# STORY BEHIND THE MURAL

## HOME, WHERE THE RIVER MEETS THE SEA

As the first light of dawn peeps over the horizon, the colours awash the sky, dancing and flickering across the eastern horizon.

The pink and greys begin their chatter, welcoming the sunrise. They take flight, diving through the ancient gums with their outstretched arms, embracing the mighty river, they cling to her undulating curves. Swooping over the golden granules that line her bed.

For she is the giver of life, the thirst quencher.

This is a special day for her, the rains have come from the big winds in the east, and she can feel the gentle rumbling, numbing her limbs. She knows that soon, she will feel the water swelling and surging, twisting, joining the rivulets, creeks, and junctions, as they collide in a foaming ballet.

The freshwater mullet waits in anticipation, they have not seen the rains in recent times. As the chocolate stream trickles into the crystal-clear ponds, they leap with excitement, breaking the slick glass like surface tension with a silver flashing swirl. It's time for their journey.

She comes alive racing to meet her old friend, her slender fingers reaching for the saltwater waves. The mud crabs scuttle through the mangroves seeking shelter from the foaming eddies that rush towards the Indian Ocean.

The river mullet frantically swim, grazing their bellies on the shallow riverbed, on through the chocolate veil. The king prawns have retreated from the mangroves of the river mouth, moving eastwards towards the sanctuary of salt water.

She has known the first nations people for many moons, and has shared her bounty, she provides the precious water for the new Australians who work on her fertile delta, the home of the Yinggarda people, known to them as Gwoonwardu their ancestral home. A special place to call home, where the river meets the sea.

## CARNARVON AND CORAL BAY FINALISTS IN TOP TOURISM TOWN AWARDS

I would like to say a very big thankyou to our Shire staff whose hard work and dedication has paid off with Carnarvon and Coral Bay being selected as finalists in the Small Tourism and Tiny Tourism Awards. The awards are the chance for the regions to claim the spotlight and showcase their communities and all they have to offer tourism.

Behind the scenes involved many hours of collecting images, creating videos and showing the State of WA what Carnarvon and Coral Bay has to offer. Without the help from both communities we would not have been able to show off our wonderful areas and how beautiful this part of the world is.

You would have seen the promotion around town and on social media encouraging you to vote and I am hoping that we have all done our part to once again put Carnarvon and Coral Bay back at the top of the list as a wonderful place to live and visit.

Good luck Carnarvon and Coral Bay!

## **PARKING ZONE FOR PUBLIC AND TOUR OPERATOR BUSES MADE AVAILABLE IN FRENCH STREET, CORAL BAY**

Coral Bay has experienced a significant rise in tourism traffic in recent years, with an increasing number of tour operator buses operating in Coral Bay. The existing parking infrastructure in Coral Bay is inadequate in terms of providing dedicated bus parking to accommodate the growing demand for buses, leading to congestion issues.

To alleviate these issues, Council considered the establishment of a permit zone within the public carpark on Robinson Street exclusively designated for tour operator bus parking however after considerable discussion and a site visit, Council were of the opinion that French Street would be the ideal location for buses to park.

This proposal aims to address the increasing demand for parking space for existing tour bus operators, thereby enhancing the efficiency of tourism operations while minimising congestion and inconvenience for residents and other visitors.

Council endorsed the establishment of the parking zone for public/tour bus long vehicle parking in French Street for a trial period of 3 months with the trial being reviewed in September 2024.

## **FEES AND CHARGES REVIEWED**

A review of the proposed schedule of fees and charges for 2024/2025 were submitted to Council for endorsement and included a 3.4% CPI increase. The increase applies across all fees and charges excluding statutory fees, camping fees and photocopying fees.

The Shire adopts the Schedule of Fees and Charges on an annual basis in accordance with Section 6.16 of the Local Government Act 1995. This section of the Act permits the Shire to impose a fee or charge for any goods or services it provides or proposes to provide.

The adoption of the Schedule of Fees and Charges 2024/2025 forms part of the 2024/2025 budget process. The intention is for the Fees and Charges 2024/2025 schedule to take effect 60 days after being adopted by Council ie., on 28 July 2024.

A public notice will be published advising the community of the changes to Fees and Charges for 2024/2025, to take effect from 28 July 2024. Significant debtors will also be advised by individual correspondence.

