## **CARNARVON RANGELANDS BIOSECURITY ASSOCIATION INC. SEEK CONTRIBUTION FROM COUNCIL**

The Shire received a formal request from the CRBA for a \$50,000 monetary contribution to support their work in the field of pest and weed control.

The Carnarvon Rangelands Biosecurity Association (CRBA) is a non-profit entity set up as a recognised biosecurity group (RBG) to assist pastoral landholders in managing declared pests that threaten food security and regional biodiversity. The association covers the Shire districts of Carnarvon, Exmouth, Upper Gascoyne, Shark Bay and Murchison and pests of focus include dogs, foxes, donkeys, pigs and pest plants such as mesquite and parkinsonia (thorny, woody weeds) and coral cactus (a nasty, spreading cactus that injures animals).

Carnarvon is the largest town within the CRBA area and is the regional service centre for the whole Gascoyne/Murchison area. Carnarvon town itself has more than half the population of the whole CRBA area.

The CRBA is actively operating within the Shire of Carnarvon and their core mission is to aid pastoral landholders throughout the Shire in efficiently managing declared pests and weeds.

More specifically, the CRBA's request involves weed control in the following areas:

- Mesquite at Brickhouse and Boolathana stations;
- Parkinsonia at Minilya Station; and
- Coral Cactus at Quobba, Warroora, Marrilla and Mardathuna stations.

The CRBA has stated that the Shire's contributions will be exclusively allocated to the fieldwork of the pest control technicians within the Shire district with costs for chemicals and spray equipment covered by the CRBA (approximately 35% of the contractor costs).

Most of the land in the Shire of Carnarvon district is designated for the pastoral purpose of livestock grazing on the natural vegetation. In the Carnarvon district, cattle, sheep and goats are raised for the production of meat which contributes to the nutrition and food security of the local region and to the broader state and national population. Food production is critical to a nation's welfare, and this is a timely occasion to acknowledge the importance of the local pastoral industry and to protect our environment against invasive weed species.

Mesquite is a weed of national significance and "regarded as one of the worst weeds in Australia because of its invasiveness, potential for spread and economic and environmental impacts." It out-competes native vegetation and reduces the productive grazing capacity of pastoral lands by taking over grasslands. It exposes topsoil along riverbanks to water and wind erosion, damages infrastructure and greatly increases the operating costs of pastoral holdings throughout the region.

The Shire is currently undertaking a separate mesquite management control project within the reserves surrounding Carnarvon that are not pastoral land and are not within the CRBA area. The work the CRBA is undertaking is considered complementary to this project and should be supported.

Considering the general benefits associated with the eradication of weeds, Council supported the efforts of the CRBA and approved a \$15,000 contribution.

## COUNCIL PURCHASES A LOADER FOR USE AT THE BROWN RANGE TIP SITE

The existing loader at the tipsite facility in Carnarvon is a leased machine. The lease on this machine expires in April 2024.

Council have agreed to purchase a Caterpillar 938K IT Wheel Loader with the decision based on:

- suitable for the work that is required to be done at the landfill site;
- available in stock and can be delivered to site upon purchase; and
- serviceable via a Carnarvon based CAT service representative resulting in supply of parts and delivery of a specialised service for CAT equipment being less costly and more timely.

## COUNCIL SEEKS FINAL ROUND FUNDING FOR PREMIER OVAL LIGHTING UPGRADE

A Shire expression of interest application under the Federal Growing Regions Program for lighting upgrades to Premier Oval has been successful. The project budget review completed to commence the second stage of the funding application process has identified that the project cost estimate needs to be increased by \$350,000.

In November 2023, notification was received from Growing Regions that the expression of interest submitted for the project was successful. Formal invitation was received for progression to a full application. A full application is due by 15 January 2024.

The full application presents an opportunity to identify any change in circumstance since the expression of interest which may impact upon the project. These include commencement, duration, estimated expenditure and land ownership.

If project funding of a further \$350,000 is successful, project works need to commence by 15 May 2024 with a project completion date of 31 December 2025. The revised estimate total expenditure for the upgrade is \$1,100,000.

## COUNCIL LODGES APPLICATION TO THE FEDERAL GOVERNMENT FOR ADDITIONAL FUNDING TO SUPPORT REQUIRED CARNARVON AIRPORT UPGRADES

Works will be required at Carnarvon Airport to support ongoing operation of the Dash 8 Q400 aircraft into Carnarvon.

The Federal Department of Infrastructure, Transport and Regional Development Remote Airstrip Upgrade Program (RAUP) aims to enhance the safety and accessibility of aerodromes in remote areas of Australia. Round 10 of this program is now open for applications. The Australian Government has announced a total of \$12 million over three years from 2023/2024 to 2025/2026. Under this program, Carnarvon Airport is eligible as a "very remote" site as defined by the 2021 Australian Statistical Geographic Standard (ASGS) for remoteness.

