The Shire of Carnarvon acknowledges and respects the Yinggarda (Carnarvon) and Baiyungu (Coral Bay) as the traditional custodians of the lands where we live and work. We pay our respects to Elders, past, present and emerging.

The Shire of Carnarvon is committed to honouring the traditional custodians' unique cultural and spiritual relationships to the land, waters and seas and their rich contribution to society.

EDITION 80 - MAY 2024

## **CARNARVON TENNIS CLUB RECEIVE REPRIEVE WITH COUNCIL AGREEING TO WAIVE RATES AND TERMINATE LEASE**

Council received a request from the Carnarvon Tennis Club seeking to have their lease terminated and consideration to also have their rates and interest accrued waived.

The Tennis Club advised that under the current lease conditions, with falling membership numbers and increased outgoings they are unable to maintain financial viability and therefore have the lease terminated immediately.

In considering the Tennis Club's financial position and taking into consideration the decline in membership, Council agreed to the termination and the waiving of the outstanding rates.

Council will now consider options for the future of the facilities with the view to hiring out the venue to encourage participation in this sport. This would allow the Tennis Club to continue their activities via a hire/fees system.

## **CARNARVON SAMURAI KARATE CLUB RENEW THEIR LEASE FOR A FURTHER 5 YEARS**

The Shire received a request from the Carnarvon Samurai Karate Club to renew the lease over the Don McLeod Judo Hall located on Reserve 9532, Lot 350 Robinson Street, East Carnarvon for a further five-year term. The Lessee has held a lease over the building since 1 July 2019, the current lease is due to expire on 30 June 2024.

Council continues to support local sporting groups and granted the Club a further 5 year lease on the Don McLeod Judo Hall to expire on 30 June 2029.

## **SHIRE OF CARNARVON COMMITS FUNDING TO CARRY OUT STRENGTHENING WORKS ON AIRPORT APRON**

Shire funds are currently committed under a Regional Airports Development Scheme (RADS) funding agreement for the 2024/2025 year for reconstruction of the Northern Apron at Carnarvon Airport. Council considered the reallocation of these funds towards upgrade works to support unrestricted operation of the Q400 aircraft.

Three flights per week of Q400 aircraft RPT operations commenced at Carnarvon Airport in October 2023. The Q400 must operate under a conditional pavement concession and a regime of regular pavement inspections has been established to monitor pavement performance.

The Department of Transport is seeking to secure funding for the upgrade works necessary to support unrestricted operation of the Q400 aircraft through the State budget process. Officers continue to work with the DOT to support their efforts.

## COUNCIL TO ADVERTISE PROPOSED CLOSURE OF A NUMBER OF DISUSED ROADS AND TO DEDICATE A NUMBER OF ROADS WITHIN THE SHIRE.

The Shire has received a request from the Department of Planning, Lands and Heritage (the Department), to amend Crown land parcels to enable them to be dedicated as roads consistent with the 'as constructed' road works in the relevant localities. The Department has also requested that a number of disused road reserves be formally closed. The Department is seeking to progress the land dedications as part of a suite of activities associated with its land tenure assembly program for the Carnarvon Flood Mitigation levees.

As part of the proposed land tenure rationalisation associated with the project there will be road actions that need to be completed by the Shire under Sections 56 and 58 of The Act. These road actions relate to the Lawson Street, Six Mile and South River Road levees.

Preliminary consultation with nearby landowners was undertaken and notices were sent to affected with no submissions received. To see a full list of the proposed road dedications, refer to the Council Agenda on the Shire of Carnarvon website at [www.carnarvon.wa.gov.au](http://www.carnarvon.wa.gov.au)

Council resolved to formally initiate the public notice period for not less than 35 days. Submissions can be made

## SECURE CAR PARK FOR BUGGIES APPROVED UNDER A DEVELOPMENT APPLICATION FOR LOT 9500 ROBINSON STREET, CORAL BAY

Following a request from Coral Bay Amalgamated Holdings, Council considered a proposal to use the said land for the purpose of a car park and approved the proposal with conditions.

The site in question is located within the Tourism zone at 67 Robinson Street in Coral Bay, approximately 52m west of the commercial precinct and approximately 14m south of the Holiday Homes on Lot 50 along Sailfish Drive. The subject site is located within an unused section of Lot 9500 with the Holiday Homes to the north and the commercial precinct to the east. and is currently being used for the purpose of parking off road vehicles (buggies) associated with a tour operating business (Coral Coast Tours/Off Road Rush) located within the commercial precinct.

