The Shire of Carnarvon acknowledges the Yingarrda people as the Traditional Custodians of this land which we work and live on. We pay our respects to their Elders past, present and future and extend this respect to all Aboriginal people and their ongoing connection to this Country.

FROM YOUR PRESIDENT

EDITION 70 - JULY 2023

SHIRE PRESIDENT'S MANTRA

Stabilise our financial position
Improve our town and surrounds amenity
Fix what we got!

President Eddie Smith

Meet the Shire President

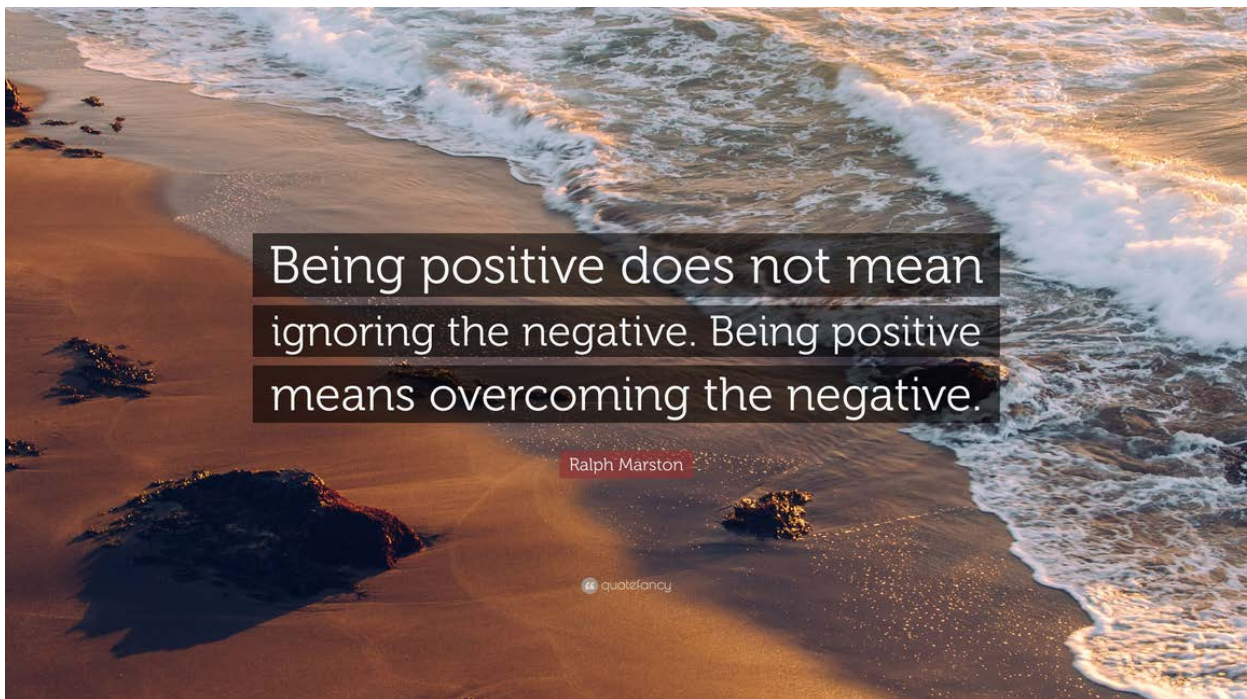

Do you have a Shire issue that you wish to discuss or may have a great idea for Carnarvon? The Shire President extends an invitation to members of the public to meet with him to discuss your issues or ideas. Please note that these meetings will be by appointment only. The Shire President will be available every Friday between the hours of 9.00am to 12 noon. If you would like to catch up with the Shire President please contact Dannielle Hill at the Shire Offices on 99410050 or by email at hill.d@carnarvon.wa.gov.au

The Shire President looks forward to meeting with you.

I am pleased to see so many positive comments being shared by our community and visitors about how our town is looking and the lift in the community spirit. I thank everyone for their efforts as we have had some tough times but Carnarvon, being Carnarvon, and the proud town that we are, we always manage to overcome the negativity, now we need to continue to grow that positivity and not dwell on the negatives.

I firmly believe that Carnarvon is on the cusp of a number of developments occurring that will see significant social and economic benefits for our community.

Carnarvon is a very proud town which is why I'm so proud of it, I hope you all share my sentiments.

