverage ratio | own source operating revenue |
| <u> </u> | operating expenses |

Notes:

Three of the ratios disclosed above were distorted by the early receipt of Financial Assistance Grants. In addition, two of the ratios were impacted by revenue and expenses associated with flood damage re-instatement which is considered one-off in nature.

| | 2017/18 | 2016/17 | 2015/16 |
|--|---------|---------|-----------|
| | \$ | \$ | \$ |
| Amount of Financial Assistance Grant received during the year relating to the subsequent year. | 690,961 | 629,514 | 0 |
| Amount of Financial Assistance Grant received in prior year relating to current year. | 629,514 | 0 | 605,420 |
| Amount of significant expenditure relating to flood mitigation work of which the corresponding revenue was recognised in 2012. | 0 | 0 | 2,451,238 |

If the events detailed above did not occur, the impacted ratios in the 2018, 2017 and 2016 columns above would be as follows:

| | 2018 | 2017 | 2016 |
|--------------------------|--------|--------|--------|
| Current ratio | 2.23 | 1.48 | 0.92 |
| Debt service cover ratio | 3.97 | 4.48 | 5.88 |
| Operating surplus ratio | (0.90) | (0.68) | (0.44) |

INDEPENDENT AUDITOR'S REPORT

REPORT ON THE AUDIT OF THE FINANCIAL REPORT

Opinion

We have audited the accompanying financial report of the Shire of Carnarvon (the Shire), which comprises the Statement of Financial Position as at 30 June 2018, Statement of Comprehensive Income by Nature or Type, Statement of Comprehensive Income by Program, Statement of Changes in Equity, Statement of Cash Flows and the Rate Setting Statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the Statement by Chief Executive Officer.

In our opinion, the financial report of the Shire of Carnarvon

- i. is based on proper accounts and reports; and
- ii. fairly represents, in all material respects, the results of the operations of the Shire for the year ended 30 June 2018 and its financial position at the end of that period in accordance with the *Local Government Act 1995* (the Act) and, to the extent that they are not inconsistent with the Act, Australian Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Shire in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the 'Code') that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Preparation

We draw attention to Note 1 to the financial report, which describes the basis of preparation. The financial report has been prepared for the purpose of fulfilling the Shire's financial reporting responsibilities under the Act. Regulation 16 of the Local Government (Financial Management) Regulations 1996 (Regulations), does not allow a local government to recognise some categories of land, including land under roads, as assets in the annual financial report. Our opinion is not modified in respect of this matter.

Responsibilities of the Chief Executive Officer and Council for the Financial Report

The Chief Executive Officer (CEO) of the Shire is responsible for the preparation and fair presentation of the annual financial report in accordance with the requirements of the Act, the Regulations and, to the extent that they are not inconsistent with the Act, Australian Accounting Standards. The CEO is also responsible for such internal control as the CEO determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the CEO is responsible for assessing the Shire's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the State government has made decisions affecting the continued existence of the Shire.

The Council is responsible for overseeing the Shire's financial reporting processa

INDEPENDENT AUDITOR'S REPORT TO THE COUNCILLORS OF THE SHIRE OF CARNARVON (CONTINUED)

REPORT ON THE AUDIT OF THE FINANCIAL REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives of the audit are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design
 and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and
 appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from
 fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, international omissions,
 misrepresentation, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Shire's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the CEO.
- Conclude on the appropriateness of the CEO's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Shire's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report, as we cannot predict future events or conditions that may have an impact.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Council and the CEO regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

INDEPENDENT AUDITOR'S REPORT TO THE COUNCILLORS OF THE SHIRE OF CARNARVON (CONTINUED)

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In accordance with the Local Government (Audit) Regulations 1996, we also report that:

- a) All required information and explanations were obtained by us.
- b) All audit procedures were satisfactorily completed in conducting our audit.
- c) In my opinion, the asset consumption ratio and the asset renewal ratio included in the annual financial report were supported by verifiable information and reasonable assumptions.

MATTERS RELATING TO THE ELECTRONIC PUBLICATION OF THE AUDITED FINANCIAL REPORT

This auditor's report relates to the annual financial report of the Shire of Carnarvon for the year ended 30 June 2018 included on the Shire's website. The Shire's management is responsible for the integrity of the Shire's website. This audit does not provide assurance on the integrity of the Shire's website. The auditor's report refers only to the financial report described above. It does not provide an opinion on any other information which may have been hyperlinked to/from this financial report. If users of the financial report are concerned with the inherent risks arising from publication on a website, they are advised to refer to the hard copy of the audited financial report to confirm the information contained in this website version of the financial report.