## **PROPOSED NEW CORAL BAY WASTE FACILITY SITE INDIGENOUS LAND USE AGREEMENT FORMULATED**

The existing waste disposal facility at Coral Bay, at Lot 530, is reaching capacity and, in accordance with the Coral Bay Settlement Structure Plan 2014 (the CBSSP), the Shire has been seeking to construct a new waste disposal facility on a portion of Lot 304. Lot 304 is comprised of a parcel of land within the Cardabia Pastoral Lease which is leased to the Baiyungu Aboriginal Corporation (BAC).

The Shire has successfully negotiated with the BAC to secure the excision of a 28.6-hectare land parcel from Cardabia Pastoral Lease, for that land to be set aside as a reserve for the purpose of "Waste Disposal Facility" with care, control, and management of the new reserve placed in the Shire of Carnarvon.

The area is the subject of a native title determination under the Native Title Act 1993 (Cth) (NTA), specifically the land is subject to exclusive possession native title. Exclusive possession native title is the highest form of recognition of native title. It allows native title holders to possess and occupy the area to the exclusion of all others, including the right to control access and use of the area, akin to freehold. Unlike freehold title, exclusive native title cannot be sold or transferred – it can only be held by the determined native title holders.

Council resolved to formally offer a compensation package to Nganhurra Thanardi Garrbu Aboriginal Corporation (NTGAC) for an Indigenous Land Use Agreement (ILUA) to allow the Shire to construct a new waste disposal facility on a portion of Lot 304, Coral Bay

## PRIORITY PROJECTS DETERMINED

In 2023, Officers developed a mechanism to better understand the 'shovel ready status' of projects and the benefit of the project to the community on completion. Projects in this context are defined as follows:

- Discretionary in nature
- Not business as usual activities
- Capital work
- The Shire is the lead on or owns the project

The projects were assessed against a set of criteria that measure the level of anticipated impact and ease of implementation. Impact criteria assessed the alignment of the project with the Community Strategic Plans economic, social and environmental community objectives. Implementation criteria assessed the level of engagement with stakeholders, funding acquisition, planning and regulatory requirements, scope of works and budget.

Projects were categorised as below:

- Easy to implement, low impact.
- Easy to implement, high impact.
- Difficult to implement, high impact.
- Difficult to implement, low impact.

The intent of the process is to ensure that resourcing requirements are understood across the organisation, ensuring the projects continue to make progress towards 'shovel ready status', and are considered in budget and task allocations.

It is worth noting the assessment process does not result in the projects being listed in a numerical or sequential order of priority, nor the order of delivery. Progress of projects will be heavily dependent on securing funding and the speed of progression towards 'shovel ready status'.

Since this time, Council identified the need to further categorise projects to demonstrate, status, level of importance and progress. Officers recommend projects be categorised as follows:

- Strategic Priorities
- Shovel Ready/Partially funded
- Concepts

Officers propose to present projects to Council for endorsement on a bi-annual basis, aligning with the Shire budget cycle and State and Federal funding opportunities and to allow for new projects to come online.

All projects have been assessed against community objectives as detailed in the Shire's Strategic Community Plan 2022-2032. In developing the Strategic Community Plan, the Shire conducted robust and broad community engagement to ensure the Plan identified and articulates community aspirations and priorities.

After considerable discussion, Council resolved to endorse the Priority Projects 2024 as presented and include -

- (a) Airport Relocation
- (b) Carnarvon Trails Project
- (c) Sports and Leisure Complex
- (d) Fascine Waterway Basin Dredging
- (e) Greening Carnarvon
- (f) Integrated Plan and Water Security
- (g) Coral Bay Workers Accommodation Caravan Park (Lot 64)

The CEO will continue to seek funding opportunities to progress all projects and use the Priority Projects Snapshot document prepared to inform funding requests and discussions with State and Federal Government elected representatives and candidates, government agencies and any other potential third-party funding agency.

## HOUSING AND WORKFORCE ACCOMMODATION SHORTAGES IN CARNARVON ADDRESSED IN URBIS 100 HOUSES REPORT

Housing and workforce accommodation shortages remain a critical constraint to the social and economic function of Carnarvon.

