The Shire of Carnarvon acknowledges and respects the Yinggarda (Carnarvon) and Baiyungu (Coral Bay) as the traditional custodians of the lands where we live and work. We pay our respects to Elders, past, present and emerging.

The Shire of Carnarvon is committed to honouring the traditional custodians' unique cultural and spiritual relationships to the land, waters and seas and their rich contribution to society.

FROM YOUR PRESIDENT

EDITION 84 - SEPTEMBER 2024

President Eddie Smith

Meet the Shire President

Do you have a Shire issue that you wish to discuss or may have a great idea for Carnarvon? The Shire President extends an invitation to members of the public to meet with him to discuss your issues or ideas. Please note that these meetings will be by appointment only. The Shire President will be available every Friday between the hours of 9.00am to 12 noon. If you would like to catch up with the Shire President please contact Dannielle Hill at the Shire Offices on 99410050 or by email at hill.d@carnarvon.wa.gov.au

The Shire President looks forward to meeting with you.

SHIRE PRESIDENT'S MANTRA

**Stabilise our financial position
Improve our town and surrounds amenity
Fix what we got!**

OUR VOLUNTEERS NEED YOUR SUPPORT!

Imagine this, it's late at night and you're at home enjoying a night in front of the television.

When suddenly, you have a medical emergency in your home.

You pick up the phone and dial 000.

You ask for ambulance assistance to make it to the hospital.

But there is no one available to assist you, help could be hours away.

This is the reality the St Johns Sub Centre in Carnarvon is facing, the situation is dire and our frontline volunteer Paramedics are stretched over thousands of square kilometres of area and can be called to any event in the entirety of the Shire of Carnarvon.

The work our local volunteers do here in Carnarvon is not to be understated and certainly not underestimated. Our volunteers work day and night, work the community is immensely grateful for. But right now, it's time for the community to step up and support our frontline vollies.

With volunteer numbers dangerously low and the reality of our residents not being able to receive the medical care they need, looming. Now more than ever, is time to step up and offer your skills on the frontline.

The St Johns teams has roles for everyone, of any skill level, of any age.

Our frontline volunteers need more support than ever.

Shire President
Eddie Smith

FROM THE COUNCIL MEETING

EDITION 84 - SEPTEMBER 2024

INDIGENOUS LAND USE AGREEMENT (ILUA) - CORAL BAY WASTE FACILITY

Following the Ordinary Council Meeting in May 2024 a formal compensation offer was provided to NTGAC for their consideration

This offer was developed with the aim of progressing economic, social, cultural, and environmental outcomes.

The NTGAC Board considered the offer and in summary, the NTGAC has agreed to some components of the offer, proposed a counteroffer for the financial compensation and included two items not previously part of the compensation offer.

Council resolved to formally offer a compensation package to Nganhurra Thanardi Garrbu Aboriginal Corporation (NTGAC) for an Indigenous Land Use Agreement (ILUA) on the terms set out to allow the Shire to construct a new waste disposal facility on a portion of Lot 304, Coral Bay.

CEO RECRUITMENT IN COMPLIANCE WITH THE ACT AND REGULATIONS

Council is required to provide confirmation that the recruitment process for employing the new Chief Executive Officer has been completed and undertaken in accordance with the Shire's adopted standards for CEO Recruitment, Performance and Termination.

At the Special Council meeting on the 7 May 2024, Council endorsed the CEO recruitment process and other associated matters .

Council received the CEO Selection Panel's confidential Chief Executive Officer Recruitment Report at the Special Council meeting on the 16 July 2024 and authorised the Shire President to execute an employment contract.

The Shire's employment offer was accepted by the preferred applicant for the Chief Executive Officer role, Amanda Dexter, on 16 July 2024.

Council certified that the CEO recruitment process completed on execution of the CEO employment contract dated 16 July 2024 and approved by Council was conducted in accordance with the Shire of Carnarvon adopted standards for CEO recruitment.

2024/2025 BUDGET ADOPTED

Council is required to prepare and adopt an annual budget for each financial year, not later than 31 August Ordinary of each financial year, or such extended time as the Minister allows. The legislation prescribes the form and content of the Annual Budget, which must include Statement of Comprehensive Income, Statement of Cash Flow and Statement of Financial Activity (formerly known as the Rates Setting Statement – RSS) and various other notes.

The purpose of levying rates is to meet Council's budget requirements in each financial year to deliver services and community infrastructure. The rates levied are determined by applying the rate in the dollar to the applicable valuation amount of the properties. The Minister for The Department of Local Government, Sport and Cultural Industries (the Minister) determines the methods of land valuation, with the actual valuation provided by the Valuer General's Office (VGO). Local Governments that apply differential rates must advertise their intention to impose differential rates, consider any public submissions and then apply to the Minister for approval to impose differential rates. The application must take into consideration section 6.33 of the Act, which provides the ability to differentially rate properties based on zoning or land use as determined by the local government.

The Statement of Financial Activity (SOFA) represents a composite view showing source and application of the finances of the Shire of Carnarvon. Calculations for the 2024/2025 SOFA identified the need to raise \$6.99 million in rates revenue, which equates to a 4.5% increase in rates revenue and growth in rates for 2024/2025. The rates revenue generated will allow the Shire to continue with running its operations and delivering capital projects with the Shire's financial constraints.

For a more comprehensive explanation of the budget please refer to the Shire website at www.carnarvon.wa.gov.au

FROM THE COUNCIL MEETING

EDITION 84 - SEPTEMBER 2024

PLANT REPLACEMENT PROGRAM ENDORSED

Local governments are required to produce a plan for the future under S5.56 of the Local Government Act 1995. By regulation, that plan must include a Strategic Community Plan and a Corporate Business Plan.

As part of this integrated planning and reporting framework process, a Plant Replacement Program (PRP) has been prepared to guide replacement of plant and vehicle assets over the next ten years. The PRP is an informing document to the Long Term Financial Plan and Corporate Business Plan.