Being positive does not mean
ignoring the negative. Being positive
means overcoming the negative.

Ralph Marston

FROM THE COUNCIL MEETING

EDITION 70 - JULY 2023

CARNARVON GOLF CLUB GIVEN LENIENCY ON 2022/2023 RATES

In October 2022, a review of rates processes found that the Carnarvon Golf Club (A667) had not been charged rates since 2013/2014. This is due to a revaluation Schedule G13/14 issued by Landgate which deemed the Golf Club land non-rateable. However, as a Local Government owned property that is leased to a third party, the Golf Club land is rateable. As part of an ongoing review and improvement of processes by the current Rates Officer, this oversight in process that dates from 2013/14 has been uncovered.

As a once only acknowledgement of an oversight by the Shire, the Council resolved to write off 50% of the rates owed by the Carnarvon Golf Club for the 2022/2023 financial year based on -

1. The delay in billing the Carnarvon Golf Club has prevented the Club from applying for funding under the Community Growth Fund process. While it is recognised that the Golf Club may not have been successful in an application, they did not have the same opportunity as other clubs and organisations to at least apply.
2. The late billing for the 2022/23 rates will result in the Club receiving another Rates Notice within approximately three months, resulting in the Club having to find almost \$9000 within a three-month period (noting that the Club does have the option to enter into a payment arrangement to spread the debt over the year).
3. As this is the first Rates Notice the Club has received since August 2012, the Club had not budgeted for this expenditure.

SCHEDULE OF FEES AND CHARGES TO BE FURTHER WORKSHOPPED

The Shire adopts the Schedule of Fees and Charges on an annual basis in accordance with Section 6.16 of the Local Government Act 1995. This section of the Act permits the Shire to impose a fee or charge for any goods or services it provides or proposes to provide.

During the fees and charges review, officers have considered the impact of the increases and made recommendations that take into consideration current economic conditions, previous increases, legislated and regulated fees. The adoption of the Schedule of Fees and Charges 2023 - 2024 forms part of the 2023 - 2024 budget process. The intention is for the Fees and Charges 2023 - 2024 to take effect 60 days after being adopted by Council.

A CPI increase of 5.8% is generally applied across the fees and charges with exceptions to waste fees and statutory fees.

Significant changes to Fees and Charges are for the waste disposal fees. In previous years, the Browns Range Waste Facility Management fees included a Commercial Service Fee of \$40.00 per load. It was proposed that the commercial service fee is removed and an increase to tonnage fees are applied for the financial year 2023-2024.

Extensive internal consultation occurred between all departments and elected members. A public notice will be published advising the community of the Shire's intent to increase fees and charges for 2023 -2024.

Council considered the "Commercial Service Fee" (administration fee) being removed and tonnage fees increased to maintain the overall revenue stream for the Browns Range Waste Facility. Given that the impact of this change is difficult to determine, it was also determined that these Fees and Charges be reviewed after 6 months to see if revenues are being maintained at level that overall provides a CPI increase. The six-month trial period will provide opportunity for stakeholder and community consultation.

At the Council Meeting Councillors felt it important that more discussion on the proposed amendments to the fees and charges take place and therefore the fees and charges will be workshopped with Councillors and then referred to the July Council Meeting for adoption.

FROM THE COUNCIL MEETING

EDITION 70 - JULY 2023

BUSINESS CASE TO BE DEVELOPED TO ATTRACT INVESTMENT IN HOUSING DEVELOPMENTS IN CARNARVON

The State Government, via the Department of Planning, Lands and Heritage (DPLH) has established a \$40 million fund to unlock workers accommodation opportunities in regional areas. The WA State Government Infrastructure Development Fund is open for a period of 18 months, with the first applications under review from the 7 June 2023.

The fund aims to address infrastructure constraints in the water, wastewater and electricity network which are impacting the delivery of regional worker accommodation.

To assist developers to apply for funding, the Shire, with funding support from the Gascoyne Development Commission, developed a business case that highlights the constraints on residential housing developments and the impact this has on attracting and retaining a workforce in Carnarvon.

In March 2023, the Shire called for Expressions of Interests from developers and has subsequently assisted one developer to submit an application for this funding. This application is currently under review by DPLH.

The Shire of Carnarvon's 2022 - 2032 Community Strategic Plan identified housing availability as a key issue for the community.