Cr Karl Brandenburg The Shire President Shire of Carnarvon 3 Francis Street CARNARVON WA 6701

Dear Cr Brandenburg

MANAGEMENT REPORT FOR THE YEAR ENDED 30 JUNE 2018

We advise that we have completed our audit procedures for the year ended 30 June 2018.

We are required under the Local Government Audit Regulations to report certain compliance matters in our audit report. Other matters which arise during the course of our audit that we wish to bring to Council's attention are raised in this management report.

It should be appreciated that our audit procedures are designed primarily to enable us to form an opinion on the financial statements and therefore may not bring to light all weaknesses in systems and procedures which may exist. However, we aim to use our knowledge of the Shire's organisation gained during our work to make comments and suggestions which, we hope, will be useful to you.

We noted the following matters concerning the Shire's ratios we wish to draw to your attention:

OPERATING SURPLUS RATIO

This ratio represents the percentage by which the operating surplus (or deficit) differs from the Shire's own source revenue which includes rates and operating grants.

The Shire's ratio (after adjustment for FAGs funding and expenditure) has declined in the current year (from (0.68) to (0.90)) and has been negative for the past 5 years. Analysis of the Shire's Statement of Comprehensive Income indicates the main reason for the decline to be the decrease in operating grants and contributions and the increase in depreciation costs during the year ended 30 June 2018.

A negative ratio indicates the local government is experiencing an operating deficit. A sustained period of deficits will erode the Shire's ability to service debt and maintain both its operational service level and asset base over the longer term whilst a positive ratio which is consistently above 0.15 provides the Shire with greater flexibility in meeting operational service levels and asset management requirements.

Both Council and management will need to consider ways to improve the operating position in order to increase the ratio above the basic acceptable target level of 0.15. This includes considering the sustainability of the current rating structure, identifying potential new avenues of revenue, and finding the optimum level of the Shire's operating expenses.

ASSET SUSTAINABILITY RATIO

The Asset Sustainability Ratio expresses capital expenditure on renewal and replacement of existing assets as a percentage of depreciation costs. It is used to identify any potential decline or improvement in asset conditions. A percentage of less than 100% on an ongoing basis indicates assets may be deteriorating at a greater rate than spending on renewal or replacement.

This ratio has deteriorated in the current year (from 0.71 to 0.48) and is below the Department of Local Government, Sport and Cultural Industries target level of 0.90. In addition, it has been trending downwards over the longer terms.

A main reason for the fluctuation in this ratio is the actual spending on renewal or replacement has not been consistent for the past five years.

ASSET SUSTAINABILITY RATIO (CONTINUED)

Another reason that had impacted this ratio is the Shire's depreciation costs which was significantly higher since 2016 following the revaluation of infrastructure assets (especially roads) in 2015.

To help the Shire maintain its assets base more effectively and improve this ratio in the future, we urge the management and Council to consider implementing plans:

- a) To ensure a more consistent spending on renewal or replacement of existing assets in line with the Shire's Assets Management Plans; and
- b) To review the Total Useful Life (TUL) and remaining Useful Life (RUL) assessments on individual assets, especially roads so as to determine the appropriate level of depreciation for assets renewal and replacement purposes.

SUMMARY

As detailed above, some ratios are below the accepted industry benchmarks. Given the relative strength of the other ratios and the Shire's balance sheet, lower ratios may be acceptable in the short term provided other measure/strategies are maximised. Notwithstanding this, these ratios appear to be trending downwards over the longer term and this should be carefully considered moving forward to avoid the development of an adverse trend in the Shire's financial position.

We would like to take this opportunity to stress one off assessments of ratios at a particular point in time can only provide a snapshot of the financial position and operating situation of the Shire. As is the case with all ratios and indicators, their interpretation is much improved if they are calculated as an average over time with the relevant trends being considered.

We noted no other matters we wish to draw to your attention.