In August 2023, the Shire of Carnarvon partnered with the Gascoyne Development Commission (GDC) to engage consultants Urbis to conduct an enquiry into the best options for developing the next 100 new homes in Carnarvon and analyse the causes for housing market failure including:

- the high cost of land and housing development
- relatively low developed property values
- lack of critical infrastructure (particularly reticulated sewerage)
- high prevalence of older, dilapidated housing stock
- lack of local construction workforce

Engagement was undertaken by Urbis to inform problem definition and test background research. Stakeholders included:

- Department of Communities
- Department of Education
- Department of Planning, Lands and Heritage
- Development WA
- Horizon Power
- Water Corporation

Urbis has provided a business case that strongly identifies and quantifies the public benefits of housing development in Carnarvon and the current failures in the market to meet existing and future demand. The report will enable the Shire:

- Advocate to the State government for infrastructure and policy changes that reduce barriers to housing development.
- To respond to funding opportunities with rigorously supported and competitive submissions.

The report identifies three advocacy priorities for the Shire and GDC. These priorities, listed below, focus on agencies that play active roles in both the planning and delivery of housing in Carnarvon and their role in contributing to resolving housing market failure.

- Department of Communities – timely repairs, maintenance or redevelopment of vacant public housing dwellings to boost available housing stock.
- Department of Planning, Lands and Heritage – review of sewerage policy to allow on-site sewage disposal for larger lots.
- Water Corporation – investigate sewer development to unlock land for development by public or private sector.

Council received the Urbis report and will write to the Ministers for Education, Minister for Housing & Homelessness, Minister for Health and the Minister for Water & Environmental Regulation advocating to have their departments resolve issues that are hindering housing development in Carnarvon.

## LOCAL BUILDING COMPANY AWARDED TENDER TO CONSTRUCT COUNCIL HOUSES IN THE NORTHWATER ESTATE

Funding was received through the Regional Economic Development (RED) program by the Gascoyne Development Commission (GDC) to construct worker's accommodation on two Shire-owned vacant lots on Parnaa View, Brockman.

Shire Officer's advertised Tender RFT 01/2024 which closed on 20 March 2024.

Carnarvon has a shortage of new and appropriate housing for workers looking to relocate to Carnarvon. This project would provide two new residences fit for purpose and ideally kickstart further development of the remaining available lots on Parnaa View as part of the Northwater Development.

Shire Officers completed a cashflow analysis which resulted in a positive Return on Investment (ROI) for the Shire.

This project offers an opportunity for Council to consider replacing its existing aging residential assets and recovering funds from the sale of those existing assets in the future.

Council resolved to apply to the WATC for a loan of \$500,000 to part fund this Housing Project in conjunction with the RED Grant of \$182,855; acknowledging that the balance of the funding required for the project will need to be committed from Council's own source funds in the 2024/25 Budget.

## CRICKET PITCH TO BE REMOVED FROM PREMIER OVAL

Council received a request from the Gascoyne Football Association (GFA) to remove the cricket pitch currently located on Premier Oval. The request cites multiple reasons for the removal which include a duty of care to football players and the possibility of hosting WAFL games at the oval in the future.

The Carnarvon Cricket Association does not oppose the removal of the cricket pitch at Premier Oval given that they do not have a current competition. The CCA requested that Council consider that if a competition was reestablished, the pitch may be reinstated in the future and options for accommodating both sport codes.

Council supported the request and the pitch will be removed at the end of the 2024 football season. In addition, Council will also consider options for reinstatement of the cricket pitch in the future, to allow both sports to utilise the grounds.

## FENCING FOR PIONEER CEMETERY TO BE CONSIDERED IN THE 2024/2025 BUDGET

Members of the Carnarvon community have expressed to the Shire on numerous occasions that they are concerned with the condition of the Pioneer Cemetery due to vandalism.

The Carnarvon Pioneer Cemetery has been subject to increased vandalism which has necessitated a review of the status and options to protect this important part of the community's heritage. Fencing, which was badly deteriorated and subject to regular vandalism, was removed in 2021 with funding from the Local Roads and Community Infrastructure (LRCI) funding program. The provision of new garrison fencing at the facility to maintain security and reduce vandalism has been prioritised as likely to be the most effective.

The Shire of Carnarvon has sought quotes for the supply and installation of security fencing at Pioneer Cemetery. The Shire of Carnarvon will need to commit a budget of \$162,500 to install the appropriately required security fencing around the Pioneer Cemetery. This cost includes the supply and installation of perimeter fencing and one entry/exit gate. In the current budget, there is no allocated budget for this project expenditure therefore it will need to be considered as part of the 2024/2025 budget deliberations.