In October 2024, Dash 8 Q400 aircraft commenced operations at Carnarvon airport. This aircraft operates under a Regular Passenger Transport (RPT) contract to Regional Express (Rex) Airlines for the Department of Transport. Operation of the aircraft for three flights per week increases passenger seat servicing to Carnarvon by approximately 38%. Flight times between Carnarvon and Perth is also reduced using this aircraft.

The Department of Transport (WA) has advised an allocation in 2023/2024 has been set aside under its Regional Airport Development Scheme (RADS) program for works associated with supporting ongoing operation of the Q400 aircraft into Carnarvon. They have further advised that a co-contribution from the Shire is not required. DOT has however recommended that the Shire lodges an application under the Federal RAUP program seeking Federal funding to match their \$850,000 contribution.

The extent and nature of the upgrade works that may be required to support Q400 operations however is likely to include a mix of:

- rejuvenation seals to extend the life of pavement surfacing areas;
- asphalt overlays to protect surfacing at high stress aircraft turning areas; and
- asphalt overlays to strengthen aircraft movement areas.

Council resolved to authorise the lodgement of a Remote Airstrip Upgrade Program application.

## COMMUNITY CITIZEN OF THE YEAR AWARDS NOMINATIONS FOR 2024 ENDORSED BY COUNCIL

Each year on Australia Day, the Community Citizen of the Year Awards give local governments around the state the opportunity to acknowledge the contribution and celebrate community engagement of people within the community.

The Awards recognise individuals and organisations making a notable contribution during the current year and to those who have given outstanding service over several years.

Community members forward Awards Nominations to the Australia Day Council. The Australia Day Council then forwards them to the Shire of Carnarvon.

The Awards Committee considers the nominations and assesses them against the selection criteria provided by the Australia Day Council. There were eight nominations in three of the following categories:

- Community Citizen of the Year
- Senior Community Citizen of the Year - Senior (over 65 years)
- Active Citizen of the Year - Group or Event

Council considered the nominations put forward and endorsed the recommendations of the Awards Committee.

The successful recipients will be announced at the Community Citizens Award event to be held at the Carnarvon Yacht Club on Australia Day on Friday 26 January 2024.

## COMMUNITY GROUPS BENEFIT FROM ROUND THREE COMMUNITY GROWTH FUNDING

The Shire of Carnarvon's Community Growth Fund Committee met and assessed six applications received in Round 3 of the Community Growth Fund.

The successful applicants for Round 3 included:

- Carnarvon Arts and Crafts Workshop - \$2,000
- Carnarvon Bowling Club - \$5,000
- Carnarvon Pistol Association - \$5,000
- Carnarvon Rifle Club - \$954.10
- Carnarvon Windfest - \$10,000
- Gascoyne Off Road Racing Club Inc. - \$10,000

## **RAC TOURIST DEVELOPMENT IN CORAL BAY RECEIVES DEVELOPMENTAL APPROVAL FOR SUBMISSION TO THE JOINT DEVELOPMENT ASSESSMENT PANEL (JDAP) FOR A DECISION**

Council received a Development Assessment Panel application for Development Approval of a 'tourist development' on Lots 1,54 and 68 Robinson Street, Coral Bay.

The development proposal was publicly advertised pursuant to clauses 64 (1)(c) and (iii), and 64 (3) (b) (ii) and 64 (3) (c) of the LPS Regs 2015, for a period of 14 days. At the conclusion of the public advertising period a total of six (6) submissions had been received.

The applicant has submitted a detailed development application addressing all aspects requiring assessment under the various planning regulations and requirements, complying with all State planning policies, the Coral Bay Settlement Structure Plan, and the Shire of Carnarvon Local Planning Scheme No. 13.

The development application attracted several submissions that have been considered. No modifications were necessary to be made to the proposal however, some matters raised were supported by the officer and, as such, have formed part of the conditions to be imposed on the permit if one is to be issued.

Considering the information provided, development approval was given subject to conditions as appearing in the agenda report which can be accessed at the Shire of Carnarvon website - <https://www.carnarvon.wa.gov.au/>

## **COUNCIL ADOPTS THE CARNARVON ACTIVATION PLAN 2023 AND COLLABORATION WITH DG CORP**

The CAP provides a strategic approach to attracting third party funding for asset improvements in Carnarvon either as a collection of projects or for stand-alone projects. The total concept design estimate for the complete Carnarvon Activation Plan falls within the range of \$13.1M-\$18.2M, based on QS Costings.

Projects and the associated cost estimates are listed below:

1. Lead The Way (\$750K-\$1.03M) A series of flags along NW Coastal Highway to encourage people into the town.
2. Tramway Walk Trail (\$970K-\$1.32M) Further development of the existing walk into a multi-faceted cultural trail and recreation zone connecting the town centre with the Heritage Precinct.
3. Van Dongen Park (\$5.4M-\$7.5M) a high-profile park with themed play equipment and day-use facilities
4. Plaza, Parking, Green Event Space (\$3.5M-\$4.9M) repurposing a portion of an under-utilised oval into a space to support events; the area will include Long Vehicle parking to encourage tourism and support connectivity between the Long Vehicle Parking.
5. Urban Forest (\$918M - \$1.25M) additional planting of street trees to create connected canopies along Robinson Street.
6. Local Connect & Create (\$615K - \$873K) Artist in residency and creative exhibition space with art trail, and digital display screen.
7. CCTV & Lighting (\$250K-\$344K) create a safe and well-lit streetscape along Robinson Street.
8. Fascine to Harbour Walk (\$710K-\$970K) Connecting the town centre to the harbour with a continuous pathway, lined with palms.