CIVIC CENTRE UPGRADES TENDER NOT ACCEPTED

In October 2023 the Shire received funding from Department of Fire and Emergency Services (DFES) as part of the Local Government Resilience Fund. With this fund DFES supports 16 Local Governments impacted by Cyclone Seroja to undertake works to improve resilience of evacuation facilities.

The funding is for upgrades to the woolshed which serves as an evacuation centre. The improvements include roofing of the outdoor courtyard, enhancements to the kitchen facilities and interior renovations. On 17 July 2024 the Shire advertised RFT 05/2024 Civic Centre Upgrades (Design and Construction).

The evaluation panel recommended that no tender be received for the works and that the CEO be authorised to revise the project scope of works. There was only one tender received and it was felt that more tender submissions would be likely if the Shire can provide designs including engineering approvals. Other cost savings were identified including a reduction in roof structure size.

Council were in agreeance to the panel recommendations and tenders will be readvertised for the revised Civic Centre Upgrades project scope.

COUNCIL ACCEPTS FUNDING FROM DEPARTMENT OF TRANSPORT FOR AIRPORT UPGRADES

In September 2023, the Shire of Carnarvon approved a pavement concession for REX to operate the Dash Q400 aircraft into Carnarvon Airport. The pavement concession for REX expires in October 2024. An extension of this concession will be required to enable REX to continue to operate into Carnarvon Airport until upgrades are completed.

Prior to approving the concession, a pavement inspection was completed by Regional Airport Management Services (RAMS) who was engaged by the Department at their cost.

Subsequent pavement inspections by RAMS were agreed to be conducted at three monthly intervals upon commencement of the Q400 operation to monitor impacts to the pavement. The most recent Pavement Inspection was completed in July 2024. No material defects have been identified to date.

RAMS identified the recommended works and project budget required for upgrades to allow unrestricted operation of Q400 aircraft. An estimated budget of \$8 Million was identified for the recommended works.

In May 2024 the Shire received correspondence from the Minister for Transport to advise that as part of the 2024-2025 Budget, the State Government endorsed a grant to enable up to \$8 million of upgrades to Carnarvon Airport pavements to a condition suitable for unrestricted Q400 operations.

The first step of the project is engagement of a suitably qualified and experienced Project Manager. The Project Manager will assist the Shire with the following:

- Preparation of the scope of works and terms of reference for engagement of the Independent Technical Expert required under the funding agreement;
- Preparation of the necessary designs, technical specifications, and tender documentation;
- Provision of technical advice to prospective tenderers and be a member of the tender submission Evaluation Panel;
- Act as contract Superintendent during construction works to ensure all works are completed to the required standard;
- Work collaboratively with the independent Technical Expert to ensure milestone claim information is provided to the Department to ensure timely funding payment.

FROM THE COUNCIL MEETING

EDITION 84 - SEPTEMBER 2024

CARNARVON HERITAGE GROUP REQUEST TO CONTRIBUTE TOWARDS CLEANING COSTS OF PUBLIC TOILETS DENIED

The Shire received a request from the Chairperson of the CHG seeking Council consideration to contribute toward the cost of cleaning toilets located within the Carnarvon Heritage Precinct building.

The toilets are cleaned by a contractor twice weekly at a cost of \$200 per week. The CHG currently shares this cost with the tenants of the Kestrel Café as they occupy part of the complex and their patrons use the facility. The toilets are accessible by the public during the hours of 8am to 4pm from Tuesday to Sunday.

The CHG has requested the Shire to contribute one third of the weekly cleaning cost of the toilets, being \$66.67 per week. If Council were to approve the request, the Shire cash contribution will equate to be \$3,466.67 per annum. There is no current budget allocation for this expenditure.

In prior years, the Shire applied a rates donation of up to 90% to the rates account for the CHG properties. During financial years 2002/2003 to 2021/2022, the CHG received a total value of \$21,228.52 in rates donations for the heritage precinct property.

Consideration of this request as a stand-alone item is not a preferred process for considering distribution of Shire funding to community groups and clubs. Extensive review of the Community Growth Fund policy and process has been undertaken in recent years to provide a standardised, transparent determination process for community groups and clubs.

To not circumvent the existing Community Growth Fund process provided under Council policy and to avoid setting a precedent, it is recommended Council do not grant the CHG request and advise the CHG committee to apply for financial assistance through the Community Growth Fund.

The CHG were encouraged to apply through the Community Growth Fund to seek funding toward the cost of cleaning the public toilets located at the Carnarvon Heritage Precinct.

AMENDMENT TO LOCAL PLANNING SCHEME NO.13 GIVEN THE GREEN LIGHT

The proposed amendment aims to facilitate the implementation of the HyEnergy Renewable Green Hydrogen Project, known as the 'HyEnergy Project'.

Council previously considered this item at the Ordinary Council Meeting on 23 January 2024 and decided to initiate the scheme amendment. However, following referral to the Environmental Protection Authority (EPA) for assessment, EPA responded with further information to make modifications to the scheme text.

In detail, the proposed changes to LPS 13 include:

- rezoning the western section of Lot 350 in the Town Common area from 'Environmental Conservation' reserve to 'Strategic Infrastructure' reserve and 'General Industry' zone;
- introducing a Special Control Area (SCA) in Schedule 7 to incorporate additional provisions for the proposed 'General Industry' zone;
- adding Additional Use Areas under Schedule 1 to allow for extra land uses within the existing 'Environmental Conservation' reserve; including Additional Use Areas under Schedule 2 to permit additional land uses within the planned 'General Industry' zone; and
- updating the scheme maps to reflect the changes in rezoning, SCA, and additional use areas.

The scheme amendment proposal, once initiated, will be forwarded to the Environmental Protection Authority (EPA) in accordance with s. 81 of the Planning and Development Act 2005. The application is then required to be advertised for a period of 60 days.

Initiating the Scheme Amendment with the modified text will provide a level of certainty to the proponents that the project can eventuate in the future. Many of the details (such as environmental impact, costings, detailed designs etc.) will be completed at a later stage once a level of certainty is provided.

