GASCOYNE GYMNASTICS CLUB SEEKING LEASE OF SHALLCROSS STREET PREMISES

The Gascoyne Gymnastics Club formally sought approval from Council to lease the premises, previously occupied by the Scouts Association, located on the corner of Shallcross Street.

The lease will be for an initial five year period with an option to extend for a further five year extension. A longer-term lease provides stability and support for the Club's activities. This lease benefits current Club members while also opening up opportunities for new participants to engage in this sport.

Council authorised the CEO to negotiate the details of the lease with the lessee in accordance with Council Policy CF018 and the Shire of Carnarvon's standard lease conditions.

SHIRE OF CARNARVON RECEIVES FUNDING OF \$3.357 MILLION LOTTERYWEST GRANT FOR THE CARNARVON ACTIVATION PLAN PHASE ONE

At the Ordinary Council meeting in December 2023, Council endorsed the Carnarvon Activation Plan (CAP) and authorised the CEO to pursue funding opportunities to implement the CAP. Officers subsequently lodged an application for \$3.35m from Lotterywest towards the delivery of CAP Phase One. The application was successful, and an offer of funding has been presented to the Shire based on the following elements.

1. Tramway Walk Trail – Whitlock Island shelter, healing space, trail furniture, and signage. This element leverages the LRCI funding which has been allocated towards the Tramway Bridge repairs;
2. Van Dongen Park – playground, landscaping, and day use facilities;
3. Public Art - utilising the Community Art Hub, local artists will be engaged to design artworks to be installed in Robinson St, Town Oval, and Van Dongen Park;
4. Digital Screen - A large digital display screen installed outside the Civic Centre for promotion and marketing; and
5. Town Oval – outdoor stage, public art, and furniture.

The project will be delivered using a design and construct methodology. It is aimed to deliver the project over two years, 2024/2025 and 2025/2026. The Carnarvon Activation Plan was developed with strong stakeholder and community engagement including two workshops with the community. The co-design process was widely advertised to encourage participation and a total of 35 community members attended across the two workshops.

The project design has focused on improving amenity for the local community and visitors by renewing and adding value to existing assets. The intent is to add interest to existing spaces, encouraging visitors to stay longer rather than pass through Carnarvon. The phased approach has allowed officers to secure significant external funding, for a relatively small investment from the Shire.

The CAP Phase One, is one of two phases that will deliver a series of eight projects. Further third-party funding is being sought to deliver the remaining elements, creating a connected and activated town centre. Successful delivery of Phase One will be a strong demonstration to other potential funding bodies of the Shire's commitment to implementing the CAP.

The Shire has received formal support from the following key stakeholders:

- Gascoyne Development Commission
- Tourism WA
- WA Police
- Yinggarda Aboriginal Corporation via Gumala
- Carnarvon Chamber of Commerce and Industry
- Lock Hospital Working Group
- Ngala

Further public and stakeholder consultation will form part of the final design process.

SHIRE OF CARNARVON SUPPORTS DECISIONS MADE BY THE DEPARTMENT FIRE & EMERGENCY SERVICES AS THE CONTROLLING AGENCY DURING EMERGENCIES

The Carnarvon Floodplain Management Working Group (Working Group) received a submission from a member of the Working Group, on the matter of adding soil to the Boundary Road levee during flood events. As a result of the submission, a report was presented to Council seeking Council's position on this matter in order for the Shire President, as the Council's nominated representative on the Working Group, to vote on the submission received at the Working Group meeting.

Following the flooding of the lower Gascoyne River in February 2021, the Carnarvon Floodplain Management Working Group was established to assist with the recovery from that flood and to consider how to reduce the impact of future floods. The Working Group membership includes representatives from Departments of Primary Industries and Regional Development (DPIRD), Water and Environmental Regulation (DWER) and Fire and Emergency Services, along with the Shire of Carnarvon, the Carnarvon Growers Association, and individual growers. The Working Group report was completed in May 2022 and a second iteration of the Working Group was formed to implement actions arising from the May 2022 report.