After careful consideration, Shire officers have determined that the garrison fencing will give the cemetery the greatest protection which factors in initial capital cost, ongoing maintenance, aesthetic value, and infrastructure longevity.

## TENDER AWARDED FOR SUPPLY OF PLANT AND OPERATORS FOR UNSEALED ROAD UPGRADE WORKS

As part of delivering the Shire's 3-year RRG program, tenders were called for experienced contractors to supply plant and operators under a schedule of rates contract for the upgrade of unsealed roads during this period.

The successful contractor is intended to maintain, renew, or upgrade the nominated roads to a consistent Type 3 standard. The work consists of reconstructing and reshaping the existing unsealed road formation followed by sheeting with compacted gravel pavement layer.

Council awarded the Tender to local contractor Goodwork Holdings Pty Ltd

## **GOODBYE AND GOOD LUCK TO OUTGOING CEO, ANDREA SELVEY**

It's with mixed emotions, that the Shire of Carnarvon announces that our valued CEO, Andrea Selvey, has resigned from her position after three years of outstanding service. During her tenure, Andrea has made a significant impact, not only within the organisation but throughout the entire community.

Andrea's leadership has been instrumental in building a strong and capable team at the Shire. Her focus on governance and compliance has elevated the Shire's standards, ensuring the Shire operates with the highest integrity and accountability levels. Additionally, her efforts in increasing positive engagement with the community have strengthened the bond between the Shire and its residents, encouraging collaboration and mutual respect.

Andrea expressed "It has been an absolute privilege to have worked with the incredible team at the Shire, the staff, the Shire President and Councillors. Their commitment, passion, and dedication to serving this community has been an inspiration. While I am excited to embark on my new venture, I am also sad to leave such a great team, this beautiful community and stunning place. But I am confident that the Shire of Carnarvon is in great hands and has a bright future. I would also thank the community for so warmly welcoming me and supporting me during my tenure. It has been my pleasure to serve you and am grateful to have shared the past three years with you all."

Andrea's contribution extends well beyond administrative success, she has also been a source of inspiration and support for everyone she worked with. Her commitment to the well-being of the community has left an indelible mark, and her departure will be felt deeply by the Shire team and the broader community alike.

The Shire President, Eddie Smith explained "Personally, as the Shire President I wish to thank Andrea for her immense efforts over the past 3 years, which have seen much-needed transformational change across our entire Shire team. This change has produced a proactive and professional team that will take our Shire forward for many years to come. The Council wishes Andrea the very best in her future endeavours."

Her leadership and compassion have set a standard that will guide us forward. Please join us in expressing our gratitude and bidding her a fond farewell.

An acting CEO will be appointed in the coming weeks, followed by a formal recruitment process.

For any questions or concerns, please contact the Shire of Carnarvon's administrative office at [shire@carnarvon.wa.gov.au](mailto:shire@carnarvon.wa.gov.au) or 9941 0000.

## **SHIRE OF CARNARVON OFFICIALLY ENDORSED AS A WATERWISE COUNCIL**

This recognition marks a significant milestone in our journey towards a sustainable and vibrant community.

As part of our ongoing commitment to creating a more environmentally conscious and beautiful Carnarvon, our Verge program has evolved into 'Beautiful Streets: 6701'. This initiative encompasses not only the enhancement of verges but also placemaking and improvements to public spaces.

Being endorsed as a Waterwise Council opens up a world of opportunities for us. It means access to funding to further develop programs that benefit our community and the environment.

At the heart of this program is our dedication to being connected to the community, understanding your needs and aspirations, and creating spaces that promote health and wellbeing. Together, we're building a more sustainable future for Carnarvon.

This achievement is a direct outcome of the Shire's Strategic Community Plan, reflecting our shared vision and collective efforts. Thank you for being an integral part of this journey with us! Stay tuned for more updates and exciting projects ahead.

## SHARE OUR HORIZONS PARTNERSHIP PROGRAM

The goal of the Share Our Horizons Partnership Program is to establish long-term relationships with community groups, not-for-profit organisations, government agencies, business and industry through sponsorship of Council and community-led initiatives that provide long-term benefits to our community.

We want to develop community wide partnerships that deliver social outcomes and help build community cohesion. Our partnerships go beyond traditional sponsorship. They are about creating synergies, brand awareness and recognition. Entering partnerships with groups or organisations that support our vision for the Shire of Carnarvon.