The proposal involves the parking of a maximum of ten (10) buggies within the fenced area described as the compound area in the development application located within Lot 9500. Access to the site area is off the existing private access road within Lot 9500 to the east, with the driveway to the site area following along the southern boundary fence of the Holiday Homes.

There are no specific requirements for car parks to be complied with in the local planning scheme. Requirements depends on the nature and scale of the proposal and whether there is any other information that should be considered as part of the approval process. In this instance, several objections have been received that have been addressed through conditions.

## **CONCEPT REPORT FOR RELOCATION OF THE EXISTING CARNARVON AIRPORT RECEIVED AND NOTED BY COUNCIL**

Council has received and noted a concept report prepared by Air Charter Worldwide Pty Ltd for the relocation of the existing airport and has directed the CEO to continue working with the Gascoyne Development Commission to secure funding for the additional work necessary to develop an investible proposition for a new airport in Carnarvon.

In February 2022, Council resolved to progress investigations into the relocation of the Carnarvon Airport. As a result, Air Charter Worldwide Pty Ltd was requested to provide a proposal to conduct a high-level review of the airport relocation project. Their proposal to provide a Concept Report was accepted and they were engaged by the Shire to complete the report utilising available project planning funding from within the budget.

The report provides key information regarding the viability of relocation of the existing airport to a new site with key matters expressed as follows -

- Prioritise upgrade of the existing airport facility to allow unrestricted Dash 8 – Q400 operations and address current runway overload operating three Dash 8 – Q400 flights per week;
- A twice daily Dash 8-Q400 service operating without restriction would effectively double the number of passenger seats servicing Carnarvon;
- Investment exposure in upgrading the existing facility is vastly lower than a new facility;
- Commercial justification for the development of a new airport facility is reliant upon the appetite of a mining company with the scale to commit and support a new site;
- Province Resources is the only mining company identified at present as having such potential scale;
- The Shire should continue to engage with Province Resources as their mining development will be key to determining the best outcome with respect to airport operating models;
- Regional population base alone, supported by a regulated route, does not justify a new site;
- Any new facility considerations and cost benefit analysis should consider a runway with a minimum 2400m x 45m with a PCN exceeding 44.
- Relocation of Carnarvon Airport to a new site requires capital investment in the order of \$100M to complete.

Substantive progress to further develop a new airport is unlikely to occur unless State and/or Federal funding can be sourced. Such a proposal would preferably be driven as a State and/or Federal regional investment project.

After a March 2024 meeting between the Shire CEO and the CEO of the Gascoyne Development Commission (GDC), the Shire was advised by the GDC CEO that a proposal regarding the Carnarvon Airport relocation seeking \$2.4M in funding went forward and was submitted to the State Budget process as a priority project.

The budget proposal was summarised by the GDC as:

*“Carnarvon Airport Relocation : Develop an investible proposition for a new airport in Carnarvon that will facilitate regional development outcomes and enable workforce accommodation development.”*

It is understood the proposal remains active in the budget process and, in addition, the GDC CEO has been encouraged to consult with the Shire to put forward an application for leverage funding (a discrete but highly competitive fund available to the GDC for specific purpose such as this) .

The CEO of the Gascoyne Development Commission has advised that they are working on the leverage fund application which, subject to being successful, would result in funding of the larger request in 2025-26.

## LOTTERYWEST GRANT RECEIVED BY THE SHIRE PRESIDENT

On Tuesday 9 April, the Shire of Carnarvon President, Eddie Smith was thrilled to receive the \$3.357 million grant from our major supporter Lotterywest, which was presented to him by Peter Foster MLC. This grant will be dedicated to endorsing the implementation of Phase One of the Carnarvon Activation Plan, this phase is scheduled to be delivered over two years, commencing in mid-2024.

The projects to be completed in this phase include:

- The Tramway Walk Trail: This will feature a new Whitlock Island shelter, a healing space, trail furniture, and signage translated into the local Indigenous language, Yinggarda.
- Van Dongen Park: This space will be revitalised to be family-friendly, incorporating facilities such as a new playground, fresh landscaping, and day-use facilities.
- Public Art: Utilising the Art Hub, local artists will design artworks to be placed around Carnarvon.
- Civic Centre: A large digital display screen will be installed outside the Civic Centre for the promotion and marketing of our region.
- Town Oval: This area will receive an upgrade, including a community outdoor stage, furniture, and art.