The Boundary Road levee, particularly the raising of the levee height with additional soil when a flood is expected to top the levee, has been one topic of discussion at Working Group meetings. The Boundary Road levee is part of a levee system owned and managed by the Shire of Carnarvon. It was constructed in 1990 to mitigate the flood risk in East Carnarvon and to protect critical infrastructure such as the airport, hospital, food supply and communication infrastructure. In major flood events, the Department of Fire and Emergency Services (DFES), as the agency responsible for coordinating the emergency response, has the authority to raise the Boundary Road levee with additional soil.

The submission presented to the Working Group reads - *"Irrespective of the predicted flood level, and in the absence of new flood modelling information being available, the Carnarvon Flood Plain Working Group recommends that NO soil should be placed on the Boundary Road levee as a flood mitigation strategy to protect the Town of Carnarvon's critical infrastructure and its ability to support the region during and after flood events."*

Acknowledging that there is currently limited technical data of the impact of adding soil to flood levels, one of the actions the Working Group has been progressing under the Improving Flood Preparedness project is the new Flood Model that can model the impact of various interventions or scenarios on flood levels, including adding soil to the Boundary Road levee. It is anticipated that the new model will be available in the coming months and will assist in addressing that technical knowledge gap.

It is important that this matter has been raised as it ensures that any decision to add soil to the Boundary Road levee is carefully considered. Consideration by Council was based on compliance with the Fire and Emergency Service Act 1998, and on the understanding that before such a decision is made, DFES will consult with stakeholders and conduct a thorough tactical risk assessment.

It should be noted that the impact of floods on property owners outside the Boundary Road levee is taken seriously by the Shire, DFES and other stakeholders. The new flood model will assist the Working Group to identify potential actions to mitigate the impact on those property owners.

Council resolved to support decisions made by the Department of Fire and Emergency Services (DFES) as the controlling agency in an emergency under the Fire and Emergency Services Act 1998, based on triggers within the DFES tactical risk assessment; and in partnership with other agencies, the Shire will continue to progress the Flood Modelling as a tool to inform potential future decisions and actions that aim to minimise the impacts of floods on all members of our community, to the greatest extent possible.

GASCOYNE 2050 CYCLING STRATEGY AND ACTION PLAN ENDORSED BY COUNCIL FOR FUTURE PLANNING AND BUDGET CONSIDERATION

The Department of Transport's (DoT) Western Australian Bike Network (WABN) Plan 2014-2031 includes a key action to develop long-term cycle strategies for Perth and Regional WA. DoT have identified the need for twelve cycling strategies across WA including eleven regional plans. The Gascoyne Region is one such regional plan. The aim of the strategy is to create and guide a long-term vision for cycling in the regions and deliver safe, trafficable networks that facilitate change in travel behaviour.

Stakeholder and public consultation was conducted throughout the process of developing this strategy by means of face-to-face, public stalls and online surveys. Consultation included those affected in both the Shire of Carnarvon and adjacent Shires in the Gascoyne region. Some local stakeholders involved in the consultation include:

- Carnarvon Community College;
- Ningaloo Surfari;
- Carnarvon Sports; and
- Various members of the public

Other government agencies were involved in the development of this strategy such as Department of Planning, Lands and Heritage (DPLH), Main Roads WA (MRWA), and Department of Biodiversity, Conservation and Attractions (DBCA).

The development of the strategy was funded by DoT but developed in partnership with Local Governments to ensure information is accurate and relevant. The strategy includes a five-year Action Plan that is intended to guide future funding efforts and align with DoT's regional network plan for infrastructure construction.

Endorsement of this strategy demonstrates region-wide collaboration for the shared vision for improved cycle networks across WA. The Shires of Exmouth, Upper Gascoyne and Shark Bay have all provided direction and cooperation in developing this strategy for the Gascoyne region. These Shires will also be considering endorsement of the Gascoyne 2050 Cycling Strategy in the near future.