Partnerships are focused on:

- Having a transparent and coordinated approach in the partnership management.
- Providing benefits and recognition to partners that are relevant to the level of contribution.
- Offering and supporting community initiatives at minimal or no cost.
- Strengthening relationships with all levels of the community.
- Engaging stakeholders at relevant stages of the program.
- Conducting the program in the spirit of goodwill.

### Opportunities Currently Open:

OPPORTUNITY	Benefit to Community
Sponsor Youth Mentor Program.	By introducing the Be Connected Youth Mentor: intergenerational program between secondary school students and older community members, digital literacy development will be supported while facilitating valuable social interactions and a greater sense of community.
Sponsor Night Patrol or expansion/supplement.	The Community Night Patrol provides safe transport to a safe space for youth on the streets at night. This service could be extended and supplemented in several ways to extend its valuable work.
Sponsor activation events and pop ups.	Activate the Civic Centre and Camel Lane Theatre to deliver lively community programming and events.
Sponsor the introduction of health/wellbeing programs.	Offering programs in partnership with other support services can promote improvements in health and wellbeing across the community
Sponsor exhibitions and facilities.	A diverse calendar of art gallery exhibitions supporting local, Gascoyne and touring art, creates accompanying learning and engagement opportunities for our community.
Sponsor traineeship positions.	Supporting traineeships at the Shire in various departments and functions gives local community and youth opportunities for careers and development...
Sponsor special projects and staffing requirements.	Special projects can be created, and project officers employed to create a wide range of beneficial impacts (e.g. sports/club/community development officers and projects).
Sponsor Infrastructure Upgrades.	Replacing or upgrading equipment in community facilities will improve quality of life for users of these facilities (e.g., Improving Shire Cinema Projection Room or installing Gold Class seating).
Sponsor Community events.	An annual calendar of events encourages inclusion and collective celebration for the wider community, on significant dates such as NAIDOC Week shows, Australia Day celebrations, or pre-Christmas Street Party.
Sponsor Child Care services.	Funding a childcare educator to increase the number of places available to children with families working in Carnarvon who struggle to find a work/life balance.
Sponsor coastal infrastructure installation and upgrades.	Developing and restoring existing coastal infrastructure will ensure its safe and continued use for future generations of a defining part of the Carnarvon identity.
Coral Bay Bike Path.	A bike path in this tourist precinct township would boost the amenity for locals and its attraction to tourists.
Coral Bay Recycling Projects.	Sponsoring community and Shire led recycling projects in the township will protect the natural beauty of the area and add to community sustainability.
Indigenous Ranger program.	Sponsor positions or program of local rangers (separate from State program).
Sponsor the Animal Care Facility	Sponsor in the provision of essentials for our Animal Care Facility

# Partnership Program

The goal of the Share Our Horizons Partnership Program is to establish long-term relationships with community groups, not-for-profit organisations, government agencies, business and industry through sponsorship of Council and community-led initiatives that provide long-term benefits to our community.

We want to develop community wide partnerships that deliver social outcomes and help build community cohesion. Our partnerships go beyond traditional sponsorship. They are about creating synergies, brand awareness and recognition.

## Share Our Horizons

### *Partnerships are focused on:*

- Entering partnerships with groups or organisations that support our vision for the Shire of Carnarvon.
- Having a transparent and coordinated approach in the partnership management.
- Providing benefits and recognition to partners that are relevant to the level of contribution.
- Offering and supporting community initiatives at minimal or no cost.
- Strengthening relationships with all levels of the community.
- Engaging stakeholders at relevant stages of the program.
- Conducting the program in the spirit of goodwill.

### *Partnership Categories*

EDITION 81 - JUNE 2024

## TICK AWARENESS: UNDERSTANDING TICKS IN WESTERN AUSTRALIA

Ticks, those tiny parasites that feed on the blood of animals and humans, are a common concern, particularly in Western Australia (WA). There are two main families of ticks found in Australia: hard ticks (Ixodidae) and soft ticks (Argasidae). In WA, the ornate kangaroo tick (*Amblyomma triguttatum* spp) and the brown dog tick (*Rhipicephalus sanguineus*) are among the most encountered hard ticks. Soft ticks, on the other hand, typically parasitize birds, marsupials, and horses, rather than humans.