The concept designs have been completed to a sufficient stage to allow for quantity survey costings. This approach provides surety for third party funders, improving the Shire's ability to secure funding.

A new Federal Government funding program, the Regional Precincts and Partnership Program (RPPP) provides another funding opportunity. The RPPP focuses on a partnership approach, bringing governments and communities together to deliver transformational projects to the regions. It is unusual in its approach, providing opportunity to secure Federal funding through a commercial/ local government partnership. The funding supports projects up to the value of \$50million with an expectation that developed precincts are partially funded by the project partners.

An opportunity to partner with DG Corp to deliver Stage 2 of The Pier and the Carnarvon Activation Plan has been identified. Together these projects would have a transformational impact on the social and economic environment for Carnarvon.

The Carnarvon Activation Plan has been devised across a 3-stage co-design process structured around stakeholder and community engagement including two workshops with community. The co-design process was widely advertised to encourage participation and a total of 35 community members attended across the two workshops.

The CAP has been developed in response to objectives identified in the Community Strategic Plan 2022-2032. The plan demonstrates a clear development pathway for Carnarvon and enables Shire Officers to prepare competitive funding submissions.

The RPPP is a Federal Government funding round which will be highly competitive. The funding offers an unprecedented opportunity for the Shire to deliver on all elements of the CAP in a transformational capital works package which includes The Pier.

## **CARNARVON COMMITS TO COMMUNITY AND CULTURE: JAMBA NYINAYI FESTIVAL 2024 PARTNERSHIP**

The Shire of Carnarvon proudly announces its partnership with the Baiyungu Aboriginal Corporation (BAC) for the upcoming Jamba Nyinayi Festival 2024 (JNF24) in Coral Bay. This collaboration aims to build on the success of the inaugural festival, further fostering economic, social, and cultural benefits for the Carnarvon community.

The Jamba Nyinayi Festival, to be held annually, is a celebration of Indigenous culture, focusing on engagement and capacity-building for Indigenous communities. The inaugural festival, organised by the BAC, attracted 1,500 attendees, resulting in an estimated direct spend of \$750,000. The economic impact extended to local businesses, services, trades, and residents, with over 40 entities engaged during planning, event delivery, and post-event stages.

The festival's social impacts were substantial, with community group engagement, media profile enhancement for Coral Bay and the Ningaloo region, training and development programs, creative industry engagement, and cultural understanding initiatives. The festival also showcased the Baiyungu language and stories, contributing to the cultural tourism potential of the region.

Recognising the festival's positive outcomes, the Shire of Carnarvon has been invited to become the Presenting Partner for JNF24. The Shire's support will include in-kind contributions, marketing assistance, and a proposed budget allocation of \$20,000 for new road works. The road will facilitate transportation of equipment to the festival grounds on Cardabia Station and provide access for festival-goers.

The benefits of becoming the Presenting Partner include marketing and publicity advantages, reinforcing the association of Coral Bay with the Shire of Carnarvon, strengthening the relationship between the Shire and the BAC, and investing in the Coral Bay community and businesses.

Council approval for the road works funding is recommended to further enhance the economic, social, and cultural outcomes of the festival. The partnership will also allow the Shire to collaborate with the BAC, JNF team, and other stakeholders to determine specific partner benefits.

The Shire of Carnarvon acknowledges the support from various funding sources, including confirmed contributions from Rio Tinto, Chevron, and Hastings, as well as pending applications with state and federal agencies and philanthropic entities.

The Shire of Carnarvon encourages community members to participate in the Jamba Nyinayi Festival 2024, contributing to the region's vibrant cultural tapestry and showcasing Carnarvon as a diverse and inclusive community.

## SHIRE OF CARNARVON SECURES \$14,546.00 GRANT FOR WASTE EDUCATION INITIATIVES

The Shire of Carnarvon is thrilled to announce that it has successfully secured \$14,546.00 in funding from the Department of Water and Environmental Regulation as part of the WasteSorted Grants - Community Education 2023-2024 program.

The Shire will use this funding to implement a series of workshops on waste education, complemented by an extensive marketing campaign. Building on the achievements of the Beautiful Streets: 6701 initiatives, the project will further enhance community awareness and engagement in waste and sustainability.

Shire CEO Andrea Selvey expressed her enthusiasm for the initiative, stating, "This grant is a significant boost for our community's efforts towards sustainable waste practices. The upcoming workshops and marketing campaign will build on the positive outcomes achieved through our Beautiful Streets: 6701 initiatives."