Council agreed to the rezoning of the western portion of Lot 350 from 'environmental conservation' to 'strategic infrastructure' and 'general industry' zone.

FROM THE COUNCIL MEETING

EDITION 84 - SEPTEMBER 2024

REGIONAL ROAD GROUP FUTURE YEAR WORK PROGRAMS

The approved RRG project works for 2024/2025 is as follows:

1. Quobba Gnaraloo Road, SLK 62 -71 – reshape formation and drainage to achieve consistent Type 3 standard and resheet to achieve 7m pavements.
2. Minilya Lyndon Road, SLK 107-116 - reshape formation and drainage to achieve consistent Type 3 standard and resheet to achieve 7m pavements.

Goodwork Holdings Pty Ltd has been awarded contract RFT 02/2024 Supply of Plant and Operators for Unsealed Road Upgrade Works for the delivery of the RRG project program for a period of three years, commencing in 2024/2025.

Works will commence on Minilya/Lyndon Road in early 2025. Works on Quobba/Gnaraloo Road will follow and is planned for completion by May/June 2025. The intent is to then continue works on Quobba/Gnaraloo under the 2025/2026 program to avoid additional mobilisation/ demobilisation.

Since 2023/2024 the Shire has nominated two projects per year for the RRG program to maximise value for money and economy of scale.

The three-year program adopted by Council in 2022 focused on the three major unsealed roads in the Shire network i.e. Quobba Gnaraloo Road, Minilya Lyndon Road and Wahroonga Pimbee Road.

That program included a Quobba Gnaraloo Road Project for each year with alternating resheeting and reconstruction projects for Minilya Lyndon and Wahroonga Pimbee Roads for the other RRG project.

The proposed program for years 2025/2026 - 2027/2028 maintains this approach as can be seen in the program to the right.

The development need on each of the unsealed roads as identified in the Roads 2040 strategy is to upgrade each to consistent type 3 standards. Type 3 standard is defined as "Road construction from imported material of adequate thickness, shaped and drained."

PROPOSED REGIONAL ROAD GROUP - WORKS PROGRAM 2025/26; 2026/27 and 2027/28

Program Year	Road Name	Project Description	INDICATIVE TOTAL STATE CONTRIBUTION**	INDICATIVE TOTAL LGA CONTRIBUTION	INDICATIVE TOTAL PROJECT COST

FASCINE WALL CAPPING BEAM REPLACEMENT WORKS

The Shire of Carnarvon wishes to advise residents and visitors that its contractor First Class Construction (WA) will commence works replacing the Fascine Wall Capping beam sections this week. Contract works is expected to be completed by 31 October 2024.

The capping beam is the 650mm wide section of concrete on the lower footpath area closest to the water edge.

Work will commence at the Baxter Park end of the Fascine and progress north. Work will be completed in sections. This will require sections of the lower footpath to be closed to pedestrians while capping beam replacement works is in progress. Short term closures of the upper fascine wall footpath may also be required. Barrier fencing will be installed around works areas. Please follow all signage and keep clear of work areas.

This project is funded by the Local Roads and Community Infrastructure (LRCI) program, through the Federal Department of Infrastructure, Transport, Regional Development, Communications and the Arts.

We will continue to keep the community informed as these works progress. We appreciate your understanding and cooperation and apologise for any inconvenience.

If you would like to get in touch with us regarding this project, call us on 08 9941 0000 or email shire@carnarvon.wa.gov.au.

HALFWAY AROUND THE CONTINENT

That's how far Captain Australia has walked, and today marks his halfway mark as he arrives right here in Carnarvon! The Shire Team has closely followed Simon's (aka Captain Australia) journey and are so excited to have him here!

Captain Australia's 15,000km journey, spanning 730 days, is more than just a walk—it's a powerful movement to fundraise and amplify the impact of donations.

The Kids' Cancer Project, an independent national charity since 1993, has used community support to contribute tens of millions of dollars to scientific studies. Their mission is to find kinder and more effective treatments for children with cancer.

For more information about Captain Australia's journey and how you can contribute, visit Captain Australia's BIG LAP (capsbiglap.au).

We wish you all the best as you continue your journey northward, Cap!

COUNCIL TAKES ACTION ON ILLEGAL SHACK

The Shire of Carnarvon is taking decisive steps to protect the natural beauty and integrity of Blowholes Reserve. Recently, a new shack was constructed within the reserve without the necessary approvals, which is a clear violation of our planning and building regulations. This unauthorised structure goes against the Shire's Local Planning Scheme and the State Administrative Tribunal's recent ruling on developments within the reserve.

The Shire has reached out to the shack owner, informing them of the breaches and requesting the immediate removal of the structure. However, if the shack isn't removed within 14 days, the Shire will step in to have it demolished. The costs for this action may be recovered from the person who built the shack.

Allowing unauthorised structures could harm the environment, disrupt local wildlife, and undermine public confidence in our ability to enforce regulations. The Shire is committed to upholding the rules that protect our precious natural areas, ensuring they remain pristine for everyone to enjoy.

We will continue to monitor the situation and take the necessary actions to maintain the integrity of Blowholes Reserve.

GASCOYNE ART AWARDS

GASCOYNE ART AWARDS 2024: CELEBRATING ARTISTIC EXCELLENCE IN THE HEART OF THE GASCOYNE

The Shire of Carnarvon, in partnership with the Gascoyne Arts Society, is proud to announce the winners of the 2024 Gascoyne Art Awards. This year's awards saw an impressive turnout, with more than 80 entries across seven categories, showcasing the extraordinary talent of artists from the Gascoyne region and beyond.

The theme for the landscape and seascape categories was inspired by the breathtaking beauty of the Gascoyne, and artists responded with a diverse array of interpretations, capturing the region's unique character and essence.