COUNCIL CONTINUES TO REVIEW POLICY MANUAL

One of the primary functions of a Local Government Council is to determine the local government's policies. Council policies focus on the strategic and statutory decision-making obligations of the Council. The policy may relate to an Express Power or Duty or a matter that is non-statutory and entirely discretionary. Council policies guide and inform the Local Government's strategic, financial, and operational functions and may impact service levels provided to the community. Council policies apply to Council and employees when fulfilling their decision-making responsibilities.

With the Council's policy manual containing many policies, a quarterly review cycle has been implemented and is more manageable.

In this cycle 17 policies were reviewed and can be seen in the March 2024 Council Agenda on Council's website - www.carnarvon.wa.gov.au

COUNCILLOR PAUL KELLY TO COMPLETE DIPLOMA IN LOCAL GOVERNMENT AS PART OF COUNCIL'S PROFESSIONAL DEVELOPMENT POLICY

The WA Diploma of Local Government (Elected Member) 52756WA has been designed specifically to meet the skills and knowledge requirements of an Elected Member's role in Western Australia. The Diploma is suitable for elected members who have completed WALGA's Council Member Essentials Training and wish to further increase their knowledge and skills to support their role as defined in the Local Government Act 1995.

The Shire supports the ongoing professional development of Elected Members, particularly in relation to roles, responsibilities, interests, individual conduct, and meeting procedure.

The benefits to our elected members in pursuing the WA Diploma of Local Government (Elected Member) qualification holds immense value not only for the individual seeking it but also for the Council and the community we serve. It provides enhanced governance skills, strategic leadership development, improved decision making, professional recognition and long term benefits for the community.

Council's decision demonstrates the Shire's commitment to fostering excellence in governance, empowering elected members, and ultimately, serving the best interests of the community.

SHIRE OF CARNARVON RECEIVES \$10,000 GRANT FROM DEPARTMENT OF COMMUNITIES FOR THE BEAUTIFUL STREETS: 6701 ABORIGINAL WOMEN'S PLACEMAKING & ART PROJECT

The Shire of Carnarvon is delighted to share the news of receiving a \$10,000 grant from the Department of Communities for the Beautiful Streets: 6701 – Aboriginal Women's Placemaking & Art Project. This project, a part of the Women's Grants for a Stronger Future 2023 Grants Program, will be facilitated through the Community Art Hub.

This funding aims to empower Aboriginal women by nurturing their artistic skills, leading to the creation of public art installations, including painted pots and window skins on vacant shops. These installations will not only enhance the aesthetic appeal of Carnarvon streets but also contribute to reducing youth and public asset crime.

Andrea Selvey, Shire CEO, expressed her enthusiasm for the project, stating, "This grant is a significant investment in our community's efforts to beautify our streets, fostering a sense of pride." The Shire of Carnarvon remains dedicated to cultivating a safe, harmonious community with a thriving economy. This funding represents a pivotal step towards realising the vision outlined in our Strategic Community Plan."

PUBLIC NOTICE

Access to Pelican Point Prohibited

PELICAN POINT SPIT CLOSURE

We wish to advise the community that both vehicle and pedestrian access to the Pelican Point spit is still prohibited. Although the dredging equipment has been removed and the dredging has been completed, it is still an active Department of Transport worksite where the final works are being completed in the coming weeks.

Rangers are conducting regular patrols of this area, where warnings and potential infringements may be issued if you are found within this area.

This area will be blocked off by the Shire of Carnarvon in the coming weeks once the contractors have completed their final works. We will provide further information on both vehicle and pedestrian access at that stage.

Maintaining the spit in its current condition is of utmost importance to us and for the whole community, so your support and cooperation is appreciated.

For further information please contact the Department of Transport on 13 11 56.

PUBLIC NOTICE

TEMPORARY ROAD CLOSURE - ANNEAR PEACE

Pursuant to Section 3.50 of the Local Government Act, 1995, the Council hereby gives public notice of its intent to apply a temporary partial road closure to Annear Place. A section of the road will be temporarily closed from 1 June 2024 to 31 December 2025 (18 months) due to repair works being undertaken on the One Mile Jetty.