The Shire of Carnarvon is dedicated to a sustainable and environmentally conscious community. This grant emphasises our ongoing commitment to realising this vision outlined in the Shire's Strategic Community Plan, ensuring sustainable lifestyles for all.

### AMENDMENT OF FEES AND CHARGES - TYRE DISPOSAL FEES

In July 2023, Council adopted its 2023/24 schedule of fees and charges including a significant revision of tyre disposal charges applicable at the Brown Range waste facility. Those fees and charges came into effect on 25 September 2023.

Council undertook to review the waste disposal fees six months after their implementation due to the extensive nature of the changes. However, on receiving feedback from the community, Council has acknowledged that the introduction of a \$2/kg disposal fee for tyres, rather than by tyre type, has proven difficult to implement and arrive at a per kg fee equivalent to the fee charged by tyre type.

Disposal of tyres at the Brown Range waste disposal facility will be charged at the amended fees stated in the table below:

TYRE TYPE	2022/23 Fee (incl GST)	2023/24 Fee (incl GST)
Motorcycle Tyre (New Category)	\$13.50	\$8.00
Passenger Car Tyre	\$13.50	\$15.00
Four-wheel Drive and Light Truck Tyre	\$16.00	\$17.00
Truck Tyre	\$38.00	\$41.00
Tractor/ Earthmoving Tyre (small up to 1 metre tall)	\$143.00	\$152.00
Tractor/ Earthmoving Tyre (large above 1 metre tall)	\$371.00	\$394.00

\*Any tyre still attached to rim attracts double fee

Consequently, Council has resolved to return to the previous method of charging by 'tyre type' for disposal of tyres at the Brown Range waste facility. The below table contains the revised pricing including a CPI increase applicable as at 25 September 2023.

## SHIRE OF CARNARVON SECURES \$26,050 GRANT FOR PUMP TRACK ACTIVATION

The Shire of Carnarvon is thrilled to announce that it has successfully secured \$26,050 in funding from the Department of Local Government, Sport and Cultural Industries, as part of the Outdoor Active Recreation Participation Program.

The Shire will use this funding to deliver a series of mountain-biking workshops using the pump track to assist Carnarvon's youth in developing the skills and confidence to use this new infrastructure. The project will further enhance youth engagement with the pump track, giving young people the confidence and competence to progress with this recreation activity.

Shire's CEO Andrea Selvey expressed her enthusiasm for the initiative, stating, "This grant is a significant boost for our community's efforts in youth development. The upcoming workshops will play a significant role in building on the positive outcomes achieved through the construction of the pump track and developing the physical and mental health of Carnarvon's youth while also providing lots of family fun."

The Shire of Carnarvon is dedicated to providing educational opportunities to our youth and developing a safe and harmonious community. This grant emphasises our ongoing commitment to realising this vision outlined in the Shire's Strategic Community Plan.

The Shire of Carnarvon is calling for registrations of interest from organisations in our community that have an interest in utilising the Jim Richards Pavilion.

The venue consists of three rooms:

The Hall: Capacity to hold 100 people, kitchen facilities, and ablutions.

Workshop Room 1: Capacity to hold 30 people, kitchenette, and external ablutions.

Workshop Room 2: Capacity to hold 30 people, kitchenette, and external ablutions.

We are interested to hear from local community members and organisations who wish to lease or hire the venue via one of the following options:

- Exclusive use of the entire building via a lease
- Exclusive use of a portion of the building (e.g., one room) via a lease
- Shared use (use of the venue at specific times or days) via a licence

Lease or licence fees and conditions would apply as per Council's Policy – CF018.

To arrange a viewing of the building or to lodge an expression of interest please email [shire@carnarvon.wa.gov.au](mailto:shire@carnarvon.wa.gov.au) with the form located via this link <https://rebrand.ly/Jim-Richards-Pavilion>

Expressions of Interest close on 30 January 2024 and will be presented to Council for consideration on the ability to maximise usage and optimise community benefit.

## PUBLIC NOTICE

### GOLDEN CROWNBEARD - WEED

Please be advised it has been discovered that several instances of the Golden Crownbeard Weed has been identified in and around Carnarvon.

This is an aggressive weed that displaces native vegetation and is toxic to stock and other animals.

We are currently in peak flowering and seeding season. So it is important to stop any further spread of this weed.

The Shire is currently actively removing the Golden Crownbeard from known public property.

As a community, we need your help, to work together to keep our biodiversity and nature-scapes, pest free.

#### We need your help!

If this weed is found on your property please see the below best practices to help stop the spread throughout our community.

#### Best Practice:

Pull weed from ground ensuring its roots are intact and removed from the soil.

Collect weed, roots and seeds in a garbage bag and ensure that its fully sealed. It can either be disposed in general waste or, we also encourage drying and burning the weed in a small personal fire.

Please refer to the Department of Parks and Wildlife brochure on The Shire of Carnarvon's website.

## SHARE OUR HORIZONS PARTNERSHIP PROGRAM

The goal of the Share Our Horizons Partnership Program is to establish long-term relationships with community groups, not-for-profit organisations, government agencies, business and industry through sponsorship of Council and community-led initiatives that provide long-term benefits to our community.