The development of innovative, high-quality housing will play a pivotal role in attracting and retaining essential workers in Carnarvon, to service new and existing industry requirements.

This Business Case will assist in advocacy for investment in service infrastructure to support residential housing developments.

This Business Case is a snapshot of this current moment in time. The external environment, economic and business context is dynamic. The Business Case will be reviewed regularly, at least annually, to ensure it reflects changes to the environment.

CONTRACT AWARDED FOR THE PROVISION OF UNSEALED ROAD GRADING SERVICES AND MINOR WORKS

Tenders were called for provision of unsealed road grading maintenance services for the Shire's rural roads network. The Tender also makes allowance for minor civil road works to be provided upon request.

The required maintenance grading works include grading of an approximate length of 1,227 km of rural roads estimated at requiring up to 2,500 working hours per year. The estimate of working hours include allowance for camp movements to different work sites and potential minor civil road works.

A contract for an initial period of two years is offered to the successful Tenderer. The contract might be extended for a further two periods of two years. The Contract will be a schedule of rates contract.

Council adopted a Rural Roads Policy in February 2023. That adopted policy includes a maintenance grading regimen for the unsealed road network. The adopted policy regimen results in an estimated annual maintenance grading cost of \$664,894. An allocation of \$665,000 has therefore been included in the draft 2023/24 budget to execute the adopted maintenance grading program. The estimated expenditure from the recommended Tenderer will be within this budget allocation.

Council agreed to award the contract to the recommended tenderer Northern Goldfield Earthmoving Pty Ltd for the services and works for a period of two years. The contract is expected to commence early in the 2023/2024 financial year.

FROM THE COUNCIL MEETING

EDITION 70 - JULY 2023

TENDER AWARDED FOR THE SUPPLY OF PLANT AND OPERATOR FOR UNSEALED ROAD UPGRADE WORKS

Tenders were called for the supply of plant and operators for the unsealed road upgrade for following works -

Package 1: Wahroonga Pimbee Road SLK 74 - 82 (approximately); and

Package 2: Quobba Gnaraloo Road 76.44 to 83.18 (approximately).

The work consists of reconstructing and reshaping the existing unsealed road formation followed by its sheeting with a 150mm compacted gravel pavement layer.

All works are to commence no earlier than 1 July 2023 and both packages shall be completed before 1 May 2024. It is preferred for works to commence in July/ August/September to take advantage of the more favourable weather conditions.

The road upgrade works tendered are co-funded under the Regional Roads Group (RRG) Roads Projects program 2023/24. That program funds up to two thirds of the cost of the works. The budget allocations for both work packages are provided in the table below:

| | Wahroonga Pimbee Road | Quobba Gnaraloo Road | Total |
|--------------|-----------------------|----------------------|--------------------|
| RRG | \$ 503,706 | \$ 503,706 | \$ 1,007,412 |
| Shire | \$ 251,853 | \$ 251,853 | \$ 503,706 |
| Total | \$ 755,559 | \$ 755,559 | \$1,511,118 |

Evaluating of the tenders received was conducted by a panel with the recommendation to Council that Northern Goldfields Earthmoving Pty Ltd be awarded the tender as they are more likely to deliver greater value for money to the Shire of Carnarvon.

Council agreed with the officer's recommendation and the tender was award to NGE Pty Ltd with works to be completed by 1 May 2024.

GHD AWARDED CONTRACT TO PROJECT MANAGER THE FLOOD PREPAREDNESS PROJECT

The Flood Preparedness Project was established following the flood event in February 2021. Post this event, the Department of Primary Industries and Regional Development (DPIRD) engaged GHD to inspect the flood levee systems to identify mitigation works and strategies that could improve the region's flood preparedness.

GHD's recommendations were utilised for the development of the project and formed the basis of the funding application to address the first stages of completing flood preparedness works.

A working group of three project partners has been established to implement the Project. These project partners are:

- Shire of Carnarvon
- Department of Primary Industries and Regional Development (DPIRD)
- Department of Water and Environmental Regulation (DWER)

The Shire conducted an Expression of Interest (EOI) process in a further attempt to identify a suitable project manager. That EOI process encouraged engineering consultants to lodge a submission in addition to offering a flexible working arrangement to a suitably qualified and experienced individual who could be engaged on a fulltime, part-time, casual or contract consultancy basis.

