SHELTON, Dave

I have been a long term resident/property owner in Carnarvon for over 40 years. Most Carnarvon people would know me from over 25 years in business at Gascoyne Printers and the Carnarvon Community News/Classies. For the past 10 years I have played a major role in the community engagement teams of Horizon Power & Western Power and more recently with RPS Group Australia Asia Pacific. Until my retirement at the end of 2018, I was a consultant with RPS Group, consulting to the Department of Defence for the HMAS Stirling Environmental Investigation on Garden Island WA. I also worked for a period with the WA Department of Premier and Cabinet. I previously served as a Councillor on the Carnarvon Shire, Chairman of the Finance Committee and other committees.

Carnarvon has struggled for the last few years and it's time to shake the system up and take a fresh approach.