We want to develop community wide partnerships that deliver social outcomes and help build community cohesion. Our partnerships go beyond traditional sponsorship. They are about creating synergies, brand awareness and recognition. Entering partnerships with groups or organisations that support our vision for the Shire of Carnarvon.

Partnerships are focused on:

- Having a transparent and coordinated approach in the partnership management.
- Providing benefits and recognition to partners that are relevant to the level of contribution.
- Offering and supporting community initiatives at minimal or no cost.
- Strengthening relationships with all levels of the community.
- Engaging stakeholders at relevant stages of the program.
- Conducting the program in the spirit of goodwill.

# SHIRE NEWS

EDITION 76 - JANUARY 2024

## SHIRE OF CARNARVON WELCOMES TREMOR MINING & CIVIL AS A SILVER PARTNER

The Shire of Carnarvon is delighted to announce that Tremor Mining & Civil has joined the Share Our Horizons Partnership Program as a Silver Partner.

The Shire's partnership with Tremor will assist in the construction and installation of shade seating at the Youth Precinct Pump Track in Hutchinson Park in 2024.

The collaboration between Tremor and the Shire of Carnarvon demonstrates a shared commitment to ensuring our community has access to excellent facilities for everyone to enjoy.

We offer our sincere thanks to Tremor for their support of the Carnarvon Community.

## RIO TINTO JOINS FORCES WITH SHIRE OF CARNARVON AS GOLD PARTNER FOR SHARE OUR HORIZONS PARTNERSHIP PROGRAM

The Shire of Carnarvon is delighted to announce that Rio Tinto has joined the Share Our Horizons Partnership Program as a Gold Partner. This partnership marks a significant milestone in the Shire's ongoing efforts to enhance community initiatives and foster a thriving, vibrant environment for the residents of Carnarvon.

Rio Tinto's generous contribution of \$40,000 will be allocated towards various community projects, including the Fencing Mural Project, aligning with the Beautiful Streets: 6701 programs. This initiative aims to enhance the aesthetics of Carnarvon's streets, making them more visually appealing and contributing to the overall beautification of the town.

The Shire's CEO Andrea Selvey expressed her gratitude for Rio Tinto's commitment to the community, "We are thrilled to welcome Rio Tinto as a Gold Partner for our Share Our Horizons Partnership Program. Their support will undoubtedly have a lasting impact on our community, allowing us to implement meaningful projects that contribute to the betterment of Carnarvon."

One of the key projects Rio Tinto supports is the Fencing Mural Project, which will bring local and regional artists together to create vibrant and engaging murals on selected fences throughout the town. This initiative promotes local artistic talent and enhances the overall visual appeal of Carnarvon's streets.

In addition to the Fencing Mural Project, Rio Tinto's partnership will extend to a series of community events throughout 2024, including the Harmony Week Festival, National Youth Week, NAIDOC Week, and a series of Welcome to Carnarvon events. These events are designed to celebrate diversity, youth engagement, Aboriginal culture, and the welcoming spirit of Carnarvon.

Rio Tinto General Manager Operations Dampier Salt, Laura Thomas said "The Share Our Horizons Partnership Program is a fantastic opportunity for us to support the amazing events in the Shire of Carnarvon in 2024. We want to help create vibrant, liveable communities where we operate, and this partnership will have a positive and lasting impact. We look forward to working closely with the Shire and contributing to the success of these valuable community initiatives."

The collaboration between Rio Tinto and the Shire of Carnarvon demonstrates a shared commitment to fostering a sense of community, supporting local initiatives, and creating lasting positive change. The Shire looks forward to the positive outcomes of this partnership and the many benefits it will bring to the residents of Carnarvon.

Share Our Horizons

# Partnership Program

The goal of the Share Our Horizons Partnership Program is to establish long-term relationships with community groups, not-for-profit organisations, government agencies, business and industry through sponsorship of Council and community-led initiatives that provide long-term benefits to our community.

We want to develop community wide partnerships that deliver social outcomes and help build community cohesion. Our partnerships go beyond traditional sponsorship. They are about creating synergies, brand awareness and recognition.

## Share Our Horizons

### *Partnerships are focused on:*

- Entering partnerships with groups or organisations that support our vision for the Shire of Carnarvon.
- Having a transparent and coordinated approach in the partnership management.
- Providing benefits and recognition to partners that are relevant to the level of contribution.
- Offering and supporting community initiatives at minimal or no cost.
- Strengthening relationships with all levels of the community.
- Engaging stakeholders at relevant stages of the program.
- Conducting the program in the spirit of goodwill.

## RANGER SERVICES - CORAL BAY

Our Shire Ranger provides the following service to the Coral Bay community:

- Patrol for illegal camping, parking and dumping activities and issue infringement notices in accordance with the legislation;
- Attend to abandoned animals;
- Attend to abandoned vehicles; and
- Provide a snake handling service.