The appointment of a suitable individual was considered as an alternative arrangement as it was hoped that person could be utilised for the management other Shire Projects in addition to the Flood Preparedness work.

In addition to GHD being found to be the only available and suitable candidate, their initial involvement with the project scoping and investigation and their extensive experience with management of large civil and engineering projects for State and Local Government was a key element in their recommendation by the Panel. GHD will be able to provide the necessary project management services with minimal assistance of the Project Partners and have the necessary resources to prepare the required technical specifications and provide site supervision where necessary.

Council endorsed the appointment of GHD as Project Managers for the Flood Preparedness Project.

Council are aware that the quality of our live streaming of Council Meetings is not to standard and therefore livestreaming has been put on hold for a short period of time.

The good news is that we are currently investigating options for suitable software that will enable the livestreaming to be of a high quality whereby the listener can hear and see the proceedings very clearly and without any noise distortion.

We apologise for this inconvenience and can assure you we are working towards a solution as soon as possible.

In the meantime, the public are invited to attend all Ordinary Council Meetings with the next meeting to be held on Tuesday 25 July 2023 commencing at 1.00pm in Council Chambers, Stuart Street Carnarvon.

HORTICULTURAL CLEANUP CAMPAIGN WAIVING OF WASTE DISPOSAL FEES FOR

The Shire of Carnarvon acknowledges the many Carnarvon growers who reduce, reuse, recycle and dispose of their horticultural waste responsibly. Many of these growers also maintain their farms in a tidy condition without excessive accumulation of waste materials and make informed use of fertilisers and pesticides. These growers not only contribute to Carnarvon's reputation for quality horticultural produce, but they also raise the profile of the Carnarvon horticultural region as a healthy farming district despite the difficulties and challenges they face.

After the 2021 flood event, some horticultural waste was a concern. This resulted in the Department of Water and Environment Regulation (DWER) conducting a survey of waste dumping along the river reserves which reported multiple sites of obvious waste dumping.

At the Ordinary Meeting of Council on 26 April 2023, Council resolved to support Carnarvon growers to make improvements in the management of waste on horticultural properties by allowing a once-off three-month exemption on waste disposal fees at the Brown Range Waste Facility.

The exemption will start on Friday 9 June 2023 and the last day will be Friday 8 September 2023. This means that during this period there will be no charge to dispose of all wastes originating from horticultural properties, subject to the conditions in the information sheets provided.

Each horticulturalist has been provided with an approval voucher which must be presented at each visit to the waste facility site for a fee exemption to be claimed. This voucher has been posted to the mailing address the Shire has on our records for each property. If you lose your voucher, or did not receive your voucher in the mail, please contact the Shire via shire@carnarvon.wa.gov.au for a replacement.

Important Note

Of note, it is important that all property owners ensure that the Shire is kept informed of updates to mailing addresses. Should you change your address please notify the Shire of Carnarvon Rates Department at rates@carnarvon.wa.gov.au. Rates Notices and other important correspondence is mailed out to those addresses that have been provided to our Rates Department. If these addresses are incorrect you will unfortunately not receive this information.

CLEANUP A GREAT SUCCESS

The Mungullah Community was buzzing with excitement as a collaborative effort took place. Real Futures, NGALA, ABC Foundation, the Department of Communities, the Shire of Carnarvon, and dedicated Mungullah Community members joined forces for a remarkable cleanup initiative.

Their hard work paid off, resulting in a significant transformation. The team managed to fill 30 bags and a trailer with waste. They diligently cleaned and mowed the lawns at the Basketball court, playground, and entrance to the Mungullah Community, all in preparation for the upcoming July School Holiday.

Congratulations to everyone involved in this commendable effort!

SHIRE STAFF PARTICIPATE IN CULTURAL AWARENESS TRAINING

On the 14th of June, some team members from the Shire of Carnarvon were lucky enough to have Yinggarda Elder, Kath Ryan and Rennee Turner of [Wooramulla Journeys](#) deliver the Yinggarda Cultural Awareness training program.

The training was well received, and all staff members learnt so much from this day and walked away with a world of knowledge. Thank you, Kath and Rennee for your time.

WE'RE THRILLED TO ANNOUNCE THE COMPLETION OF THE STUNNING CONNECTION TO COUNTRY MURAL ON CARNARVON CENTRAL!