Phase One of the Activation Plan is the inaugural step towards a series of eight interconnected projects, to activate the town centre. Formal support from key stakeholders including the Gascoyne Development Commission, Tourism WA, WA Police, and Yinggarda Aboriginal Corporation highlights the collaborative effort driving the plan's success.

Shire President Eddie Smith expressed his appreciation, stating "The successful funding application marks a significant milestone in the realisation of the Activation Plan. With Lotterywest's generous support, we will grow and enhance our community in more ways than one. As a Shire, we are dedicated to providing spaces for our community to enjoy and connect with one another."

Looking ahead, the Shire remains committed to ensuring continued public and stakeholder involvement throughout the project's final design stages, reinforcing its commitment to inclusive community development.

## **WELCOME TO MUNGULLAH VILLAGE - NEW SIGN**

With generous funding from the Shire of Carnarvon and the DLGSC Gascoyne, local artist G Stop-Gosia Taylor led workshops at Gwoonwardu Mia during the School Holidays to bring this vision to life.

Thanks to the creativity and dedication of our community members, we now have a beautiful sign welcoming everyone to Mungullah! This project not only enhances our community spirit but also aligns perfectly with the Shire's verge project. Working alongside the Carnarvon Tree Society, our very own Billy, resident and community member from Mungullah, took the initiative to plant native seeds around the sign, nurturing the growth of native flora for years to come.

A special shoutout to Soroptimist International - Carnarvon WA for providing us with a delightful morning tea to celebrate this milestone. And let's not forget the incredible support and contributions from Real Futures Pty Ltd, whose involvement has been invaluable every step of the way.

## SHIRE OF CRNARVON PROUDLY PRESENTS THIS LIFE ARTS FESTIVAL CELEBRATING CULTURE, COMMUNITY AND THE ARTS

The Shire of Carnarvon is thrilled to announce the inaugural This Life Arts Festival, a month-long celebration of culture, arts, and community, taking place throughout May in Carnarvon.

This Life Arts Festival promises a diverse program of live performances, workshops, exhibitions, and community engagements. At the heart of the festival are two captivating live performances that promise to inspire, provoke thought, and ignite conversations.

Yirra Yaakin Theatre Company will take the stage with their poignant production, "Songbird," an intimate tale of heartbreak, forgiveness, shared memories, and sweet melodies. This stirring performance invites audiences to delve into the depths of human emotion and experience a powerful journey of love and redemption.

In addition, NT Dance Company presents "The Other Side of Me" by Gary Lang, a compelling dance duet that confronts the tragic legacy of the Stolen Generations. Through the heart-wrenching story of one man stranded between two families, continents, and cultures, this performance sheds light on the enduring impact of colonization on First Nations people. Yet, amidst the sorrow, it offers a glimmer of hope and redemption as it sings the spirit home.

The Shire of Carnarvon is honoured to partner with Gwoonwardu Mia - WA Museum to bring Gary Lang and "The Other Side of Me" to Carnarvon, furthering our commitment to fostering cultural exchange and understanding.

But This Life Arts Festival is not just about spectating; it's about active participation and engagement. Youth in the community will have the opportunity to participate in workshops, building on the success of local dance groups, Coral Spawn Dancers and Pundarra Performance Group, who recently showcased at Jamba Nyinayi Festival on Baiyungu country. This hands-on involvement not only nurtures talent but also strengthens the bonds within our community.

The festival will see the unveiling of a vibrant new mural in Carnarvon and a revitalisation of Egan Street. This addition to our streetscape not only enhances the aesthetic appeal but also serves as a testament to the thriving arts scene in Carnarvon.

Complementing the live performances and community engagements, the Shire of Carnarvon Library will host the ART ON THE MOVE touring exhibition, "Jila Kujarra: Two Snakes Dreaming," offering a unique opportunity for visitors to immerse themselves in Aboriginal arts and culture.

Commenting on the festival, Shire President Eddie Smith remarked, "This Life Arts Festival embodies the spirit of our community and reflects our commitment to cultural enrichment and community engagement. Through vibrant performances, exhibitions, and meaningful collaborations, we aim to create lasting memories and inspire positive change."

The This Life Arts Festival aligns closely with the objectives outlined in the Shire of Carnarvon's Community Strategic Plan, emphasising the importance of cultural vitality, social inclusion, and economic development. By providing a platform for artistic expression and cultural exchange, the festival contributes to the overall wellbeing and resilience of our community.