The winners in each category are:

- Gascoyne Seascapes: Tamika Hogan with *Slow Living on Desert Time*
- Gascoyne Landscapes: Gregory Chestler with *School Holidays in Cape Range*
- Abstract Art: Jillian O'Brien with *Comforter*
- Still Life: Sadie James with *Outback Rains & Reigns*
- 3D Art: Sabrina Dowling Giudici with *Blowholes Dreaming*
- Human Form: Jenna Pickering with *Turn the Lights On*
- Gascoyne Indigenous Artist: Karla Tittums with *Gajalbu Nesting*

The highlight of the evening was the announcement of the Overall Winner, who received the \$8,000 cash prize for the acquisitive piece that will become a permanent part of the Shire of Carnarvon's Art Collection. This prestigious award went to Gosia Taylor for her captivating Human Form entry, *Marg*. The judging panel, consisting of Ricky Arnold, Director of ART ON THE MOVE, and Cassandra Cooper, Arts and Culture Coordinator at the City of Cockburn, carefully selected the winners through an anonymous judging process. Each piece was evaluated solely on its artistic merit, with the artists' identities unknown to the judges.

The evaluation criteria for the awards included Interpretation of Theme/Concept (30%), Design and Composition (40%), and Artistic Merit (30%), ensuring a thorough and fair assessment of all entries.

Shire President Eddie Smith expressed his admiration for the exceptional quality of work on display. "The Gascoyne Art Awards continue to highlight the incredible talent within our region and across Western Australia. The diversity and creativity showcased in this year's entries are a testament to the vibrant artistic community we have here. I would like to congratulate all the winners and participants for their outstanding contributions."

The Gascoyne Art Awards exhibition is open to the public until 13 September 2024, at the Shire of Carnarvon's Library & Art Gallery on Egan Street. The community is invited to visit the exhibition and cast their vote for the 'People's Choice' award, which will be presented during the closing night on 13 September 2024.

CELEBRATING SCIENCE WEEK

12 - 16 AUGUST 2024

We kicked off Science Week at the Carnarvon Library & Art Gallery with our exciting Young Engineer's Challenge! On Saturday, young innovators came together to build and test their own balloon cars. The room buzzed with creativity as participants fine-tuned their designs to see how far and fast their cars could go!

On Monday we saw a handful of students pop into the Community Art Hub eager to dive into the world of 3D printing, exploring this year's theme of Species Survival – More than just sustainability. Colin led a fascinating workshop where participants crafted kangaroo keyrings and learned about the broader impacts of 3D printing, including its role in creating artificial reefs, prosthetic limbs for animals, and more.

In collaboration with Carnarvon Central Regional TAFE and the Department of Primary Industries and Regional Development, we hosted an engaging day of workshops for students from Carnarvon Christian School and St Mary Star of the Sea College, as well as an after-school session. Students explored renewable energy and horticulture, got a first look at the new Aquaponics setup, enjoyed banana smoothies thanks to the WA Centre for Rural Health, and crafted pizzas and salads with fresh ingredients from the garden.

A massive thank you to Annie from Central Regional TAFE for her invaluable contribution to making this day of learning so memorable for our students

PUBLIC NOTICE

TEMPORARY ROAD CLOSURE - ANNEAR PEACE

Pursuant to Section 3.50 of the Local Government Act, 1995, the Council hereby gives public notice of its intent to apply a temporary partial road closure to Annear Peace. A section of the road will be temporarily closed from 1 June 2024 to 31 December 2025 (18 months) due to repair works being undertaken on the One Mile Jetty.

Location
Annear Peace

Time and Date
1 June 2024 to 31 December 2025

Reason for Closure
Repairs to be undertaken on the One Mile Jetty

Closure Details and Conditions
The Department of Transport has appointed Ventia Australia Pty Ltd to undertake repair works on the One Mile Jetty during the period noted above. A section of the road has been designated as a laydown area to give the Contractor direct access to the site. This area will be kept secure and closed off to the public. Businesses and other facilities operating in this area will still be made accessible to the public during the closure period.

The Shire invites any objections or concerns regarding the proposed closure to be submitted in writing to the CEO Shire of Carnarvon, PO Box 459, Carnarvon WA 6701.

Submissions to be received by 4:00pm Wednesday 3 April 2024.

For further information please contact the Shire office on 9941 0000.

PUBLIC NOTICE

Pelican Point Spit Information

We wish to advise the community that access to the Pelican Point Spit is as follows:

- Vehicle access is prohibited as per the Council approved Plan, until November 2024 at which time Council will review access arrangements.
- Pedestrian access is allowed but we ask you to please stay off the dunes to allow the vegetation to grow.

Please note: While the area was a construction site and under the control of the Department of Transport and its contractors, it was closed to all vehicular and pedestrian traffic. Now that the site has been handed back to the Shire, pedestrians' access is permitted.

For any further questions or queries please contact the Shire at shire@carnarvon.wa.gov.au or 9941 0000.

Did you know Carnarvon has a Containers for Change WA outlet where you can recycle your cans and bottles? By participating, you can significantly decrease landfill waste. Consider making a conscious choice to recycle or donate them to support local charities in their fundraising efforts.

This program is proudly delivered by the Shire of Carnarvon and funded by the Waste Authority of Western Australia through the WasteSorted WA program.

To find out more about how to be a GreatSort visit: <https://rebrand.ly/Waste-Sorted>

WHAT A LOAD OF RUBBISH!

During the Shire's recent cyclone verge clean up, a total of 93.53 tonnes of green waste was collected.

There was also 1.30 tonnes of builders waste brought into the waste disposal site.

Thankyou to all those residents who participated and cleaned up their property ready for cyclone season.

RESPONSIBLE DOG AND CAT OWNERSHIP

The Shire of Carnarvon encourages responsible pet ownership and enforces cat and dog ownership guidelines as stated in the Dog Act 1976, Dog Regulations 2013, Shire of Carnarvon Dogs Local Law 2021, Cat Act 2011 and the Shire of Carnarvon Cats Local Law 2021.

Rangers may impose on-the-spot fines and impound dogs for breaches of the Dog and Cat Acts. As of 1 November 2013, all domestic cats in Western Australia, over six months of age, need to be sterilised, micro-chipped and registered with their local government as per the Cat Act 2011.