Please note: Our Ranger cannot provide information, advice or services outside the scope of his role; however, community members are welcome to contact the Shire via [shire@carnarvon.wa.gov.au](mailto:shire@carnarvon.wa.gov.au) or via 9941 0000 for information on all other Shire services.

For wildlife report and incidents, please contact the Department of Biodiversity, Conservation and Attractions on 08 9947 8000.

To access Ranger services in Coral Bay or for further information on any Shire services, contact the Shire via email [shire@carnarvon.wa.gov.au](mailto:shire@carnarvon.wa.gov.au) or phone 9941 0000.

## LITTER AND THE LAW

Litter is any refuse or general waste that is discarded in an open or public place. Litter can detract from the aesthetics of an area and, depending on the nature and circumstance of the litter, can cause personal injury and/or environmental damage. Illegal dumping includes rubbish dumped at the side of a road, or items left on a verge outside of collection times.

There are many forms of littering and the Shire's Ranger Service will investigate each report. To ensure everyone continues to enjoy our shire, we've placed litter bins on streets and parks throughout the area.

Litter can include:

- Any material that is thrown or allowed to fall or is blown from a vehicle;
- the placing of waste in a reserve or public place
- the placing of domestic waste in a public rubbish bin
- the placing of bulk waste on your verge before the due date
- dumping of unwanted household, commercial or industrial waste in an open or public place
- throwing cigarette butts on the ground

Littering is an offence under the Litter Act 1979. Did you know littering carries a fine of up to \$63,000 for individuals and \$125,000 for corporations?

The Litter Act 1979 outlines what litter is and what constitutes littering. Littering offences are investigated and actioned by either the Rangers, Police officers or from the Keep Australia Beautiful Council. Illegal dumping is now covered in the Environmental Protection Act.

### ILLEGAL DUMPING

Illegal dumping is a particular type of littering where people go out of their way to dump their rubbish. It includes waste materials that have been dumped, tipped or otherwise deposited onto land. Illegal dumping varies from small bags of rubbish in an urban environment to larger scale dumping of waste materials in isolated areas, such as bushland.

Report illegal dumping in Carnarvon to the Shire of Carnarvon Rangers on 99410000 during office hours. People who witness illegal dumping should if possible, and without placing themselves at risk, take note of the following:

- date, time and place the offence was committed.
- description of the offender.
- vehicle make, model, colour and registration
- type of litter or nature of the illegal dumping

Illegal dumping can be prosecuted under the Environmental Protection Act 1986 with maximum fines of \$62,500 for individuals and \$125,000 for corporate bodies (businesses). Under the Litter Act 1979 minor illegal dumping can attract an infringement notice of \$500 or \$2,000 if taken to court. Photographic or video evidence will also assist Rangers follow up with any prosecutions that may result from the information.

OFFENCE	ON THE SPOT FINES	COURT FINES
Insecure or uncovered loads	\$200	\$5,000
Cigarette butt	\$200	\$5,000
Lit Cigarette	\$500	\$1,000
Bill posting	\$200	\$1,000
Leaving flyers on cars	\$200	\$1,000
Breaking glass	\$500	\$5,000
Putting domestic rubbish in public bin	\$200	\$1,000
Fail to give name and address		\$1,000
Illegal Dumping (EP Act)		\$125,000
Animal carcass or animal body part	\$500	\$5,000
Asbestos	\$500	\$5,000
Failing to comply as directed by an authorised officer		\$1,000
Court may order the offender to pay the costs of removing the litter

## DEPARTMENT OF TRANSPORT'S CARNARVON FASCINE ENTRYWAY END OF YEAR SHUTDOWN

Department of Transport (DoT) are currently progressing with dredging in the Fascine channel and stabilisation works on the Babbage Island sand spit.