UNCORRECTED MISSTATEMENT

We advise there were two uncorrected misstatements noted during the course of the audit which is immaterial individually and in aggregate to the financial report as a whole.

| No | Accounts | Dr | Cr |
|----|---|--------|--------|
| 1 | Operating expenditure – Private works | 10,725 | |
| | Accrued expenditure | | 10,725 |

SHIRE OF CARNARVON COMPLIANCE AUDIT RETURN 2018

| Date of Meeting: | 14 January 2019 |
|--------------------------|---|
| Location/Address: | N/A |
| Name of Applicant: | N/A |
| Name of Owner: | Shire of Carnarvon |
| Author/s: | Carolien Claassens – Manager Governance |
| Declaration of Interest: | Nil |
| Voting Requirements: | Simple Majority |
| Previous Report: N/A | |

Summary of Item:

This report relates to Council's adoption of the Shire of Carnarvon annual Compliance Audit Return for 2018.

Description of Proposal:

N/A

Background:

The Shire of Carnarvon is required under the Local Government (Audit) Regulation 1996 - Clause 14, to complete an annual Compliance Audit Return (CAR). The CAR represents an audit of the Shire compliance in the period 1 January until 31 December of each year. Commercial Enterprises by Local Governments, Delegation of Power, Disclosure of Interest, Disposal of Property, Finance, Integrated Planning and Reporting, Local Government Employees, Official Conduct and Tenders are being evaluated based on several questions provided by the Department of Local Government, Sport and Cultural Industries.

In this context the local government is required to undertake the audit and present the report to the Audit Committee for assessment. The CAR will be adopted by Council and presented to the Departmental CEO by 31 March 2018.

A copy of the Compliance Audit Return 2018 is provided at *Schedule 4.3*.

Consultation:

Nil.

Statutory Environment:

The Council is obliged to complete and submit the Carnarvon Compliance Audit Return 2017 in accordance with Regulations 14 and 15 the Local Government (Audit) Regulations, 1996.

Relevant Plans and Policy:

Nil

Financial Implications: Nil.

Risk Assessment:

There is a risk that Council will be in breach of its statutory obligations should it not complete and adopt the Carnarvon - Compliance Audit Return 2018.

Community & Strategic Objectives:

5.2 The Shire has a high standard of governance and accountability

5.2.6 Compliance with the Local Government Act 1995 and all other relevant legislation and regulations

Comment:

The CAR 2018 has been completed by several relevant officers. The table below provides detail which officer completed which CAR category.

The compilation of the CAR 2018 documents has been completed by the Manager Governance.

| COMPLIANCE AUDIT RETURN CATEGORY | RESPONSIBLE OFFICER | ROLE |
|--|--|---|
| Commercial Enterprises by Local Governments | Carolien Claassens | Manager Governance |
| Delegation of Power | Dannielle Hill | Senior Executive officer / FOI Coordinator |
| Disclosure of Interest | Dannielle Hill | Senior Executive officer / FOI Coordinator |
| Disposal of Property | Carolien Claassens | Manager Governance |
| Finance | Jodie Anderson, Mark Dacombe & Carolien Claassens | Senior Finance Officer; A/CEO; Manager Governance |
| Integrated Planning and Reporting | Mark Dacombe | A/CEO |
| Local Government Employees | Diane Lymn | Organisational Development Coordinator |
| Official Conduct | Dannielle Hill | Senior Executive officer / FOI Coordinator |
| Tenders | Carolien Claassens | Manager Governance |

In the Finance category of the CAR three questions 7,8 and 9 related to the Auditors Report for the Financial year ended 30 June 2018, have been answered with No. The meeting with the Shire of Carnarvon Auditors is taking place at the same meeting as the review of the CAR 2018. Questions 7, 8 and 9 will be amended accordingly, after the response from the Audit Committee.

In the Integrated Planning and Reporting category of the CAR question 5, 6 and 7, related to the adoption of an Asset Management Plan, Long Term Financial Plan and a workforce plan, have been answered with No. Comments have been provided about the progress of completing these reports.

If required, some additional comments have been made by the responsible officer for other CAR categories.

OFFICER'S RECOMMENDATION

That the Audit Committee recommend that Council:

- 1. Pursuant to Regulation 14(3) of the Local Government (Audit) Regulations 1996 review the Carnarvon – Compliance Audit Return 2018 as presented in Schedule 4.3 of this report;
- 2. Pursuant to Regulation 14(3A) of the Local Government (Audit) Regulations 1996, after the review by the Audit Committee, present the Compliance Audit Return 2018 to council for adoption;
- 3. Forward a certified copy of the Carnarvon Compliance Audit Return 2018 to the 'Departmental CEO' of the Department of Local Government and Communities in accordance with Regulation 15(1) of the Local Government (Audit) Regulations 1996.

Carnarvon - Compliance Audit Return 2018

Certified Copy of Return