In collaboration with the incredibly talented Sadie James and Toni Roe, we have successfully brought this vibrant artwork to life. This project has been made possible through the generous support and funding from the Shire of Carnarvon, FRP Capital, and Rio Tinto - Dampier Salt. We are immensely grateful for their contribution in making this vision a reality.

The Connection to Country mural beautifully captures the essence of our community's deep connection to the land, showcasing our unique heritage and cultural significance. We encourage everyone to take a walk along Carnarvon Central and immerse themselves in the captivating beauty of this remarkable artwork. Let's celebrate and acknowledge the incredible talents of Sadie James and Toni Roe, as well as the collective effort that went into making this project a resounding success.

THE SHIRE SUPPORTS WORLD ELDER ABUSE AWARENESS DAY WITH A WEEK FULL OF PROGRAMS!

The Shire of Carnarvon received funding from the Council on the Ageing (Cota WA) through the Department of Communities - Regional Grants program. This funding has been instrumental in marking World Elder Abuse Awareness Day (WEAAD) and supporting Elder Abuse Awareness Week under the theme "Wise Up, Rise Up Against Elder Abuse."

WEAAD, observed annually on 15 June, is an internationally recognised event. It serves as a poignant reminder of the importance of addressing elder abuse and promoting respect, dignity, and the protection of older individuals in our society.

Thanks to the generous support from COTA and the Department of Communities, the Shire of Carnarvon was able to organise a series of workshops and activities this week, aimed at raising awareness about elder abuse and empowering our community to take a stand against it.

As part of the Elder Abuse Awareness Week, the Shire facilitated workshops in partnership with Carnarvon Family Support Services (CFSS WA LTD) featuring guest speaker, Andrea Musulin. Andrea is a renowned expert in the field, shared her knowledge and insights to educate participants on recognising and addressing elder abuse. Her expertise and passion brought valuable perspectives to the conversation and enhanced our understanding of this critical issue.

In addition to the workshops, the Shire also organised art workshops led by local artist Gosia Taylor. These creative sessions provided a platform for participants to express their thoughts and emotions surrounding elder abuse through artistic mediums. The art workshops fostered engagement and dialogue, inspiring participants to consider the importance of the Wise Up, Rise Up against Elder Abuse message.

The Shire of Carnarvon extends its deepest gratitude to COTA and the Department of Communities for their invaluable support in commemorating World Elder Abuse Awareness Day. The Shire has been able to amplify the message of awareness, empower our community, and foster a society that values and safeguards the rights of our elders.

PUBLIC NOTICE

SHIRE OF CARNARVON

PROPOSAL TO DISPOSE OF PROPERTY

Notice is hereby given in accordance with Section 3.58 of the Local Government Act (1995) of the Shire of Carnarvon's proposal to dispose of the following property by way of Private Sale:

LITTER AND THE LAW

Litter is any refuse or general waste that is discarded in an open or public place. Litter can detract from the aesthetics of an area and, depending on the nature and circumstance of the litter, can cause personal injury and/or environmental damage. Illegal dumping includes rubbish dumped at the side of a road, or items left on a verge outside of collection times.

There are many forms of littering and the Shire's Ranger Service will investigate each report. To ensure everyone continues to enjoy our shire, we've placed litter bins on streets and parks throughout the area.

Litter can include:

- Any material that is thrown or allowed to fall or is blown from a vehicle;
- the placing of waste in a reserve or public place
- the placing of domestic waste in a public rubbish bin
- the placing of bulk waste on your verge before the due date
- dumping of unwanted household, commercial or industrial waste in an open or public place
- throwing cigarette butts on the ground

Littering is an offence under the Litter Act 1979. Did you know littering carries a fine of up to \$63,000 for individuals and \$125,000 for corporations? The Litter Act 1979 outlines what litter is and what constitutes littering. Littering offences are investigated and actioned by either the Rangers, Police officers or from the Keep Australia Beautiful Council. Illegal dumping is now covered in the Environmental Protection Act.

ILLEGAL DUMPING

Illegal dumping is a particular type of littering where people go out of their way to dump their rubbish. It includes waste materials that have been dumped, tipped or otherwise deposited onto land. Illegal dumping varies from small bags of rubbish in an urban environment to larger scale dumping of waste materials in isolated areas, such as bushland.