Location
Annear Place

Time and Date
1 June 2024 to 31 December 2025

Reason for Closure
Repairs to be undertaken on the One Mile Jetty

Closure Details and Conditions
The Department of Transport has appointed Ventia Australia Pty Ltd to undertake repair works on the One Mile Jetty during the period noted above. A section of the road has been designated as a laydown area to give the Contractor direct access to the site. This area will be kept secure and closed off to the public. Businesses and other facilities operating in this area will still be made accessible to the public during the closure period.

The Shire invites any objections or concerns regarding the proposed closure to be submitted in writing to the CEO Shire of Carnarvon, PO Box 459, Carnarvon WA 6701.

Submissions to be received by 4:00pm Wednesday 3 April 2024.

For further information please contact the Shire office on 9941 0000.

SHARE OUR HORIZONS PARTNERSHIP PROGRAM

The goal of the Share Our Horizons Partnership Program is to establish long-term relationships with community groups, not-for-profit organisations, government agencies, business and industry through sponsorship of Council and community-led initiatives that provide long-term benefits to our community.

We want to develop community wide partnerships that deliver social outcomes and help build community cohesion. Our partnerships go beyond traditional sponsorship. They are about creating synergies, brand awareness and recognition. Entering partnerships with groups or organisations that support our vision for the Shire of Carnarvon.

Partnerships are focused on:

- Having a transparent and coordinated approach in the partnership management.
- Providing benefits and recognition to partners that are relevant to the level of contribution.
- Offering and supporting community initiatives at minimal or no cost.
- Strengthening relationships with all levels of the community.
- Engaging stakeholders at relevant stages of the program.
- Conducting the program in the spirit of goodwill.

Opportunities Currently Open:

OPPORTUNITY	Benefit to Community
Sponsor Youth Mentor Program.	<i>By introducing the Be Connected Youth Mentor: intergenerational program between secondary school students and older community members, digital literacy development will be supported while facilitating valuable social interactions and a greater sense of community.</i>
Sponsor Night Patrol or expansion/supplement.	<i>The Community Night Patrol provides safe transport to a safe space for youth on the streets at night. This service could be extended and supplemented in several ways to extend its valuable work.</i>
Sponsor activation events and pop ups.	<i>Activate the Civic Centre and Camel Lane Theatre to deliver lively community programming and events.</i>
Sponsor the introduction of health/wellbeing programs.	<i>Offering programs in partnership with other support services can promote improvements in health and wellbeing across the community</i>
Sponsor exhibitions and facilities.	<i>A diverse calendar of art gallery exhibitions supporting local, Gascoyne and touring art, creates accompanying learning and engagement opportunities for our community.</i>
Sponsor traineeship positions.	<i>Supporting traineeships at the Shire in various departments and functions gives local community and youth opportunities for careers and development...</i>
Sponsor special projects and staffing requirements.	<i>Special projects can be created, and project officers employed to create a wide range of beneficial impacts (e.g. sports/club/community development officers and projects).</i>
Sponsor Infrastructure Upgrades.	<i>Replacing or upgrading equipment in community facilities will improve quality of life for users of these facilities (e.g., Improving Shire Cinema Projection Room or installing Gold Class seating).</i>
Sponsor Community events.	<i>An annual calendar of events encourages inclusion and collective celebration for the wider community, on significant dates such as NAIDOC Week shows, Australia Day celebrations, or pre-Christmas Street Party.</i>
Sponsor Child Care services.	<i>Funding a childcare educator to increase the number of places available to children with families working in Carnarvon who struggle to find a work/life balance.</i>
Sponsor coastal infrastructure installation and upgrades.	<i>Developing and restoring existing coastal infrastructure will ensure its safe and continued use for future generations of a defining part of the Carnarvon identity.</i>
Coral Bay Bike Path.	<i>A bike path in this tourist precinct township would boost the amenity for locals and its attraction to tourists.</i>
Coral Bay Recycling Projects.	<i>Sponsoring community and Shire led recycling projects in the township will protect the natural beauty of the area and add to community sustainability.</i>
Indigenous Ranger program.	<i>Sponsor positions or program of local rangers (separate from State program).</i>

