PREAMBLE

The Code of Conduct, hereinafter referred to as 'the Code', provides Council Members and Committee Members and Candidates in Local Government with consistent guidelines for an acceptable standard of professional conduct. The Code addresses in a concise manner the broader issue of ethical responsibility and encourages greater transparency and accountability in individual Local Governments.

The Code is complementary to the principles adopted in the *Local Government Act 1995* (WA) (the Act) and Regulations which incorporate four fundamental aims to result in :

- (b) better decision-making by local governments;
- (c) greater community participation in the decisions and affairs of local governments;
- (d) greater accountability of local governments to their communities; and
- (e) more efficient and effective local government.

The Code provides a guide and a basis of expectations for Council Members and Committee Members. It encourages a commitment to ethical and professional behaviour and outlines principles in which individual and collective Local Government responsibilities may be based.

For the purpose of interpreting the Code a Contract is defined as a person, body corporate or any other entity with which the Shire has a contract for services. *Limitation - This code is intended to apply to those parties engaged in the role of contractors to the Shire and is not intended to apply to their broader business or personal activities.*

STATUTORY ENVIRONMENT

The Code of Conduct observes statutory requirements of the Local Government Act 1995 (s 5.103 – Codes of Conduct) and Local Government (Administration) Regulations 2021.

ENFORCEMENT OF THE CODE OF CONDUCT

Any member of Council or Committee Member or Candidate, who has concerns with an actual, perceived, potential, intended or unintended breach of a specific provision or spirit of the Code of Conduct should discuss their concerns in confidence, with the Chief Executive Officer (CEO) or the President.