Report illegal dumping in Carnarvon to the Shire of Carnarvon Rangers on 99410000 during office hours. People who witness illegal dumping should if possible, and without placing themselves at risk, take note of the following:

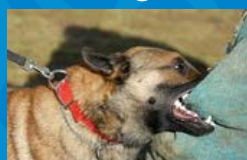

- date, time and place the offence was committed.
- description of the offender.
- vehicle make, model, colour and registration
- type of litter or nature of the illegal dumping

Illegal dumping can be prosecuted under the Environmental Protection Act 1986 with maximum fines of \$62,500 for individuals and \$125,000 for corporate bodies (businesses). Under the Litter Act 1979 minor illegal dumping can attract an infringement notice of \$500 or \$2,000 if taken to court. Photographic or video evidence will also assist Rangers follow up with any prosecutions that may result from the information.

NEED A RANGER

If you have an urgent matter that needs a Ranger's attention such as snake handling or a dog attack, the Rangers can be contacted on 99410019 or after hours on 99410000 where your phone call will be directed to a call centre for assistance.

Please note that this is for urgent matters only and if the matter can wait until Monday, please call during normal office hours 8.00am to 5.00pm Monday to Friday.

RANGER NEWS

WA Seniors Card Regional Roadshow

A big thank you to the team from **WA Senior's Card Centre** for making the *Shire of Carnarvon Library & Art Gallery* part of the **Regional Roadshow** program in June! Attendees learnt about the latest discounts and rebates available, state-wide monthly competitions, and replaced worn-out membership cards.

The library will be getting the **2023-24 Senior's Card Discount Directory** in late July, so email us or call the library on (08) 9941 3727 and let us know your details and we'll let you know when they have arrived and are ready for collection.

EDITION 70 - JULY 2023

Picture Perfect Workshop

The workshop on 24th June with Phil Thomas was a huge success with participants creating a fun picture quilt using fusible web and raw edge machine applique. Phil was on hand to share her extensive skillset on how to select fabrics to make the picture quilt come alive as well as 'appliquit' to finish the quilt edges using simple and clever techniques. This workshop was possible with funding from Lotterywest and supported by Carnarvon Arts & Crafts Inc. and the Shire of Carnarvon.

FROM YOUR LIBRARY & ART GALLERY

EDITION 70 - JULY 2023

MICROWAVE DYEING using Japanese Shibori techniques

The second workshop presented by Phil Thomas was held at the Jubilee Hall on 25th June with participants learning how to prepare fabric for dyeing using Japanese Shibori folding and stitching techniques. Phil shared many of her finished pieces to show how these fabulous fabrics can be used to make bags, quilts and much more. Everyone spent a lovely, messy day microwave dyeing. As well as the local crafters, some visitors to town who were just passing through, saw the ads and signed up! These fabulous photos show the workshop participants in action, preparing their fabric and drying this in the Carnarvon breeze!

(This workshop was possible with funding from Lotterywest and supported by Carnarvon Arts & Crafts Inc. and the Shire of Carnarvon).

Opening: 5.30pm 28 July

Venue: Carnarvon Library & Art Gallery

Address: 18 Egan Street, Carnarvon WA

Exhibition 29 July-24 September 2023

Continues: Tue-Fri 9.30-5, Sat 9.30-1

This project has been made possible through the Regional Exhibition Touring Boost managed by the Department of Local Government Sport and Cultural Industries, supported by Royalties for Regions and delivered by ART ON THE MOVE.

Minister Punch Launches the first Gascoyne Food and Beverage Capability Guide in Carnarvon.

The GDC were pleased to host the Hon. Don Punch, Minister for Regional Development; Disability Services; Fisheries and Seniors and Ageing this week, as he launched the first Gascoyne Food and Beverage Capability Guide in Carnarvon.

The guide has been produced by the GDC as part of the Food and Innovation Program, delivered by the Department of Primary Industries and Regional Development, with the aim to support and showcase the premium produce and small food and beverage businesses in the Gascoyne region.

There are 29 businesses featured in the guide, including primary producers in agriculture,

fishing and aquaculture, several small businesses and also food events.

Through delivering this guide, the GDC are delivering our strategic initiative to grow and develop alternative industries in the region, including Primary Industry and Tourism, in

showcasing the Gascoyne as a 'food hub' in WA.