Dogs are also required to be microchipped and registered with their local government as per the Dog Amendment Bill 2013. We encourage all dog owners to sterilise their pets to prevent them from contributing to the increasing population of unwanted animals. Pet owners have specific legal responsibilities, which are intended for the convenience of all the community, as well as the health and well-being of your animals.

DOG OWNERSHIP

You must ensure your dog is:

- currently registered (if over three months of age)
- micro-chipped
- wears a collar displaying name, address, phone number and registration tag.
- confined to the premises at which it lives or is temporarily residing.
- under the control of a competent person.
- only exercised off the leash in a designated area and is under verbal control. You must carry a leash.
- control, trained and restrained to prevent wandering, excessive barking, aggression and attacks of other animals or people.

LIMITATION OF DOG NUMBERS

- The limit on the number of dogs which may be kept on any premises is 2, for the purpose of Section 26(4) of the Dog Act. No exemption shall be granted to the owner or occupier of any premises if the premises by reason of inadequate fencing, size, location or detrimental effect on any other premises, would be inappropriate for the housing of three to six dogs.
- Upon request the Local Government may grant an exemption in relation to any particular premises under Section 26(3) of the Act, to house three to six dogs at one property.
- Request for exemptions can only be approved by delegated authority.
- Fee: \$150 per application

CAT OWNERSHIP

- Cat Act 2011 - [Cat Act 2011 - \[00-c0-01\]](#)
- All cats must be microchipped, registered and sterilised.

Hire of cat traps may be available for the capture of nuisance and or feral cats.

NEED A RANGER

If you have an urgent matter that needs a Ranger's attention such as snake handling or a dog attack, the Rangers can be contacted on 99410019 or after hours on 99410000 where your phone call will be directed to a call centre for assistance.

Please note that this is for urgent matters only and if the matter can wait until Monday, please call during normal office hours 8.00am to 5.00pm Monday to Friday.

DOG OWNERSHIP

Bringing your new dog home

Before you collect your new dog and bring it home be sure you have:

- Food, water and food bowls
- A bed in a cool dry place
- A collar and leash
- And some toys

Owning a dog is a big step and there are things that you need to consider and do to take care of your dog's wellbeing, safety and comply with the laws.

Vet

By law all dogs need to be Microchipped, it is also a good idea to have your dog vet checked, wormed, flea and tick checked and vaccinated. The local vet will help you. Dogs can be sterilized from 3mth of age.

Why Microchip?

It is a legal requirement to have your dog microchipped in Australia. This is so that if your pet gets lost it can be returned to you. If you move, go online and change your details to keep it current.

Registration

All dogs are to be registered with the Shire. Microchipping is not registering your dog. Registrations are transferable within WA and fees are set by the Government. Tags need to be always worn on the dog's collar.

Some things to know

All dogs are to be on a lead in public, unless in a prescribed dog exercise area. The owner should always have control of the dog and make every effort to keep the dog within a gated yard. A dog should never roam streets unattended. Only 2 dogs per property without a permit to house 3 or more.

What is the registration cost?

Lifetime \$250 **3 yrs** \$120 **1 yr** \$50
Sterilized: Lifetime \$100 **3 yrs** \$42.50 **1 yr** \$20
Pension: 50% less of Sterilized or Unsterilized.

Infringements may be applied with dogs picked up by the Ranger. Pound fees are, \$70 plus \$25 sustenance each day in the pound.

How to Register a dog

Registration forms are available at the Shire in person or by email. Complete all sections of the form and present to the Shire with copies of the sterilization and the Microchip number.

Lifetime of Joy

By following these simple steps, with a little training and a lot of cuddles, play and attention you and your new dog will enjoy a lifetime of companionship, love and joy.

- A bed in a cool dry place
- A collar
- Litter Tray and litter
- And some toys

Owning a cat is a big step and there are things that you need to consider and do to take care of your cat's wellbeing, safety and comply with the laws.

Vet

By law all cats need to be Microchipped, sterilized and registered, it is also a good idea to have your cat vet checked, wormed, flea and tick checked and vaccinated. The local vet will help you.

Why Microchip?

It is a legal requirement to have your cat microchipped in Australia. This is so that if your pet gets lost it can be returned to you. If you move, go online and change your details to keep it current.

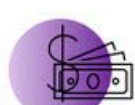

Registration

All cats are to be registered with the Shire. Microchipping is not registering your cat. Registrations are transferable within WA and fees are set by the Government. Tags need to be always worn on the cat's collar.

Some things to know

All cat owners are responsible for the control of their cat and make every effort to avoid it from disturbing neighbours, killing native animals, birds and reptiles. To protect the environment, it is advised to keep cats inside at night and to have a bell on your cat's collar.

What is the registration cost?

Sterilized: Lifetime \$100 **3 yrs** \$42.50 **1 yr** \$20
Pension: 50% less of Sterilized or Unsterilized.

Infringements may be applied with cats picked up by the Ranger. Pound fees are, are at cost for lodging and sustenance each day in the pound.

RANGER SERVICES - CORAL BAY

Our Shire Ranger provides the following service to the Coral Bay community:

- Patrol for illegal camping, parking and dumping activities and issue infringement notices in accordance with the legislation;
- Attend to abandoned animals;
- Attend to abandoned vehicles; and
- Provide a snake handling service.

Please note: Our Ranger cannot provide information, advice or services outside the scope of his role; however, community members are welcome to contact the Shire via shire@carnarvon.wa.gov.au or via 9941 0000 for information on all other Shire services.

For wildlife report and incidents, please contact the Department of Biodiversity, Conservation and Attractions on 08 9947 8000.

To access Ranger services in Coral Bay or for further information on any Shire services, contact the Shire via email shire@carnarvon.wa.gov.au or phone 9941 0000.