REVITALISATION OF SKATE PARK COMMENCES

The Shire of Carnarvon extends its gratitude to Real Futures Pty Ltd for their pivotal role in the revitalisation of the Skate Park within the Youth Precinct. This project, made possible through funding from the Gascoyne Development Commission, marks a significant step forward in providing vibrant recreational spaces for the youth of our community.

Darryl Bellotti, the appointed artist for this transformative endeavour, will be joining us during the upcoming April School Holidays to commence the revitalisation process. His artistic vision promises to bring new life into Skate Park, offering an exciting opportunity for young individuals to engage with the project and leave their mark on our community.

Commenting on this collaborative effort, Shire CEO Andrea Selvey expressed her appreciation for the strong partnership between the Shire of Carnarvon and Real Futures. "This partnership demonstrates our shared commitment to delivering projects that positively impact our community. The revitalisation of the Skate Park will not only enhance recreational opportunities but also foster a sense of pride and ownership among our youth."

Sean Challis, Regional Manager of Real Futures, emphasised the significance of such partnerships in fostering job skill development. "Our collaboration with the Shire of Carnarvon on projects like the Skate Park revitalisation demonstrates the value of hands-on experience in skill development. We are proud to contribute to initiatives that not only enrich our community but also provide tangible opportunities for growth and learning."

The Shire of Carnarvon looks forward to the transformation of the Skate Park and invites the community to join in the excitement during the April School Holidays.

SHIRE OF CARNARVON SECURES \$10,000 SALUTING THEIR SERVICE GRANT FOR CORAL BAY WAR MEMORIAL

The Shire of Carnarvon is proud to announce the receipt of a \$10,000 grant from the Saluting Their Service - Commemorative Grants program for the establishment of a War Memorial in Coral Bay. This significant funding will enable the community to finally have a dedicated space to honour and commemorate the individuals who have bravely served our country.

Coral Bay, a beloved destination for both residents and visitors, has been lacking a formal memorial site to recognise the sacrifices made by those who fought for our nation. The Shire of Carnarvon is committed to rectifying this gap in the community's history and cultural recognition.

CEO Andrea Selvey emphasised the importance of this project, stating, "The War Memorial in Coral Bay is a significant achievement in line with the Shire's Strategic Community Plan. It underscores our commitment to ensuring that our community honours its history and celebrates the diverse cultures that contribute to our identity."

The Coral Bay War Memorial project aligns seamlessly with the Shire's dedication to fostering a sense of unity, pride, and remembrance within the community. The Shire of Carnarvon extends its gratitude to the Saluting Their Service - Commemorative Grants program for their generous support, enabling the realisation of this significant and meaningful initiative.

RANGER SERVICES - CORAL BAY

Our Shire Ranger provides the following service to the Coral Bay community:

- Patrol for illegal camping, parking and dumping activities and issue infringement notices in accordance with the legislation;
- Attend to abandoned animals;
- Attend to abandoned vehicles; and
- Provide a snake handling service.

Please note: Our Ranger cannot provide information, advice or services outside the scope of his role; however, community members are welcome to contact the Shire via shire@carnarvon.wa.gov.au or via 9941 0000 for information on all other Shire services.

For wildlife report and incidents, please contact the Department of Biodiversity, Conservation and Attractions on 08 9947 8000.

To access Ranger services in Coral Bay or for further information on any Shire services, contact the Shire via email shire@carnarvon.wa.gov.au or phone 9941 0000.