You can view the guide through the GDC website: www.gdc.wa.gov.au

Minister Punch also visited the Carnarvon Heritage Precinct, where he announced \$200 000 in funding that will go to the Carnarvon Heritage Group to support the restoration of infrastructure in the Heritage Precinct area.

Whilst in Carnarvon, Minister Punch also took the time to visit the ABC Foundation to see their new can counting machine in operation, which was the result of \$16 686 funding they received in a Round 5 Regional Economic Grant.

ROAD CONDITION REPORTS

If you are unsure of road conditions and want to check before you travel visit the Main Roads WA website at <https://travelmap.mainroads.wa.gov.au> and check out the Travel Map. It provides up to date road incident and impact information.

Alerts

Incidents or issues on the road affecting access or safety. These include closures or changes due to flooding, crashes, breakdowns, bushfires and alike.

Road closures

Information about road closures due to incidents or major planned roadworks. Road closures are shown as red lines on the map.

Roads open to specified vehicle types

Roads may only be open to certain types of vehicles. Full closure details including the vehicles able to access the road are provided in the alert.

Roads open with caution

Some roads may remain open however caution may be required to ensure the safety of all. For example, this includes fog incidents or minor flooding.

Traffic signal outages

We provide the location of those traffic lights that are blocked out to help you plan a safer trip.

Detours

Information is provided for you to safely navigate around an incident or issue on the road.

Roadworks

Information about current or planned roadworks having the potential to cause delays to your trip.

Events

Information about events having the potential to cause road closures or increased congestion in an area.

Rest areas and amenities

The location and details of places to stop during your trip are provided to help ensure a safer journey. Stopping places include parking, toilets and even picnic areas.

Google traffic

Powered by Google, this filter shows congestion across WA roads.

Clustering

Numbers are displayed in a green cluster on the map, indicating that there are multiple alerts in that location. Simply click on the icon to see more alerts in that area.

Alert list

A text-based list of this information is also provided. Filter by alert type, location or region and set your destination to see issues affecting your route.

WEDNESDAY NIGHT IS BINGO NIGHT

Join us each Wednesday evening at the Community and SeniorCitizens' Hall (cnr Olivia Tce. and George St.)

Doors open at 6pm. Eyes Down 7pm.

Please be early to get your books, flyers and favourite table.

See the 'What's on in Carnarvon' or 'Carnarvon Notice Board' on Facebook for the weekly Jackpot prize.

Tea, coffee, cold drinks as well as a selection of munchies also available.

From the Senior Citz

Carnarvon Craft Group

We invite you to join our friendly group, from 9.30 am. each Thursday at the

Senior Citz. Hall (cnr. Olivia Tce. & George St.)

Share your handywork ideas or learn a new craft over a cuppa.

VISITORS ALWAYS WELCOME

VOLUNTEERS NEEDED
in Western Australia!

VOLUNTEERS NEEDED

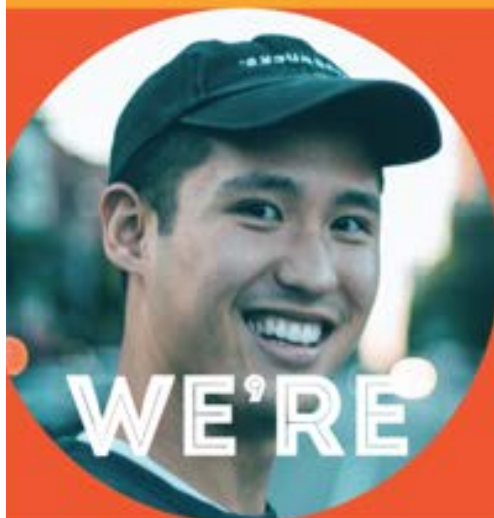

Are you wanting to make an impact in your local community? Why not volunteer with Share the Dignity! We need more volunteers in WA in the lead-up to our Dignity Drive. Volunteering involves picking up donations from local business collection points, sorting and counting the donations, and (the best bit) delivering them to our local charity partners!

You can commit as much or as little time as you like, but please know it all makes a HUGE difference.

Sign up and learn more here: <https://www.sharethedignity.org.au/get-involved/volunteer>

Some of the regions we particularly need help in are:

- Mid-West
- Goldfields
- Pilbara
- Wheatbelt
- Gascoyne
- Kimberley
- Great Southern
- South West
