Candidate Name	Corey WALSH
Ballot Paper Name	WALSH, Corey
Nominating for	Councillor for Town Ward
Election Type	Ordinary

WALSH, Corey

I have lived in Carnarvon for the last three and a half years after moving up here for work and see the potential this town has. I have worked for the Shire and now the Department of Education and I'm an active member of the Carnarvon Community.

As a previous employee of the Shire of Carnarvon I have an extensive understanding of the Community Strategic Plan and council processes. Therefore can ensure the communities wants are addressed.

I have existing rapport with the wider community and shire staff alike, and can use this to promote a strong relationship between the two.

As a young nominee I aim to be a voice for the youth of Carnarvon. Giving them the representation at council so that we can begin to build a strong community and provide opportunities to attract and retain people in our town and build a stronger future for all.