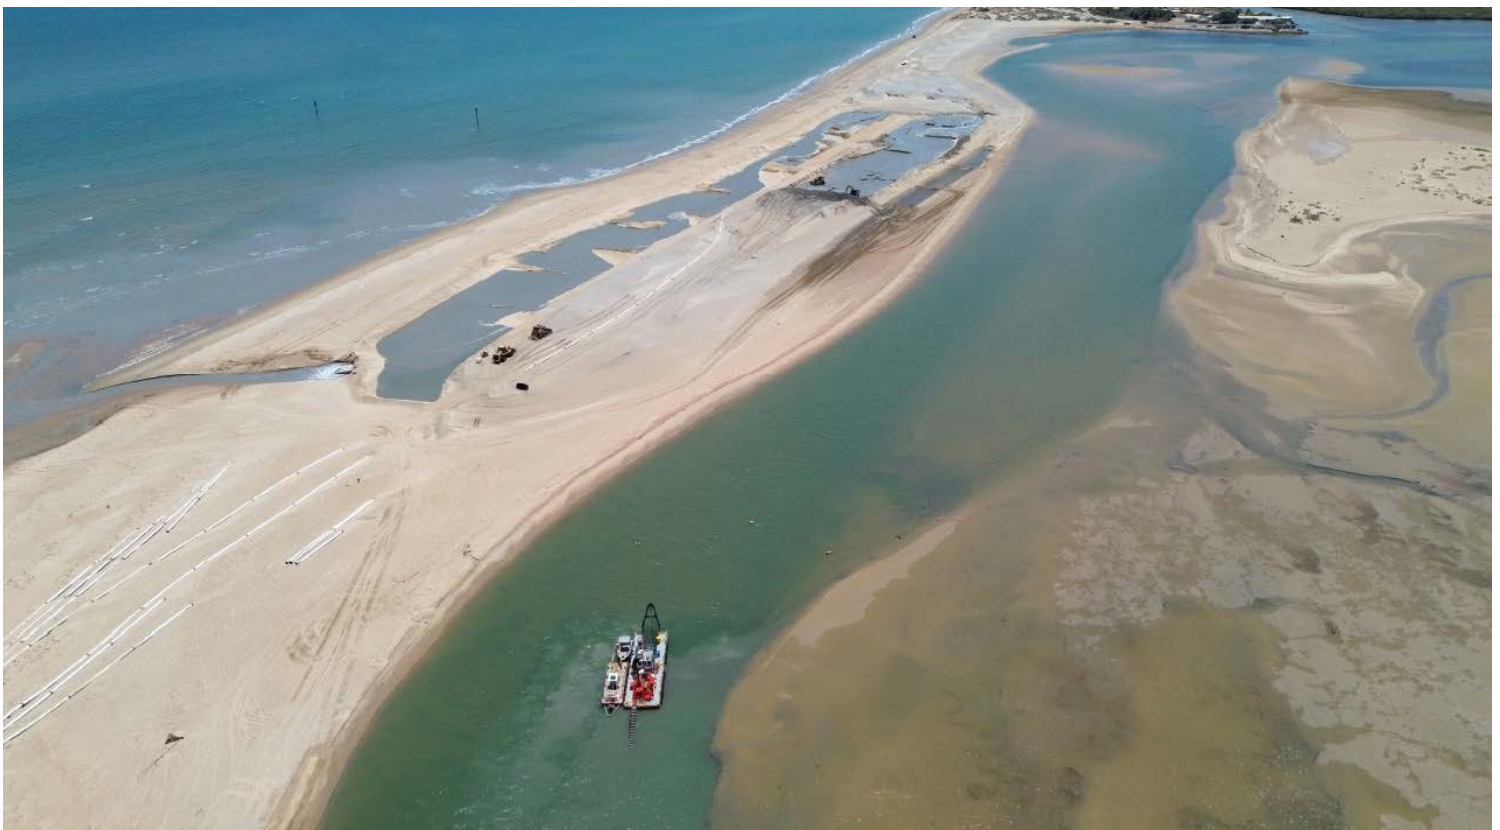

The forecast schedule is to complete the Fascine channel prior to the end of year shutdown, with further dredging to take place at the entrance channel to DoT's Boat Harbour.

DoT's dredging contractor will commence site shutdown activities throughout the week spanning 18th - 24th December to ensure plant and equipment are neatly stored within their respective laydown areas.

The dredge will be located on anchor inside DoT's Boat Harbour and all pipeline removed from navigable waters. Strings of pipeline (as pictured below) will be stored on the sand spit and tied down with anchors.

Signage and barriers will be in place at vehicle access points as the whole of the sand spit remains a restricted access construction site. Unstable ground conditions pose a risk to members of the public, so DoT would again reiterate that no people or vehicles should be accessing the sand spit over the two-week shutdown, effective 25 December 2023 - 7 January 2024 (inclusive).

For further information you can contact DoT on [dredging@transport.wa.gov.au](mailto:dredging@transport.wa.gov.au)

## Turtle Watching Code of Conduct

**NO GLOW:** Nesting turtles and hatchlings are easily disturbed by lights, use the moon to light your way.  
**MOVE SLOW:** To avoid disturbing turtles, walk along the water's edge.  
**STAY LOW:** Out of sight of nesting turtles – sit, crouch or lie in the sand.  
**LET THEM FLOW:** Let hatchlings make their own way to the ocean, they take an imprint of that beach so they can return to the same area when they are ready to mate and lay eggs. Try not to get between hatchlings and the water's edge.

- No flash photography at any time
- No dogs on turtle nesting beaches
- Don't drive on turtle nesting beaches

## ***GDC is supporting local Aboriginal-led businesses***

GDC Communications Officer, Tahlia Southall spent a morning filming a short video on Country in Carnarvon with local Yinggarda woman Renee Turner.

Renee is the owner and founder of Wooramulla Eco Cultural Journeys, a thriving small business Renee started to share her passion for sharing her connection to country and culture with visitors to the region.

Of her time with Renee, Tahlia said, "after spending the morning with Renee, I've learned a lot about the area's cultural heritage. Renee took me on such an interesting journey, explaining some of her Yinggarda traditions, as well as showing me some of the foods of her ancestors. It was such a highlight and I have a greater understanding of Aboriginal culture because of it".

The Commission is proud to support and collaborate with Aboriginal-led businesses in the Gascoyne and is committed to maintaining a workplace culture that encourages participation, recognition and understanding.