FROM YOUR LIBRARY & ART GALLERY

EDITION 84 - SEPTEMBER 2024

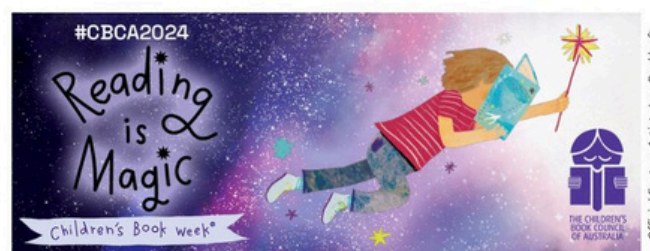

Between 22-24 August 2024, our special guest to Carnarvon Library & Art Gallery **Glenn B. Swift** entertained around Carnarvon at local schools, the library, and to remote students of Carnarvon School of the Air for our **CBCA Book Week 2024** celebrations!

Glenn brought the joy of storytelling to hundreds of children and adults during his time in Carnarvon; as well as some magic tricks that proved that while it's true that **Reading is Magic**, magic is also magic!

Glenn has been performing professionally in schools, libraries, festivals, theatres and other public events around WA since 1988. He tells many stories of his own creation, loves to get large groups of children screaming on cue, and introduces teenagers to the joy of reading through the experience of a gripping narrative. His book *The Ghost in the Bell Tower* can be found on the shelves at Carnarvon Library, and several of his short stories can be read for free at gbs-storyteller.com.au.

A big thank you to everyone who entered our *Costume Competition* and *Colour-In Competition* - check out some of the entries on the library website.

We hope that you experienced some magic and the joy of reading during Book Week - make sure you keep an eye on our website for our exciting program for 2025!

EDITION 84 - SEPTEMBER 2024

Gosia Taylor with Regional Arts Ambassador, Famous Sharron.

Artistic Flair Illuminates Gascoyne A Recap of the Gascoyne Art Awards Opening Night

The vibrant spirit of the Gascoyne region was on full display for the opening event of the Gascoyne Art Awards. Held at the Carnarvon Library & Art Gallery, this year's event drew an enthusiastic crowd of art lovers, local dignitaries, and talented artists, all eager to witness and celebrate the rich artistic talent of those who love our region.

The evening began with a warm welcome to country from Yinggarda Elder, Lucy Bulley. In her address, Lucy praised the talent and innovation of the artists. Her words resonated deeply with those in attendance, underscoring the vital role that art plays in enriching our lives and fostering cultural dialogue.

Famous Sharron then entertained us all as our MC for the night. Famous Sharron is known for being the face of WA, an ambassador for the promotion of our regional towns and regional arts. Attendees were greeted by a stunning array of artwork that showcased the incredible diversity and creativity of artists from across WA, all celebrating our region. From vibrant paintings to intricate sculptures and thought-provoking installations, the exhibition features works that captivates the imagination and sparks conversation.

A highlight of the evening was the unveiling of the winners for the prestigious Gascoyne Art Awards. The competition, which has become a hallmark of the region's cultural calendar, recognizes outstanding contributions to the visual arts and provides a platform for emerging and established artists alike. The winners, selected from a pool of impressive submissions, in an anonymous and fair judging process, were announced with much anticipation, and their works were met with enthusiastic applause from the audience.

The Gascoyne Art Awards will remain open to the public until Friday 13 September, offering plenty of time to experience the full breadth of the exhibition. Make sure you visit and vote for your favourite artwork to win the People's Choice Award. The winner of this prize will be announced at our closing event, on Friday 13 September.

Share Our Horizons

Partnership Program

SHARE OUR HORIZONS PARTNERSHIP PROGRAM

The goal of the Share Our Horizons Partnership Program is to establish long-term relationships with community groups, not-for-profit organisations, government agencies, business and industry through sponsorship of Council and community-led initiatives that provide long-term benefits to our community.

We want to develop community wide partnerships that deliver social outcomes and help build community cohesion. Our partnerships go beyond traditional sponsorship. They are about creating synergies, brand awareness and recognition. Entering partnerships with groups or organisations that support our vision for the Shire of Carnarvon.

Partnerships are focused on:

- Having a transparent and coordinated approach in the partnership management.
- Providing benefits and recognition to partners that are relevant to the level of contribution.
- Offering and supporting community initiatives at minimal or no cost.
- Strengthening relationships with all levels of the community.
- Engaging stakeholders at relevant stages of the program.
- Conducting the program in the spirit of goodwill.

Opportunities Currently Open:

OPPORTUNITY	Benefit to Community
Sponsor Youth Mentor Program.	By introducing the Be Connected Youth Mentor: intergenerational program between secondary school students and older community members, digital literacy development will be supported while facilitating valuable social interactions and a greater sense of community.
Sponsor Night Patrol or expansion/supplement.	The Community Night Patrol provides safe transport to a safe space for youth on the streets at night. This service could be extended and supplemented in several ways to extend its valuable work.
Sponsor activation events and pop ups.	Activate the Civic Centre and Camel Lane Theatre to deliver lively community programming and events.
Sponsor the introduction of health/wellbeing programs.	Offering programs in partnership with other support services can promote improvements in health and wellbeing across the community
Sponsor exhibitions and facilities.	A diverse calendar of art gallery exhibitions supporting local, Gascoyne and touring art, creates accompanying learning and engagement opportunities for our community.
Sponsor traineeship positions.	Supporting traineeships at the Shire in various departments and functions gives local community and youth opportunities for careers and development...
Sponsor special projects and staffing requirements.	Special projects can be created, and project officers employed to create a wide range of beneficial impacts (e.g. sports/club/community development officers and projects).
Sponsor Infrastructure Upgrades.	Replacing or upgrading equipment in community facilities will improve quality of life for users of these facilities (e.g., Improving Shire Cinema Projection Room or installing Gold Class seating).
Sponsor Community events.	An annual calendar of events encourages inclusion and collective celebration for the wider community, on significant dates such as NAIDOC Week shows, Australia Day celebrations, or pre Christmas Street Party.
Sponsor Child Care services.	Funding a childcare educator to increase the number of places available to children with families working in Carnarvon who struggle to find a work/life balance.
Sponsor coastal infrastructure installation and upgrades.	Developing and restoring existing coastal infrastructure will ensure its safe and continued use for future generations of a defining part of the Carnarvon identity.
Coral Bay Bike Path.	A bike path in this tourist precinct township would boost the amenity for locals and its attraction to tourists.
Coral Bay Recycling Projects.	Sponsoring community and Shire led recycling projects in the township will protect the natural beauty of the area and add to community sustainability.
Indigenous Ranger program.	Sponsor positions or program of local rangers (separate from State program).
Sponsor the Animal Care Facility	Sponsor in the provision of essentials for our Animal Care Facility

The goal of the Share Our Horizons Partnership Program is to establish long-term relationships with community groups, not-for-profit organisations, government agencies, business and industry through sponsorship of Council and community-led initiatives that provide long-term benefits to our community.

