GARRETT Edward

I have made Carnarvon my home since 1970 when working at the NASA Tracking Station. I have been an active community member for many years with an abiding interest in affordable aged accommodation and aged care. I was a founding a member of the Carnarvon Naval Association and the Secretary of the Gascoyne RSL since 2012. Currently serving as Chairman of the Gascoyne Memorial Foundation which provides 55 independent living units for aged and disability pensioners. I was elected to Council at the 2015 elections and have served as Deputy President since 2017. I consider disaffected youth unfinished business and would love to continue to contribute to finding solutions that will guide our youth toward meaningful, fulfilling lives.

I love the community of Carnarvon and I love the way of life we have here. I will do anything that will help ensure the future of this magic place.