LET'S TALK ABOUT PARVO VIRUS AND WHY IT IS IMPORTANT THAT YOU GET YOUR DOG VACCINATED

Parvo Virus is a disease that affects dogs of all ages but is most serious in young pups and older dogs. The virus attacks the intestines causing blood stained diarrhoea, uncontrollable vomiting and severe abdominal pain. Dogs often die from severe dehydration despite intensive veterinary care. It is not necessary to have direct contact with other dogs for the disease to be spread. The virus is so persistent that the infected dog's environment needs to be cleaned with a potent disinfectant to prevent spread to other dogs. Outbreaks occur regularly throughout Australia, especially in summer.

Points to remember -

- Your dog does not have to leave the yard to contract the deadly Parvovirus;
- It doesn't take much for the virus to spread. It can be carried into your backyard by stray dogs, on your shoes, or even by flies;
- Once present, Parvovirus can survive in the environment for years;
- Affected dogs often develop serious symptoms which may lead to a slow and painful death; and
- Puppies are especially at risk.

When should your dog be vaccinated?

Puppies will temporarily be protected against many diseases by antibodies received through their mother's milk. These maternal antibodies decline in the first few months of a puppy's life however, until they drop sufficiently they can neutralise vaccines. This is why a series of vaccines is necessary. Under normal conditions, the recommendation would be for an initial course of vaccination visits as specified by your Vet. Thereafter, booster vaccinations as recommended by your Vet and annual health checks will provide the best protection for the life of your pet.

Having your dog vaccinated can help prevent them from the following diseases -

- * Canine Distemper
- * Canine Adenovirus (hepatitis)
- * Canine Parvovirus
- * Parainfluenza Virus
- * Bordetella Bronchiseptica (kennel cough)
- * Canine Leptospirosis
- * Coronavirus
- * Rabies

"Remember, the worst thing about losing your dog is not having someone there to lick the tears away."

NEED A RANGER

If you have an urgent matter that needs a Ranger's attention such as snake handling or a dog attack, the Rangers can be contacted on 99410019 or after hours on 99410000 where your phone call will be directed to a call centre for assistance.

Please note that this is for urgent matters only and if the matter can wait until Monday, please call during normal office hours 8.00am to 5.00pm Monday to Friday.

Tributaries

Tineke Van der Eecken

Thank you to everyone who joined us on the night of Friday 22nd March for the opening of Tineke Van der Eecken: 'Tributaries' at Carnarvon Library & Art Gallery!

The evening was full of excitement all around, marking the beginning of the exhibition's tour across regional WA. For visitors, it was a wonderful opportunity to hear about the exhibition directly from Tineke, who made the trip up to Carnarvon to join the celebrations.

We would like to send our sincerest appreciations to Tineke for giving us the opportunity to showcase her work.

This project has been made possible through the Regional Exhibition Touring Boost managed by the Department of Local Government Sport and Cultural Industries, supported by Royalties for Regions and delivered by ART ON THE MOVE.

Tributaries

Tineke Van der Eecken

Tributaries explores the fibres of flora, fauna, and human systems.

It includes jewellery, small fine metal sculptures, and objects formed by corrosion casting, a process by which soft plastics are injected into animal organs and other biological systems to form moulds of internal spaces.

These objects are placed in dialogue with photographic images and poetry that document the thrum of life and death in environmental arterial systems, connecting root, river, skeleton, and vein.

Tributaries is both a contemporary *memento mori* and a reminder of the constantly changing states of all organic matter, including our own bodies — a testament to the interconnection of human, animal, and environment.

🚗 TRANSPORT NEEDED 🚗

We are desperately on the look out for anyone travelling to Perth either from Carnarvon or further north that can stop in Carnarvon to pick up. We are getting large numbers of animals in daily and we are at capacity in Carnarvon. Please help us by giving our furry friends a lift to Perth to save more lives.

Contact Mary 0448569563, Jodee 0402828471, DM us or email carnarvon@safe.org.au

Can we get a lift from Carnarvon to Perth?

The more animals we can move the better. We can save more lives if you can lend us a helping hand!