We want to develop community wide partnerships that deliver social outcomes and help build community cohesion. Our partnerships go beyond traditional sponsorship. They are about creating synergies, brand awareness and recognition.

Share Our Horizons

Partnerships are focused on:

- Entering partnerships with groups or organisations that support our vision for the Shire of Carnarvon.
- Having a transparent and coordinated approach in the partnership management.
- Providing benefits and recognition to partners that are relevant to the level of contribution.
- Offering and supporting community initiatives at minimal or no cost.
- Strengthening relationships with all levels of the community.
- Engaging stakeholders at relevant stages of the program.
- Conducting the program in the spirit of goodwill.

Partnership Categories

Bronze

1 year of funding
\$500-\$1,999

Silver

1 year of funding
\$2000-\$9,999

Gold

1 year of funding
>\$10,000

Partnership Benefits

Each partnership arrangement has its own distinct qualities that can benefit your group, organisation, and the broader community. The Economic Development and Communications teams tailor marketing and communications strategies to fit the level of investment and maximise recognition opportunities.

Share Our Horizons

Partnerships are configured to ensure long term success, with a mix of profile raising, brand building, publicity, participation and engagement.

Please refer to the table below for standard partnership programs.

ROAD CONDITION REPORTS

If you are unsure of road conditions and want to check before you travel visit the Main Roads WA website at <https://travelmap.mainroads.wa.gov.au> and check out the Travel Map. It provides up to date road incident and impact information.

Alerts

Incidents or issues on the road affecting access or safety. These include closures or changes due to flooding, crashes, breakdowns, bushfires and alike.

Road closures

Information about road closures due to incidents or major planned roadworks. Road closures are shown as red lines on the map.

Roads open to specified vehicle types

Roads may only be open to certain types of vehicles. Full closure details including the vehicles able to access the road are provided in the alert.

Roads open with caution

Some roads may remain open however caution may be required to ensure the safety of all. For example, this includes fog incidents or minor flooding.

Traffic signal outages

We provide the location of those traffic lights that are blocked out to help you plan a safer trip.

Detours

Information is provided for you to safely navigate around an incident or issue on the road.

Roadworks

Information about current or planned roadworks having the potential to cause delays to your trip.

Events

Information about events having the potential to cause road closures or increased congestion in an area.

Rest areas and amenities

The location and details of places to stop during your trip are provided to help ensure a safer journey. Stopping places include parking, toilets and even picnic areas.

Google traffic

Powered by Google, this filter shows congestion across WA roads.

Clustering

Numbers are displayed in a green cluster on the map, indicating that there are multiple alerts in that location. Simply click on the icon to see more alerts in that area.

Alert list

A text-based list of this information is also provided. Filter by alert type, location or region and set your destination to see issues affecting your route.

EXCITING NEWS FROM THOTHX

We're thrilled to announce an innovative project in Carnarvon, Western Australia! ThothX has embarked on a transformative journey to repurpose the former OTC antenna into a state-of-the-art Space Domain Awareness sensor. Starting on October 10, 2022, over five years, they aim to turn this historic dish into a crucial tool for observing, tracking, and measuring satellites in geostationary orbit.

This initiative is a key part of ThothX's global network, joining our sites in Canada and Portugal, to enhance space situational awareness. With their proprietary Earthfence software, they're enabling repurposed C-band antennas to function as Space Domain Awareness sensors covering the critical geostationary orbit belt. This is vital as geostationary orbit satellites, essential for global communications and economic activities, face increasing risks from space debris and other challenges.

Strategically located in Carnarvon, this refurbished antenna will offer unique advantages for deep space surveillance over the Pacific region, crucial for international economies and security. The project kicked off with thorough assessments in 2023, revealing the antenna's potential despite decades of neglect and damage.

Key refurbishment tasks include debris removal, rust remediation, optical component repair, and installation of RF receivers. They are addressing complex logistical and technical requirements, aiming for phased implementation and eventual commercial operations between 2025-2027.

Funding comes from ThothX subsidiaries in Canada and the USA, Australian federal grants, and venture capital discussions. This support ensures the comprehensive refurbishment and operational setup of the Carnarvon antenna, reinforcing its role in our global Space Domain Awareness network.

ThothX is committed to strengthening global space situational awareness, revitalising local economies, and securing space assets and services critical to Australia and our international allies. Stay tuned for more updates as we advance towards a safer and more sustainable future in space exploration and utilisation!

FEDERAL GOVERNMENT GUARANTEES YOU CAN BOOK WITH CONFIDENCE ON REX

Rex continues to service regional Australia, connecting communities across the country.

Please see the below for an industry update on Rex from Sam Freeman, Voluntary Administrator of the Rex Group. You'll find information on the Federal Government's announcement of a Regional Flight Booking Guarantee, providing an added layer of confidence for passengers to keep flying Rex.

For more information regarding the Federal Government Regional Flight Booking Guarantee, please visit <https://rebrand.ly/Rex-Update>

Regional Express Holdings Limited (Administrators Appointed) ACN 099 547 270 ("Rex")

I refer to the appointment of Justin Walsh, Adam Nikitins and I as joint and several administrators of Rex at 9.30pm on 30 July 2024.

This letter is to update you on Rex's regional operations and provide answers to questions we've been frequently asked over the past week.

Rex still connecting regional Australia

Upon our appointment as Voluntary Administrators, we made the difficult, but necessary step to ground the Boeing 737 fleet and cancel all flights on that network.

