Nominating for	Councillor for Town Ward
Election Type	Ordinary

ALSTON, Andrew

My wife and I moved to Carnarvon over 20 years ago where we have raised 3 children & run 3 small businesses. During this time I have seen the many issues affecting this town and believe something needs to be done about it.

I believe the main issues affecting the community of Carnarvon are

- * Aged care (keeping the elderly in town keeps families together & builds a stronger community)
- * Investment & training (we need to encourage more investment to provide jobs for our children)
- * Open and accountable governance within the Shire

With your support I will push to build a stronger, more vibrant community.