As part of the broader 'This Life' branding for events in Carnarvon, the festival celebrates the unique spirit of our town, echoing the sentiment often heard throughout Carnarvon: how good is this life.

## DOG ATTACK!

The Shire of Carnarvon encourages residents who are victims of a dog attack to report the matter immediately to the Shire of Carnarvon Rangers at [rangers@carnarvon.wa.gov.au](mailto:rangers@carnarvon.wa.gov.au) or 99410019.

When reporting a dog attack please include a description of the dog, date, time and location. These details are imperative so that the Rangers can investigate further.

Your help in reporting these matters will enable the Rangers to monitor offending dogs to ascertain if they are a threat to the community and if so take the necessary action. Dog attack victims are urged to seek immediate medical attention to ensure that the wound/s do not become infected and to also determine if a tetanus shot is required. Not having a tetanus shot in five or more years increases tetanus risk and a booster shot may be recommended.

Here are some suggestions to help should you ever encounter an aggressive dog –

### DOG OWNERS

- All dogs can be territorial. Most dog attacks in public occur on the footpath or road in front of the dog's property
- Confining dogs to their property could prevent 80% of dog attacks in public places.
- You can be fined if your dog isn't securely confined, or if it rushes at or attacks a person or animal
- Your dog is to be confined to your property allowing access to your front door.
- When in a public place, your dog must be kept on a lead at all times unless in an approved off leash area.
- While in an off leash area, you must have effective control over your dog. If your dog does not obey commands, it must be kept on a leash, even in off leash areas.

### KNOW WHAT TO DO IF APPROACHED BY AN AGGRESSIVE DOG

- Stand still, don't run
- Keep your hands by your side
- Stay quiet, try not to make any noise
- Avoid eye contact with the dog, look at the ground
- Once the dog has lost interest, slowly back away

Stand still

Hands down

Stay quiet

Avoid eye contact

## NEED A RANGER

Please note that this is for urgent matters only and if the matter can wait until Monday, please call during normal office hours 8.00am to 5.00pm Monday to Friday.

YOU ARE INVITED TO THE OPENING OF

## JILA KUJARRA TWO SNAKES DREAMING

*Jila Kujarra: Two Snakes Dreaming* is a cross-cultural collaboration between Warnman artist Desmond Taylor and Boorloo-based textiles practitioner Mariaan Pugh, commissioned by Fremantle Arts Centre in partnership with Martumili Artists.

Taylor and Pugh have worked together to transform Taylor's *Niminjarra* paintings, usually seen on canvas or paper, into highly tactile textile works, animating the important *Niminjarra Jukurrpa* (Dreaming).

“ *Niminjarra* is the two brothers transforming into a snake so they can come back home to Ngayartakujarra (Lake Dora). They were in training for ceremony, those two brothers, but they were kept too long, and nobody was there to release them. They waited then they decided to transform into snakes to travel back to where they came from, because their mother was waiting for them.

*This is Jukurrpa (Dreaming story).*

## Community Consultation

**CREATING A DROUGHT RESILIENT FUTURE FOR THE GASCOYNE**

The Gascoyne community is encouraged to have their say about how to create a drought resilient future for the region.

In collaboration with local partners, the GDC will help identify how to prepare and manage future drought risks and which innovative initiatives could apply for future investment as part of the Australian Government's \$5 billion Future Drought Fund.

This process will involve extensive collaboration and engagement with stakeholders with a Drought Resilience Plan delivered by the end of the year.

The planning is critical to ensuring the longevity of the region's horticultural, fisheries, pastoral and tourism industries in the face of a changing climate.

These industries contributed a combined \$442 million in 2022/23 and made up 27 per cent of the regional Gascoyne workforce.

To register your interest, please follow the link below to join our drought resilience database. You can also connect with our Principal Development Officer Richard Soppe on [richard.soppe@gdc.wa.gov.au](mailto:richard.soppe@gdc.wa.gov.au).

## REDs grants Open

**GET READY TO APPLY FOR YOUR REDS GRANT**

If this sounds appetising for your business, then it is time to start thinking about applying for the next round of REDs grants.

The GDC Grant Officer Courtney Whitehead will be taking bookings to ensure you have everything you need to apply for the grants for Exmouth, Upper Gascoyne, Carnarvon and Shark Bay.

The REDs program is a \$50.85 million State Government initiative which invests in local projects to stimulate economic growth and development in regional Western Australia.