We immediately turned our attention to securing a future for the Rex regional airline network by continuing regional operations.

Two weeks on, and the Rex regional network hasn't missed a beat. Since 31 July 2024, Rex has operated nearly 2,000 flights. Customers continue to book and fly with Rex across regional Australia.

Earlier this week, I took the time to speak to media in many of the regions serviced by Rex. I did this to reinforce the message that Rex is here continuing to deliver regional services.

While we have several duties as administrators, we are focused on securing a party to recapitalise or purchase Rex which would ensure the continued operation of these important regional services.

Your questions

Of the many questions posed to us since our appointment as Voluntary Administrators for Rex, there are a couple we've heard frequently over the past week.

Can we book with confidence?

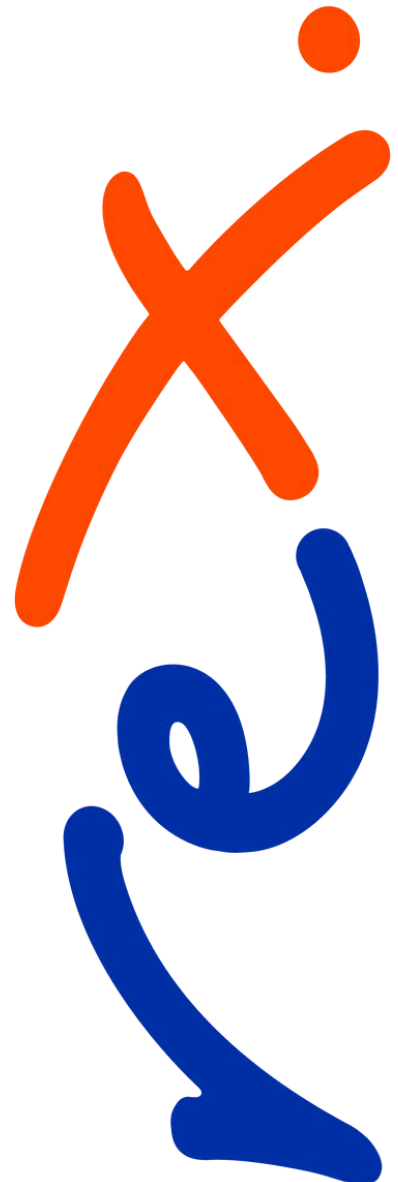

I am also pleased to be able to share with you that the [Federal Government has introduced a Regional Flight Booking Guarantee](#), which will give Australians added confidence to continue booking to or from a regional destination on Rex.

The Regional Flight Booking Guarantee will ensure that in the unlikely event a customer's service is subsequently cancelled and not rescheduled, and no alternative service has been delivered to the customer, and the Rex Companies are unable to provide a refund, that the Federal Government will provide a guarantee over any chargebacks and refunds.

This is a good thing because it provides an added layer of security for customers to keep flying Rex.

Who will buy Rex?

We have received interest from a significant volume of parties interested in the Rex regional airline. This interest is encouraging as we work toward securing a long-term future for Rex as a regional airline.

ARE YOU **BUSHFIRE** READY?

BURNING PERMITS AND BUSH FIRE CONTROL

Restricted and prohibited burning periods for Carnarvon is
from October 1st until April 30th.

During this period, a permit will be required to burn. These permits can be obtained from one of the Shire Rangers by calling 99410019

FIREBREAK INSPECTIONS

Rangers have commenced Firebreak inspections and it is disappointing to see there are a large number of properties that are not maintained. This can put your neighbours at risk and may result in infringements being issued.

Please ensure your property is in line with the Firebreak Notice that was sent to every property with their rates notice.

If you would like to report a fire hazard, please contact

A poster for the 'Craft Shop' at Jubilee Hall. The title 'Craft Shop' is written in a large, stylized font. Below it, a circular inset shows a photo of the Jubilee Hall building. The text 'SHOP OPEN' is in a blue box, followed by 'MONDAY - WEDNESDAY - FRIDAY' and '10-2PM'. At the bottom, it says 'CARNARVON ART AND CRAFT WORKSHOP INC' and 'JUBILEE HALL'. The background is a colorful quilt pattern.

A poster for 'YOGA IN CARNARVON with Lucy'. The title is in large, bold letters. Below it, the schedule is listed: 'Tuesdays 6-7pm | Vinyasa Flow' and 'Thursdays 6-7pm | Yin Yoga'. The location is '309 Robinson St, Carnarvon'. A heart icon indicates 'Everyone is welcome!'. A lightbulb icon indicates 'Casual rates or class passes available, cash or bank transfer.' A speech bubble icon indicates 'Contact Lucy through the Yoga in Carnarvon Facebook page or via phone on 0499 566 777 for details.' The bottom of the poster features a row of colorful illustrations of people in various yoga poses.

A poster for the 'ECU TAX CLINIC'. The title is in large, bold letters. Below it, the text reads 'DO YOU NEED FREE TAX ASSISTANCE?'. The location and time are 'Every Wednesday at Carnarvon Library & Art Gallery 9:30am - 12:30pm & 1:30pm - 4:00pm'. The text 'Apply for assistance with the friendly team today: bit.ly/3TzB84b' is at the bottom. The bottom half of the poster shows a photo of four people sitting around a table, with a large screen in the background displaying the ECU website. The ECU logo is in the top right corner.

- 21** Gascoyne Memorial
Building

- 22** Old Post Office

Carnarvon's traditional owners are the Yinggarda people, who named this area long ago, Kuwinynwardu (Gwoonwardu), meaning 'neck of water'. The first European settlement was established in 1876 setting up the pastoral station known as "Brickhouse Station".

By 1881 there were several pastoral stations set up, including the well-known Brown Range station and the Brockman Station, which led to the region being declared a municipality. Gascoyne Roads Board was set up in 1882. Later to become the Lower Gascoyne Roads Board. The Shire of Carnarvon was established in 1965 with CW Tuckey elected as the first Shire President on the 1st March 1965.