For those living in WA, it's worth noting that the eastern paralysis tick (*Ixodes holocyclus*), while a concern on the east coast, is not found in WA, the Northern Territory, or South Australia.

**Distribution** Ticks are widespread throughout WA, particularly in bushland or areas with long, grassy vegetation. They often perch on blades of grass or vegetation, waiting for a suitable host to pass by. Additionally, ticks can actively move toward hosts, so caution is advised when spending time in natural environments such as nature reserves, campgrounds, or designated clearings.

**Activity** Tick activity peaks in WA from September to April, corresponding with the warmer spring, summer, and autumn months.

**Life Cycle** The life cycle of a tick typically comprises four stages: egg, larva, nymph, and adult. While it can take up to three years for a tick to complete its life cycle, many perish in the process as they seek a host.

Tick awareness is crucial, especially during peak seasons, to minimize encounters and potential health risks. Stay informed and take precautions when venturing into tick-prone areas.

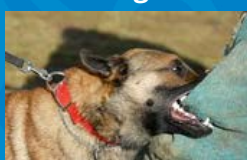

Ensure your dogs and cats are current on their flea and tick medication. For veterinary inquiries, reach out to Coral Coast Vets. If you require compliance or animal-related guidance, contact the Community Safety Rangers at 9941 0019.

## NEED A RANGER

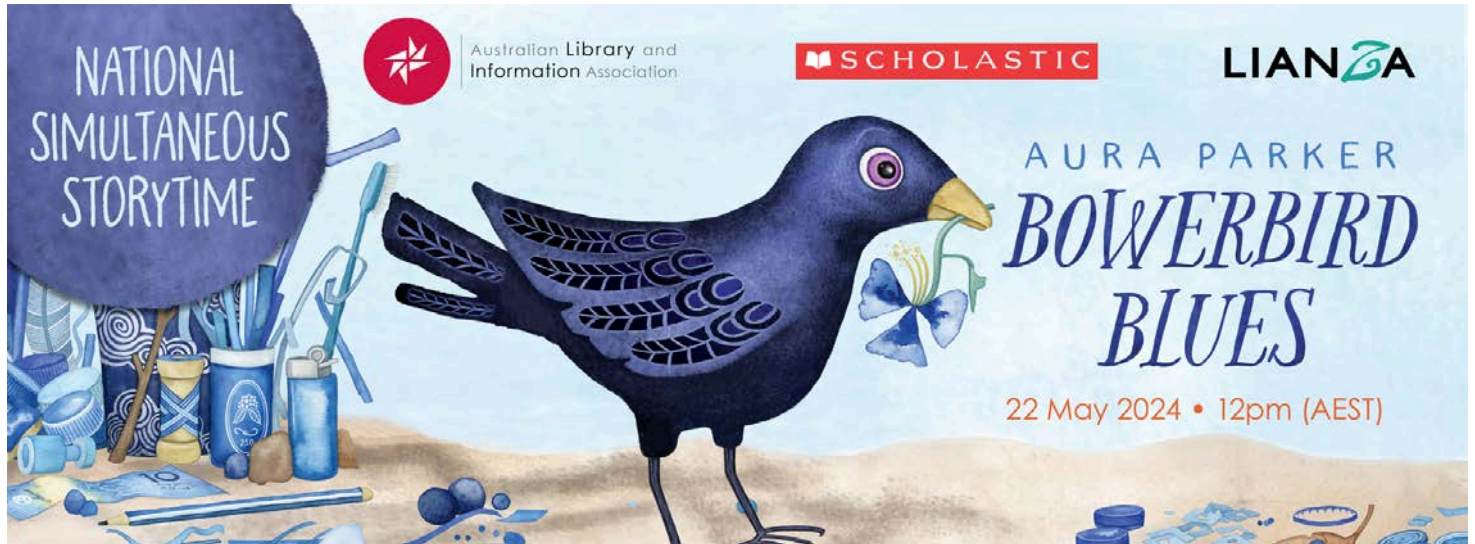

If you have an urgent matter that needs a Ranger's attention such as snake handling or a dog attack, the Rangers can be contacted on 99410019 or after hours on 99410000 where your phone call will be directed to a call centre for assistance.

Please note that this is for urgent matters only and if the matter can wait until Monday, please call during normal office hours 8.00am to 5.00pm Monday to Friday.

