## LEAHY, Kevin

I arrived in Carnarvon in 1983 and was employed as Clerk of Courts until 1989 when I was elected to the Legislative Assembly as the MLA for Northern Rivers. I served for 4 years and was re-elected for a second 4 year term in 1993. During my second term I held the position of Opposition Whip for 3 years and then Shadow Minister for Tourism and Racing and Gaming for 12 months. In 2003 the Hon Tom Stephens resigned from his position as MLC for the Mining and Pastoral Region of WA and I entered the WA Legislative Council to complete the final 9 months of his term. During my time in the Legislative assembly I also served as a member of two Select Committees. I have also had a close association with community clubs and groups and have chaired the Development Commission, Sweeter Banana, Carnarvon Race Club and others.