## ***2024 Regional Economic Development Grants***

Are you looking for funding for your next business development project?

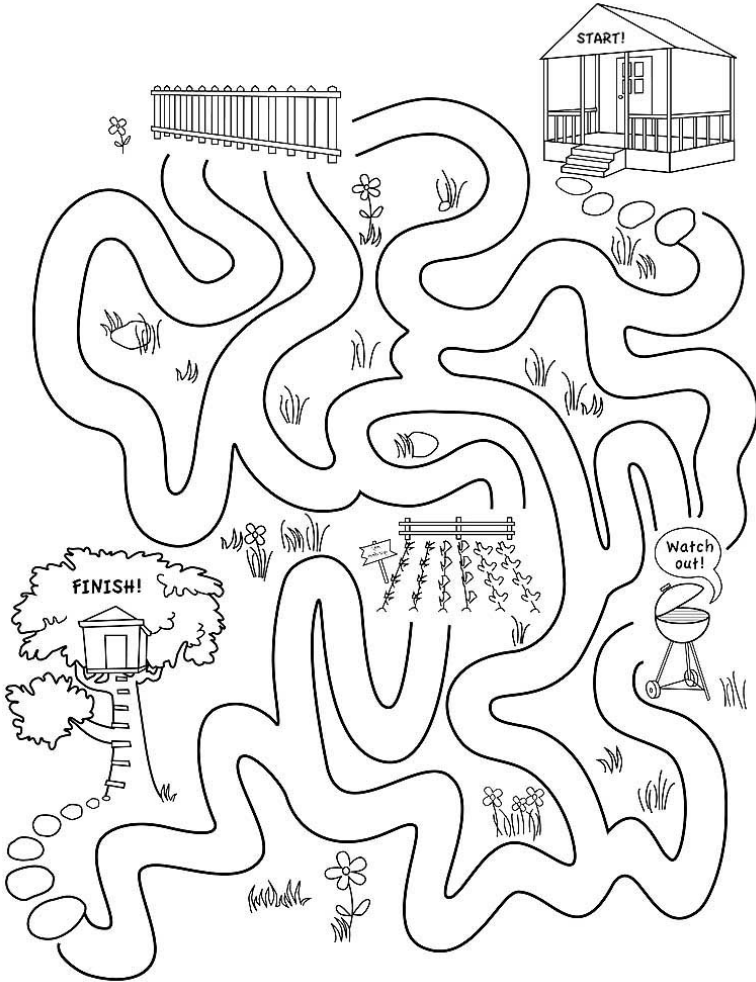

The Regional Economic Development Grants program (RED Grants) is a State Government initiative investing \$50.85 million over nine years. The program supports local projects that stimulate economic growth and development in regional Western Australia.

Up to \$250,000 is available for individual projects that contribute to increasing or sustaining jobs, expanding or diversifying industry, developing skills or capability, increasing business productivity and attracting new investment to the region.

The GDC are proud to have supported 32 RED grant projects to date with more than \$3.5 million awarded.

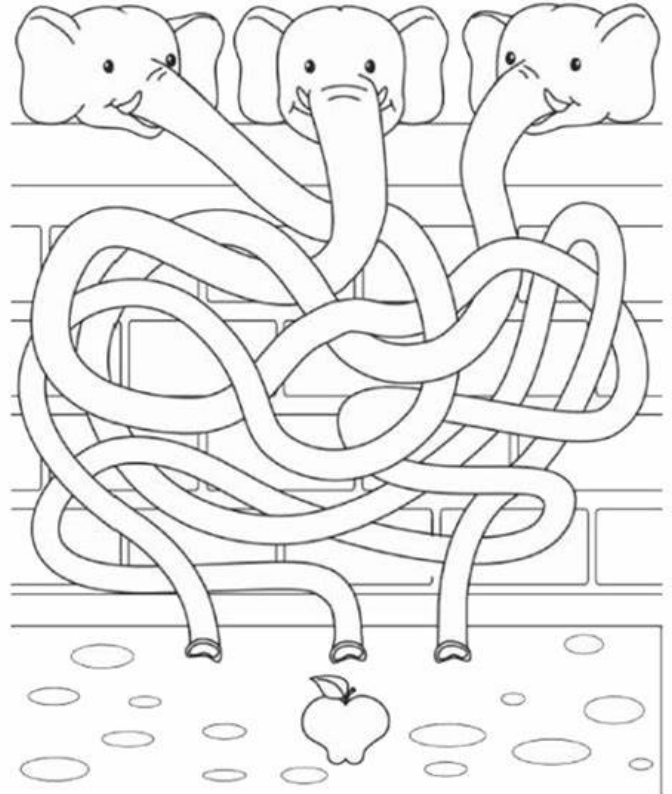

For advice on your 2024 funding application, please contact Courtney Whitehead in our Exmouth office on 9949 2090 or [courtney.whitehead@gds.wa.gov.au](mailto:courtney.whitehead@gds.wa.gov.au) in the new year.