## Did you celebrate National Simultaneous Storytime?

National Simultaneous Storytime is held annually by the Australian Library and Information Association. Every year a picture book, written and illustrated by an Australian author and illustrator, is read simultaneously in libraries, schools, pre-schools, childcare centres, family homes, bookshops and many other places around the country.

This year, Carnarvon Library & Art Gallery visited **Granny Glasgow Education and Care** to share our love of reading.

## JILA KUJARRA TWO SNAKES DREAMING

### VENUE

**Carnarvon Library & Art Gallery**  
18 Egan St, Carnarvon

### DATES

**Friday May 17 - Friday June 14, 2024**

### OPENING HOURS

**Tue - Fri 9.30am - 5pm**  
**Sat 9.30am - 12.30pm**  
Closed public holidays

*Jila Kujarra: Two Snakes Dreaming* is a cross-cultural collaboration between Warnman artist Desmond Taylor and Boorloo-based textiles practitioner Mariaan Pugh, commissioned by Fremantle Arts Centre in partnership with Martumili Artists.

Taylor and Pugh have worked together to transform Taylor's *Niminjarra* paintings, usually seen on canvas or paper, into highly tactile textile works, animating the important *Niminjarra Jukurrpa* (Dreaming).

“ *Niminjarra is the two brothers transforming into a snake so they can come back home to Ngayartakujarra (Lake Dora). They were in training for ceremony, those two brothers, but they were kept too long, and nobody was there to release them. They waited then they decided to transform into snakes to travel back to where they came from, because their mother was waiting for them.* ”

*This is Jukurrpa (Dreaming story).*

## Concept planning

### **BIBBAWARRA BORE SECURES FUNDING FOR CONCEPT PLANS ON HERITAGE SITE**

The former popular community recreation site, 30 minutes north of Carnarvon, has officially been funded to develop concept plans for redevelopment.

Bibbawarra Bore was discovered in 1905 during coal exploration, with hot artesian water emerging at a flow of 90,000L/day.

The Bore has become overgrown with mesquite which has overtaken the natural vegetation. Community members have formed a group called "Friends of Bibbawarra Bore" and have incorporated it as an Aboriginal organisation. They are behind the rally to revitalise the Bore.

The Bibbawarra Partnership group has formed to revitalise and honour the Bore's rich cultural heritage with its past role in stock watering and deep connection to Aboriginal culture.

The group is comprised of Shire of Carnarvon, Gascoyne Development Commission (GDC), Real Futures, Friends of the Bibbawarra Bore and Traditional Owners.

The GDC have allocated \$10,000 towards the development of concept plans for the redevelopment. Grant funding has also been obtained for the project. The Friends of Bibbawarra Bore have received \$10,000 of Federal funding for planning, and the Shire has successfully secured funding for the eradication of the mesquite. To stay updated on the progress of the project, follow the Friends of Bibbawarra Bore Facebook Page.

## Gascoyne Art Plan

### **A COLLABORATIVE APPROACH TO GASCOYNE ARTS**

The Shire of Carnarvon, on behalf of the 4 Gascoyne LGA's (Carnarvon, Exmouth, Shark Bay and Upper Gascoyne) was recently successful in receiving \$50,000 of DLGSC funding to create a Gascoyne Regional Arts Plan.

Once complete, the Plan will increase access to and/or participation in arts and culture activities within the Gascoyne region and become a vital blueprint to further develop the arts and culture sector within the region.

The GDC is providing project management support for the duration of the project and is looking forward to collaborating with the Shires and community on this exciting project.

## 🚗 TRANSPORT NEEDED 🚗

We are desperately on the look out for anyone travelling to Perth either from Carnarvon or further north that can stop in Carnarvon to pick up. We are getting large numbers of animals in daily and we are at capacity in Carnarvon. Please help us by giving our furry friends a lift to Perth to save more lives.

Contact Mary 0448569563, Jodee 0402828471, DM us or email [carnarvon@safe.org.au](mailto:carnarvon@safe.org.au)

**The more animals we can move the better. We can save more lives if you can lend us a helping hand!**

## ONE MILE JETTY UPDATE

The Department of Transport is leading a project to restore partial access to the historic One Mile Jetty.

The multi-stage One Mile Jetty project aims to restore partial access to the historic jetty and maintain public and navigational safety.

To read more about this project visit the Department of Transport's website -
